1. Forest Road Procedures (FRP) Document Control

- All electronic FRP files will be distributed in Adobe.pdf format to prevent editing.
- Any incorporation of the procedures into other documents will be done by way of an image paste.
- FRPs will be in effect for one year from the date printed at the top of the document.

2. Direct Communications Plan For Known Road Users

- Committee members will annually review and distribute the FRPs to their employees and contractor representatives who use the forest roads.
- Contractors will annually review and distribute the FRPs to their employees and sub-contractors.
- Printed copies of the current FRPs will be available at the MoF District office.
- Reference to the FRPs will be included in all BCTS timber sale contracts.
- Reference to the FRPs will be included in all small-scale salvage licenses and road use permits issued by the Ministry of Forests.

3. Indirect Communications Plan For Other Possible Road Users

- The current documents will be available to the public on-line at <https://www2.gov.bc.ca/gov/content?id=F3E77FE2A7854A9CB88F7C7BA5353BB6>
The web address will be included in the FRP documents.
- A link to the web site containing the FRP's will be e-mailed annually to an extensive distribution list of agencies, clubs, associations, other possible road users and the local news media.

4. Annual Review and Update

- All FRPs will be reviewed by the Committee each spring, and the documents updated by March 1st.
- During the review, the Committee will look for ways to improve or clarify the FRPs based on the monitoring program results and user feedback received from the previous year.
- The indirect user's e-mail distribution list will be updated.
- All Management System Documents and the Terms of Reference will be reviewed annually.
