

OVERVIEW

The Ministry of Forests (FOR) will be contracting out work to rebuild a section of the Driftwood FSR north of Fort St James from 15.1km to 16.7km. The current road configuration does not meet the desired road design and must be re-worked to meet the required vertical alignment.

WORK DETAILS

MINISTRY CONTACTS

<u>District Engineering Officer</u> <u>Coordinating Registered Professional</u> Sean Baumann, RFT 250-570-0672 Sean.Baumann@gov.bc.ca	<u>Ministry Representative</u> <u>Road Activity Professional of Record</u> Ken Yorston, RFT 250-570-0653 Ken.Yorston@gov.bc.ca
---	---

SCHEDULE

The project will take place from July 6 - July 24, 2026.

IMPACTS ON ROAD USERS

Minor delays may be encountered but traffic will be able to bypass the work area either along the FSR itself, or by using a short detour route.
