Definitions

1 In this regulation:

"Act" means the *Health Professions Act*;

"compound" means

- (a) in section 6 (n), to mix 2 or more ingredients, and
- (b) in any other case, to mix a drug with one or more other ingredients;

"dispense" has the same meaning as in the *Pharmacy Operations and Drug Scheduling Act*,

- (a) excluding a sale as defined in that Act, and
- (b) including receipt of payment on behalf of a registrant's employer for a drug dispensed or administered by the registrant, if the registrant's employer lawfully requires payment for that drug from a person in respect of the individual for or to whom it is dispensed or administered;

"Drug Schedules Regulation" means the Drug Schedules Regulation, B.C. Reg. 9/98;

"enteral instillation" means instillation directly into the gastrointestinal tract;

"health professional" means

- (a) a person who is authorized under the Act to practise dentistry, medicine, midwifery, naturopathic medicine or podiatric medicine,
- (b) a nurse practitioner, or
- (c) a person who is the equivalent, in another province or a foreign jurisdiction, of a person described in paragraph (a) or (b);

"order" means an instruction or authorization issued, by any method, by a health professional for a registrant to provide a service that includes the performance of an activity described in section 7 (1) to or for a named individual whom the health professional has assessed, whether or not the instruction or authorization

(a) makes provision for the time or times at which the service is to be initiated by a registrant, or

(b) incorporates by reference, in whole or in part and with any changes the health professional considers necessary or appropriate, a guideline, protocol or other recorded description of a course of action or decision-making process to be used by a registrant in providing the service to or for a specified class of individuals;

"parenteral instillation" means instillation directly into the blood stream;

"psychiatric nursing" means the health profession in which a person provides the following services:

(a) health care for the promotion, maintenance and restoration of health, being primarily psychosocial, mental or emotional health;

(b) prevention, treatment and palliation of illness and injury, being primarily psychosocial, mental or emotional disorders or conditions and associated physiological conditions, by

(i) assessing health status,

(ii) planning and implementing interventions, and

(iii) coordinating health services;

"psychiatric nursing diagnosis" means a clinical judgment of an individual's mental or physical condition to determine whether the condition can be ameliorated or resolved by appropriate

interventions of the registrant to achieve outcomes for which the registrant is accountable;

"substance" includes air and water but excludes a drug specified in Schedule I, IA, II or IV of the Drug Schedules Regulation;

"wearable hearing instrument" has the same meaning as in the Speech and Hearing Health Professionals Regulation, B.C. Reg. 413/2008.
