Honourable Anne Kang
Minister of Post-Secondary Education
and Future Skills
Parliament Buildings
Victoria, BC V8V 1X4

Dear Minister Kang:

Congratulations on your appointment as Minister of Post-Secondary Education and Future Skills at a critical time for our province. Serving as a member of the executive council is a privilege and responsibility which I am confident you will fulfill with integrity and a commitment to the people of our province.

British Columbians have trusted us with a mandate to deliver for them in ways that make a tangible difference in their daily lives. They expect us to listen and learn from people of different perspectives – and work together to make things better for everyone.

Specifically, we will tackle the challenges people worry about at the kitchen table:

- **Grow the economy by creating good jobs across British Columbia.** We will collaborate with businesses, workers, and communities to attract investments in both new and traditional sectors as well as emerging sectors of the economy. This approach will bring certainty for business, security for workers, and generate the wealth needed to support the essential services British Columbians rely on.
- **Reduce costs for families** including by helping people access homes they can afford through support for first-time homebuyers, increasing the supply of rental housing stock, and stronger measures to crack down on housing speculation.

.../2

- **Strengthen health care** by expanding access to family doctors and recruiting and training more health professionals, ensuring that every British Columbian can access the care they need, no matter where they live. We will also increase access to addictions treatment and provide help for people whose struggles require intensive supports.
- **Make our neighbourhoods and communities safer** by working with law enforcement and social agencies to address street disorder, crack down on organized crime, and do all we can to ensure repeat offenders stay behind bars.

Our commitment to take action on climate change remains foundational and will be key to a healthy and prosperous BC for future generations.

Underlying all this work is our partnership with Indigenous peoples. Advancing reconciliation, implementing the *Declaration on the Rights of Indigenous Peoples Act* and working in partnership with First Nations rights-holders to advance shared interests is the responsibility of every Minister.

Over this mandate I expect you to prioritize making progress on the following:

- In order to protect key services that British Columbians rely on, work with the Minister of Finance to review all existing Ministry of Post-Secondary Education and Future Skills programs and initiatives to ensure our programs remain relevant, are efficient, offer meaningful training opportunities for British Columbians, grow the economy, and help keep costs low. This is important in the context of current Provincial budget constraints, the job opportunities available and projected to be available for British Columbians in the near future, and the threat of American tariffs.
- Work with ministerial colleagues who have identified shortages of key skilled workers and professionals that are constraining economic growth or service delivery to find practical, fast, and efficient ways to address shortages of those workers through training, credential recognition, career laddering, and other innovative approaches.
- Work with post-secondary institutions to evaluate and advocate federally in relation to the funding challenges caused by the federal government's changes related to international students. Support schools in identifying structural solutions, new revenue streams, and cost reductions to ensure strong, sustainable public post-secondary schools, and training providers, who offer British Columbians the training and skills they need to be successful and help grow our provincial economy.

- Continue work with Indigenous partners to ensure that Indigenous learners can achieve their higher educational goals in ways that reflect a diversity of Indigenous cultures and values.
- Support the Minister of Social Development and Poverty Reduction to enhance employment services and skills training for people facing multiple and complex barriers to assist them in exiting a cycle of poverty and build a dignified life.
- Work with the Minister of Housing and Municipal Affairs to ensure that post-secondary institutions that have identified opportunities in relation to using housing as an economic development tool are supported in delivering that housing urgently.
- Work with the Minister of Housing and Municipal Affairs to enable privately owned new purpose-built rental buildings that, if partnered with a public post-secondary institution, receive special provision under the *Residential Tenancy Act* to be exclusively for students registered at that institution.

To assist you in meeting the commitments we have made to British Columbians, you are assigned a Parliamentary Secretary for International Credentials whose focus will be to:

- Engage with people with international professional credentials to ensure that the implementation of our *International Credentials Recognition Act* is relevant, meaningful, and effective for them in transitioning into employment in their area of professional training.
- Work with you to identify any shortcomings in the implementation of the Act and ensure that professional colleges and other credential granting agencies are in compliance with government expectations.
- Support government in formally recognizing and celebrating professional colleges and credential-granting agencies that exceed government expectations.

You will work closely together and ensure your Parliamentary Secretary receives appropriate support to deliver on this work.

As you are aware, we have established an accord with the BC Green Caucus that supports our shared commitment to ensuring stable governance focused on delivering progress and tangible outcomes for British Columbians. The commitments in that accord complement the direction in these mandate letters.

As a Cabinet, we will uphold the highest standards of ethics, collaboration, and good conduct in service of the public, and as a Minister of the Crown, you are expected to

review, understand, and act according to the *Members' Conflict of Interest Act*. You will establish a collaborative working relationship with your Deputy Minister and the public servants under their direction, who provide the professional, non-partisan advice that is fundamental to delivering on our government's priorities. Your Minister's Office must meet the highest standards for integrity and provide a respectful, rewarding environment for all staff.

The work we have ahead takes place in a profoundly challenging geopolitical environment. Close friends and neighbours to our south are contemplating imposing draconian tariffs on our products that would hurt both Americans and Canadians. Our allies internationally face governmental instability. Hate and racism are on the rise around the world. Artificial intelligence breakthroughs with unclear implications and astonishing potential are announced daily. Global inflation, snarled supply chains, and war are threatening global economic growth and prosperity as well as the transition to a low-carbon economy.

We have an obligation to protect and defend British Columbians, as well as seize opportunities, in these uncertain times.

The good news is that we have everything we need to succeed, and we will succeed. British Columbia's people – our workers, entrepreneurs, business leaders, artists, and innovators – are among the most talented in the world. We are home to world-class educational institutions and public services. Our natural beauty is unmatched, we have internationally envied resources, and we are one of the most diverse places on the planet. Your job is to help us leverage these advantages in perilous times.

Use this mandate letter to guide your work, and do not be afraid to challenge assumptions, or be innovative, bold and aggressive in achieving the goals set out for you and your Ministry by the people of this province.

Thank you for joining me in the work ahead.

Sincerely,

David Eby, KC
Premier
