

## **Flextrack VMS Access Links**

The Classic version of the Flextrack VMS will be available to allow Purchasers to review and approve contractors' Time Sheets for existing contracts already in the Classic VMS until February 4, 2026. Please access the Classic version only as necessary and note that it will be decommissioned on February 5.

### **Link Access to Classic Flextrack VMS:**

<https://sfs7.gov.bc.ca/affwebservices/public/saml2sso?SPID=flextrack-gbc>

Please use the newly updated Flextrack 2.0 to commence any new procurements using the link below.
