

Take advantage of a
PROGRAM SPECIALLY DESIGNED
for BC Government

Dick's is proud to announce our partnership with the British Columbia Government. We have worked with you to develop a special discount policy for all British Columbia Purchasing Card (P-Card) Holders. For everyday purchases you receive a discount on about 80% of our products in our branches. We will also custom quote any large projects. Simply purchase with your P-Card.

To use the program, go to the nearest participating Dick's Lumber branch (listed on the right), pick up the products you need, and head to the sales desk to purchase. Show your P-Card and they will reference your card number for the discount. Note we also have other ordering options, just ask!

Show your P-Card and Save
