

Gregory Ronald Greenwood  
Licence #107033

Effective August 26, 2024, the Emergency Medical Assistants Board (the "Board") suspended Gregory Ronald Greenwood's emergency medical assistant licence, pursuant to section 8 of the *Emergency Health Services Act*. The Board concluded the suspension of Gregory Ronald Greenwood's licence was necessary to protect the public during the investigation into his actions. As a result, Gregory Ronald Greenwood was not permitted to practice as an EMA in British Columbia.

Effective November 25, 2024, The Board finds that a suspension order is no longer necessary to protect the public as Gregory Ronald Greenwood is not currently employed as an EMA. Accordingly, pursuant to section 8(4) of the Act, the Board decided to cancel the suspension and instead impose the following condition on the licence:

Gregory Ronald Greenwood must notify the Board in writing, by sending an email to [makeacomplaint@gov.bc.ca](mailto:makeacomplaint@gov.bc.ca), before they return to work as an EMA.

The condition will remain in effect until the investigation concludes, a disciplinary hearing with the Board takes place, if one is directed, or the Board determines the action taken pursuant to section 8(1) is no longer necessary to protect the public
