

David Ingram, 104405

Date of Hearing: Proceeded by way of written submissions

The Emergency Medical Assistants Licensing Board (the "Board") convened a written hearing, pursuant to section 7 of the Emergency Health Services Act, RSBC 1996, c. 182 (the "Act") to hear and determine allegations in a notice of citation issued against David Ingram (the "Respondent"), dated February 3, 2026 (the "Citation").

The Respondent is a former emergency medical assistant who previously held a licence at the primary care paramedic level. The Respondent voluntarily relinquished his licence via the Board's website on March 13, 2023.

The amended citation alleged as follows:

- a) On or around February 22, 2023 to August 21, 2023, the Respondent is alleged to have acted incompetently and breached a term and condition of their licence, in particular section 11 of the Emergency Medical Assistants Regulation, B.C. Reg. 210/2010 (the "Regulation"), Schedule 3(e) and (j) of the Regulation, and section 6.5 of the Board's Rules for Complaints, Investigations and Discipline Hearings by failing to cooperate fully in the investigation of a complaint and failing to respond fully and substantively in the form specified.

(collectively, the "Charge").

On July 21, 2026, the Board issued its decision with respect to the Citation (the "Disciplinary Decision"). In the Disciplinary Decision, the Board determined, pursuant to section 7 of the Act, that the Respondent breached a term or condition of his licence between approximately February 22, 2023 and August 21, 2023 when he failed to cooperate fully in the investigation of a complaint and failed to respond fully and substantively in the form specified. Specifically, the Board found the Respondent breached sections (e) and (j) of the Code of Ethics.

The Board directed the parties to provide written submissions on the question of appropriate penalty. Upon receipt of those submissions, the Board will render a decision on what penalty ought to be imposed pursuant to section 7(3) of the Act.
