

CE Course/Activity List - Credits Already Assigned

EMACCS Submit Approved Activities Form

Please note: This list is provided as a reference for commonly submitted continuing education courses/activities. You may also submit CE courses/activities that are not on this list.

[All CE courses/activities must meet the requirements outlined in the Continuing Competence Policy \(link\):](#)

- they must be greater than 30 mins in length; and
- they must meet one or more NOCPs, the services and EMA may perform or the EMA Code of Ethics; and they must be relevant to the skills or knowledge required to practice as an EMA.

Supporting documentation for courses and educational activities completed must be kept for a minimum of three years.

This report is updated periodically and is only current to the date in the footer. For the most up-to-date information, please log into EMACCS and check the Approved Activities drop-down list
