

# BC Emergency Medical Assistant Licensing Canadian Free Trade Agreement (CFTA) Provincial Comparison

## Application Requirements

Note: All out of province applicants applying to BC that have a lapse in practice will be assessed under the [Out of Province Assessment Policy](#) and examinations/training may be required in order to be eligible for BC licensure.

## BC Jurisprudence Examination

All licensing candidates are required to successfully complete the jurisprudence examination. Candidates are required to complete the jurisprudence exam **every time** they apply for a new licence category. The online jurisprudence exam may be completed anywhere a candidate has internet access. Please ensure you review the [Applicant Guide to the B.C. Jurisprudence Examination](#) prior to attempting the exam.
