

EMA Licensing Board Recognized Restriction Removal and Endorsement Modules

The EMA Licensing Board reviews and recognizes training programs. In order for an applicant to be eligible for a restriction removal or an endorsement addition to an existing BC EMA licence they are required to complete one of the training programs recognized by the board below.

1. [EMA First Responder \(EMA FR\)](#)
2. [Emergency Medical Responder \(EMR\)](#)
3. [Primary Care Paramedic \(PCP\)](#)
4. [Advanced Care Paramedic \(ACP\)](#)
5. [Critical Care Paramedic \(CCP\)](#)

Licence Category –EMA First Responder (EMA FR) Schedule 1 and Schedule 2	
EMA FR Schedule 1 Restrictions 2022 Regulation update	EMA FR Schedule 2 Endorsements 2022 Regulation update
EMA FR Schedule 1 Nasopharyngeal airway devices only (g) maintenance of airways and ventilation	EMA FR Schedule 2(h) assistance to a patient with the administration of a medication to the patient
EMA FR Schedule 1 Wound Packing (j) wound management not requiring tissue puncture or indentation	EMA FR Schedule 2(k) administration of epinephrine by intramuscular auto-injector or intranasal or sublingual preparations
EMA FR Schedule 1 Pelvic binding only (k) fracture management and immobilization	EMA FR Schedule 2(i) use and interpretation of pulse oximeters and CO-oximeters
	EMA FR schedule 2(j) use and interpretation of glucometers
	EMA FR Schedule 2(l) topical administration of pro-coagulants and anti-fibrinolytics
	EMA FR Schedule 2(m) intramuscular and intranasal administration of opioid antagonists
	EMA FR Schedule 2(n) non-invasive blood pressure measurement
	EMA FR Schedule 2(o) intramuscular and intranasal administration of anti-hypoglycemic agents
	EMA FR Schedule 2(p) administration of oral analgesics
	EMA FR Schedule 2(q) administration of acetylsalicylic acid
