Termination of orders

46 An order ceases to have effect on the date or in the circumstances stated in the order, or, if no date or circumstances are stated, as follows:

(a) if an order is served by posting it in or on a place, on the date the order is removed by a health officer;

(b) if an order is served by publishing it, on the date a health officer publishes notice that the order has been terminated;

(c) in the case of an order to take preventive measures, on the date the person subject to the order receives notice from the person who is responsible for administering or supervising the preventive measures that the preventive measures are no longer required;

(d) in any other case, on the date a health officer provides notice by any means to the person served with the order that the order has been terminated.
