TO: OWNERS AND OPERATORS OF BANQUET HALLS
TO: OWNERS AND OPERATORS OF VACATION ACCOMMODATION
TO: OCCUPANTS OF VACATION ACCOMMODATION AND GUESTS
TO: OWNERS AND OPERATORS OF PLACES, INCLUDING PREMISES SUBJECT TO THE FOOD AND LIQUOR SERVING PREMISES ORDER
TO: PERSONS WHO ORGANIZE EVENTS
TO: PERSONS WHO ATTEND EVENTS

WHEREAS:

1. On March 17, 2020 I provided notice under section 52 (2) of the Public Health Act that the transmission of the infectious agent SARS-CoV-2, which has caused cases and outbreaks of a serious communicable disease known as COVID-19 among the population of the Province of British Columbia, constitutes a regional event as defined in section 51 of the Public Health Act;

2. The SARS-CoV-2 virus, an infectious agent, can cause outbreaks of COVID-19;

3. A person infected with SARS-CoV-2 can infect other people with whom the infected person is in direct contact, through droplets in the air, or from fluid containing SARS-CoV-2 left on surfaces;

4. The gathering of people in close contact with one another can promote the transmission of SARS-CoV-2 and increase the number of people who develop COVID-19 and become seriously ill; in particular, in recent months, social mingling coupled with the consumption of alcohol which increases risky behavior, and/or the presence of loud background sound
which causes people to move closer together to be heard or to speak more forcefully, is associated with significant increases in the transmission of SARS-CoV-2 and increases in the number of people who develop COVID-19 and become seriously ill;

5. With schools and post-secondary institutions opening and the change of seasons bringing cooler weather, people will be interacting more and spending more time indoors which will increase the risk of the transmission of SARS-CoV-2 in the population thereby increasing the number of people who develop COVID-19 and become seriously ill;

6. For certainty, this Order does not apply to health care related events such as immunization clinics, health authority COVID-19 testing centres and blood donation clinics; workers at a worksite when engaged in their work activities; workers living at a work camp; students, teachers or instructors at a school or post-secondary educational institution when engaged in educational activities; customers in a mall or retail establishment when engaged in shopping activities or seeking services; individuals attending an episodic vending market such as a Farmers Market or a Community Market which is subject to the Vending Markets Order; individuals in a recreation centre or campground or any other place when not attending an event; or the use of any place for municipal, provincial or federal election purposes.

7. For further certainty, this Order applies to private clubs and meetings or conferences held in hotels or any other place.

8. I have reason to believe and do believe that

(i) the risk of an outbreak of COVID-19 among the public constitutes a health hazard under the Public Health Act;

(ii) because the risk of outbreaks resulting from the gathering of people and attendance at events extends beyond the authority of one or more medical health officers and coordinated action is needed to protect the public from contracting COVID-19, it is in the public interest for me to exercise the powers in sections 30, 31, 32 and 39 (3) of the Public Health Act TO ORDER as follows:

1 In this Act:

'health hazard' means

(a) a condition, a thing or an activity that
   (i) endangers, or is likely to endanger, public health, or
   (ii) interferes, or is likely to interfere, with the suppression of infectious agents or hazardous agents, or
(b) a prescribed condition, thing or activity, including a prescribed condition, thing or activity that
   (i) is associated with injury or illness, or
   (ii) fails to meet a prescribed standard in relation to health, injury or illness;

When orders respecting health hazards and contraventions may be made

30 (1) A health officer may issue an order under this Division only if the health officer reasonably believes that

(c) to bring the person into compliance with the Act or a regulation made under it;

(d) to bring the person into compliance with a term or condition of a licence or permit held by that person under this Act.

(2) A health officer may issue an order under subsection (1) to any of the following persons:

(a) a person whose action or omission

   (i) is causing or has caused a health hazard, or

   (ii) is not in compliance with the Act or a regulation made under it, or a term or condition of the person's licence or permit;

(b) a person who has custody or control of a thing, or control of a condition, that

   (i) is a health hazard or is causing or has caused a health hazard, or

   (ii) is not in compliance with the Act or a regulation made under it, or a term or condition of the person's licence or permit;

(c) the owner or occupier of a place where

   (i) a health hazard is located, or

   (ii) an activity is occurring that is not in compliance with the Act or a regulation made under it, or a term or condition of the licence or permit of the person doing the activity.

**Specific powers respecting health hazards and contraventions**

32  (1) An order may be made under this section only

   (a) if the circumstances described in section 30 [when orders respecting health hazards and contraventions may be made] apply, and

   (b) for the purposes set out in section 31 (1) [general powers respecting health hazards and contraventions].
(2) Without limiting section 31, a health officer may order a person to do one or more of the following:

   (b) Part 5 [Emergency Powers] applies.

   (a) levy an administrative penalty under this Act, or

   (b) charge a person with an offence under this Act.
Contents of orders

39  (3) An order may be made in respect of a class of persons.

Duty to comply with orders

42  (1) A person named or described in an order made under this Part must comply with the order.

Reconsideration of orders

43  (1) A person affected by an order, or the variance of an order, may request the health officer who issued the order or made the variance to reconsider the order or variance if the person

(a) has additional relevant information that was not reasonably available to the health officer when the order was issued or varied,

(b) has a proposal that was not presented to the health officer when the order was issued or varied but, if implemented, would

   (i) meet the objective of the order, and

   (ii) be suitable as the basis of a written agreement under section 38 [may make written agreements], or

(c) requires more time to comply with the order.

(2) A request for reconsideration must be made in the form required by the health officer.

(3) After considering a request for reconsideration, a health officer may do one or more of the following:

(a) reject the request on the basis that the information submitted in support of the request

   (i) is not relevant, or

(b) if multiple orders are made that affect a class of persons, or address related matters or issues, a health officer may reconsider the orders separately or together.

(8) If a health officer is unable or unavailable to reconsider an order he or she made, a similarly designated health officer may act under this section in respect of the order as if the similarly designated health officer were reconsidering an order that he or she made.

**Review of orders**

44 (1) A person affected by an order may request a review of the order under this section only after a reconsideration has been made under section 43 [reconsideration of orders].

(2) A request for a review may be made,

(a) in the case of an order made by a medical health officer, to the provincial health officer, or

(b) in the case of an order made by an environmental health officer, to a medical health officer having authority in the geographic area for which the environmental health officer is designated.

(b) confirm, vary or rescind the order;
(c) refer the matter back to the person who made the order, with or without directions.

(5) A reviewer must provide written reasons for an action taken under subsection (4) (b) or (c), and a person may not request further review of an order.
