TO: PERSONS WHO OPERATE OVERNIGHT CAMPS FOR CHILDREN AND YOUTH

WHEREAS:

A. On March 17, 2020 I provided notice under section 52 (2) of the Public Health Act that the transmission of the infectious agent SARS-CoV-2, which has caused cases and outbreaks of a serious communicable disease known as COVID-19 among the population of the Province of British Columbia, constitutes a regional event as defined in section 51 of the Public Health Act;

B. The SARS-CoV-2 virus, an infectious agent, can cause outbreaks of COVID-19;

C. A person infected with SARS-CoV-2 can infect other people with whom the infected person is in direct contact, through droplets in the air, or from fluid containing SARS-CoV-2 left on surfaces;

D. The overnight accommodation of children or youth in either an indoor or outdoor setting, and their engagement in communal dining and group activities, can promote the transmission of SARS-CoV-2 and increase the number of people who develop COVID-19;

E. You belong to the class of persons to whom this Order is addressed;

F. I have reason to believe and do believe that

   i. the risk of an outbreak of COVID-19 among the public constitutes a health hazard under the Public Health Act;

   ii. in order to reduce the risk of an outbreak of COVID-19, and to maintain a safe and healthy environment for children, youth and staff at an overnight camp, it is necessary for me to exercise the powers in sections 30, 31, 32 and 39 (3) of the Public Health Act TO ORDER as follows:
THIS ORDER REPEALS AND REPLACES MY ORDER OF MAY 29, 2020 (OVERNIGHT CAMPS FOR CHILDREN AND YOUTH)

Definitions

In this Order:

“children or youth” means a person who is under the age of 19 years;

“camp” means a camp providing overnight accommodation for children or youth, but does not include a camp at which all the children or youth are accompanied by a parent, guardian or other adult person who stays overnight and provides care for their children or youth.

COVID-19 SAFETY PLANS

1. A person must not operate a camp, except as provided in this Order.

2. Before beginning to operate a camp, an operator must

   a. develop a COVID-19 Safety Plan which aligns with the BC Camps Association COVID-19 Guidelines - Overnight Camps at http://bccamping.org/Resources-For-Camps, and

   b. submit the COVID-19 Safety Plan to the medical health officer.

3. An operator must make a change to a COVID-19 Safety Plan required by a medical health officer.

5. No person may operate a camp unless they are in compliance with the provisions of this Order.

A. RELATED MEDICAL HEALTH OFFICERS ORDERS

Recognizing that the risk differs in different regions of the province and that medical health officers are in the best position to assess local circumstances and to determine whether additional or more restrictive steps need to be taken to reduce the risk of the transmission of COVID-19, I

FURTHER ORDER:

1. A medical health officer may issue an order further to this Order for the purpose of having the provisions of the order incorporated into this Order. Such an order may add further prohibitions, or impose more restrictive limitations or conditions in the whole or part of the geographic area of the province for which the medical health officer is designated and, subject to section 2, the provisions of the order are incorporated into this Order when posted on my website. For certainty, a contravention of an order of a medical health officer issued further to this Order and posted on my website is a contravention of this Order.
2. While it is in force, a provision in an order made by a medical health officer further to this Order and posted on my website, which adds further prohibitions or imposes more restrictive limitations or requirements than this Order, applies in the whole or part of the geographic area of the province for which the medical health officer is designated, despite the provisions of this Order.

This Order does not have an expiration date.

Pursuant to section 54 (1) (h) of the *Public Health Act*, and in accordance with the emergency powers set out in Part 5 of the *Public Health Act*, I will not be accepting requests for reconsideration of this Order.

You are required under section 42 of the *Public Health Act* to comply with this Order. Failure to comply with this Order is an offence under section 99 (1) (k) of the *Public Health Act*.
