VARIANCE OF THE GATHERINGS AND EVENTS ORDER
OF THE PROVINCIAL HEALTH OFFICER
(Pursuant to Sections 30, 31, 32 and 39 (3) and (6) Public Health Act, S.B.C. 2008)

TO PERMIT

INDOOR WORSHIP SERVICES
May 26, 2021

The Public Health Act is at:

(excerpts enclosed)

TO: RELIGIOUS COMMUNITIES

Pursuant to the authority vested in me by section 39 (6) of the Public Health Act, I hereby Vary the Gatherings and Events order, to provide for indoor worship services as follows:

THIS VARIANCE FORMS PART OF THE GATHERINGS AND EVENTS ORDER (the “Order”) AND REPEALS AND REPLACES THE VARIANCE DATED MARCH 25, 2021

In this Variance the definitions in the Order apply.

The definitions of “face covering” and “health check” from the Order are included for ease of reference.

Definitions

"face covering" means either of the following that covers the nose and mouth of a person:

(a) a medical or non-medical mask;
(b) a tightly woven fabric;

“worship service” includes a funeral, and a baptism which takes place during a regular service, but not a wedding, or a baptism which is held on its own.

1. A person may permit a place, other than a private residence or vacation accommodation, to be used for, or may organize, lead or participate in, a worship service which is held indoors.

2. The maximum number of people who may attend is 50 people. This number is inclusive of worship leaders, readers, soloists, musicians, volunteers and the like.

3. Despite section 2, up to two additional people may be present for the purpose of ensuring compliance with the Variance.

4. A person organizing a worship service must pre-register all participants for the purposes of controlling attendance and contact tracing, and must
   a. collect the first and last name, and telephone number or email address, of every person who is present at a worship service,
   b. retain the information collected for thirty days, and provide it to a medical health officer on request,
   c. destroy the information after thirty days.

5. A person organizing a worship service must ensure that hand sanitation supplies are readily available for use by participants.

6. Before attending a worship service, a person must carry out a health check.

7. A person who has not passed a health check must not attend a worship service.

8. A participant must maintain a distance of two metres from other participants, unless they live in the same private residence.

9. A participant must wear a face covering.

10. A worship leader must wear a face covering during a worship service, but may remove the face covering when speaking, singing or chanting, if there is
    a. a three metre separation between the worship leader and the other participants, or
    b. a physical barrier between the worship leader and the other participants which blocks the transmission of droplets.

11. A reader must wear a face covering during a worship service, but may remove the face covering when reading out loud during the service, if there is
a. three metre separation between the reader and the other participants, or

b. a physical barrier between the reader and the other participants which blocks the transmission of droplets.

12. There must not be a choir at a worship service, but a soloist may sing at a worship service.

13. A soloist must wear a face covering during a worship service, but may remove the face covering while singing, if there is

   a. a three metre separation between the soloist and the other participants, or

   b. physical barrier between the soloist and the other participants which blocks the transmission of droplets.

14. A musician, or a musical group of no more than five musicians, may play at a worship service.

15. A musician, or members of a musical group, must wear a face covering during a worship service, but may remove the face covering if it is necessary to play their musical instrument, if there is

   a. three metre separation between the musician and any other musicians and the participants, or

   b. a physical barrier between the musician and any other musicians and the participants, which blocks the transmission of droplets.

16. Members of a musical group must maintain a distance of two metres from one another, unless the provisions of section 15 (b) apply.

17. Despite sections 9, 10, 11, 13 and 15, a person is not required to wear a face covering during a worship service, if

   a. under the age of 12 years;

   b. unable to put on or remove a face covering without the assistance of another person;

   c. unable to wear a face covering because of

      i. a psychological, behavioural or health condition, or

      ii. a physical, cognitive or mental impairment;
d. the face covering is removed temporarily for the purpose of identifying the person;

e. the face covering is removed temporarily to communicate with a person with a
disability or diverse ability, where visual cues, facial expressions or lip reading or
lip movements are important;

f. the face covering is removed temporarily to permit the consumption of food or
drink provided during and for the purpose of worship.

18. A participant, other than a worship leader or a soloist, must not sing or chant.

19. Except as provided for in section 20, a participant at a worship service must not pass or
share any item, including a collection bag or plate, book or ceremonial object.

20. Food or drink placed in a sanitary manner in single use containers may be provided
during a worship service for worship purposes.

21. A participant must not gather or socially engage with other participants during, before or
after a worship service except as permitted in Part A of the Gatherings and Events Order.

22. A participant must disperse immediately after a worship service, and must not mix with
participants who are leaving an earlier service, the same service, or arriving to attend a
subsequent service.

23. If feasible, during a worship service, doors and windows should be kept open to increase
ventilation, and mechanical ventilation should be maximized to the extent possible.

25. Despite section 24, doors may remain closed if there are concerns about security.

26. Washroom facilities with running water, soap and paper towels for hand washing and
drying purposes, or hand sanitation supplies, must be available.

27. There may be more than one indoor worship service held in a place at the same time, as
long as the following conditions are met:

   a. participants attending different services do not mix with one another before,
during or after the worship services; and

   b. there are separate entrances, exits and washroom facilities for participants at
each of the services.
28. There may be more than one worship service held during the course of a day, as long as participants do not mix with participants attending an earlier or later service held during the same day.

29. Following a service, and during an appropriate interval of time before another service commences, the person responsible for organizing the worship service must ensure that:

   c. the place, including tables, chairs and door handles, is cleaned, sanitized and ventilated while there are no participants present; and

   d. there is a sufficient period of time between services

      i. to permit the place to be cleaned, sanitized and ventilated without any participants being present, and

      ii. to permit participants attending different service to arrive and leave without mixing with one another.

30. Participants attending a worship service must not mix with participants attending another worship service before, during or after the worship service.

31. No person may permit a place to be used for, may organize, may lead or may participate in an indoor worship service, unless the conditions in this Variance are met.

This Variance does not have an expiration date.

Pursuant to section 54 (1) (h) of the Public Health Act, and in accordance with the emergency powers set out in Part 5 of the Public Health Act, I will not be accepting requests for reconsideration of this Order.

You are required under section 42 of the Public Health Act to comply with this Variance.

Failure to comply with this Variance is an offence under section 99 (1) (k) of the Public Health Act.

If you fail to comply with this Variance, I have the authority to take enforcement action against you under Part 4, Division 6 of the Public Health Act.
You may contact me at:

Enclosure: Excerpts of the Public Health Act.
ENCLOSURE

Excerpts of the Public Health Act [SBC 2008] c. 28

Definitions

1 In this Act:

"health hazard" means

(a) a condition, a thing or an activity that
   (i) endangers, or is likely to endanger, public health, or
   (ii) interferes, or is likely to interfere, with the suppression of infectious agents or hazardous
   agents, or
(b) a prescribed condition, thing or activity, including a prescribed condition, thing or activity that
   (i) is associated with injury or illness, or
   (ii) fails to meet a prescribed standard in relation to health, injury or illness;

When orders respecting health hazards and contraventions may be made

30 (1) A health officer may issue an order under this Division only if the health officer
reasonably believes that
   (a) a health hazard exists,
   (b) a condition, a thing or an activity presents a significant risk of causing a health
hazard,
   (c) a person has contravened a provision of the Act or a regulation made under it, or
   (d) a person has contravened a term or condition of a licence or permit held by the person
under this Act.
(2) For greater certainty, subsection (1) (a) to (c) applies even if the person subject to the order is
complying with all terms and conditions of a licence, a permit, an approval or another
authorization issued under this or any other enactment.

General powers respecting health hazards and contraventions

31 (1) If the circumstances described in section 30 [when orders respecting health hazards and
contraventions may be made] apply, a health officer may order a person to do anything that the
health officer reasonably believes is necessary for any of the following purposes:
   (a) to determine whether a health hazard exists;
   (b) to prevent or stop a health hazard, or mitigate the harm or prevent further harm from a
health hazard;
(c) to bring the person into compliance with the Act or a regulation made under it;
(d) to bring the person into compliance with a term or condition of a licence or permit held by that person under this Act.

(2) A health officer may issue an order under subsection (1) to any of the following persons:

(a) a person whose action or omission
   (i) is causing or has caused a health hazard, or
   (ii) is not in compliance with the Act or a regulation made under it, or a term or condition of the person's licence or permit;

(b) a person who has custody or control of a thing, or control of a condition, that
   (i) is a health hazard or is causing or has caused a health hazard, or
   (ii) is not in compliance with the Act or a regulation made under it, or a term or condition of the person's licence or permit;

(c) the owner or occupier of a place where
   (i) a health hazard is located, or
   (ii) an activity is occurring that is not in compliance with the Act or a regulation made under it, or a term or condition of the licence or permit of the person doing the activity.

Specific powers respecting health hazards and contraventions

32 (1) An order may be made under this section only
(a) if the circumstances described in section 30 [when orders respecting health hazards and contraventions may be made] apply, and
(b) for the purposes set out in section 31 (1) [general powers respecting health hazards and contraventions].

(2) Without limiting section 31, a health officer may order a person to do one or more of the following:

(a) have a thing examined, disinfected, decontaminated, altered or destroyed, including
   (i) by a specified person, or under the supervision or instructions of a specified person,
   (ii) moving the thing to a specified place, and
   (iii) taking samples of the thing, or permitting samples of the thing to be taken;

(b) in respect of a place,
   (i) leave the place,
   (ii) not enter the place,
(iii) do specific work, including removing or altering things found in the place, and altering or locking the place to restrict or prevent entry to the place,
(iv) neither deal with a thing in or on the place nor dispose of a thing from the place, or deal with or dispose of the thing only in accordance with a specified procedure, and
(v) if the person has control of the place, assist in evacuating the place or examining persons found in the place, or taking preventive measures in respect of the place or persons found in the place;
(c) stop operating, or not operate, a thing;
(d) keep a thing in a specified place or in accordance with a specified procedure;
(e) prevent persons from accessing a thing;
(f) not dispose of, alter or destroy a thing, or dispose of, alter or destroy a thing only in accordance with a specified procedure;
(g) provide to the health officer or a specified person information, records, samples or other matters relevant to a thing's possible infection with an infectious agent or contamination with a hazardous agent, including information respecting persons who may have been exposed to an infectious agent or hazardous agent by the thing;
(h) wear a type of clothing or personal protective equipment, or change, remove or alter clothing or personal protective equipment, to protect the health and safety of persons;
(i) use a type of equipment or implement a process, or remove equipment or alter equipment or processes, to protect the health and safety of persons;
(j) provide evidence of complying with the order, including
   (i) getting a certificate of compliance from a medical practitioner, nurse practitioner or specified person, and
   (ii) providing to a health officer any relevant record;
(k) take a prescribed action.

(3) If a health officer orders a thing to be destroyed, the health officer must give the person having custody or control of the thing reasonable time to request reconsideration and review of the order under sections 43 and 44 unless
   (a) the person consents in writing to the destruction of the thing, or
   (b) Part 5 [Emergency Powers] applies.

Contents of orders

39  (3) An order may be made in respect of a class of persons.
    (6) A health officer who makes an order may vary the order
(a) at any time on the health officer's own initiative, or
(b) on the request of a person affected by the order, following a reconsideration under section 43 [reconsideration of orders].

**Duty to comply with orders**

**42**  (1) A person named or described in an order made under this Part must comply with the order.
(2) Subsection (1) applies regardless of whether the person leaves the geographic area for which the health officer who made the order is designated.

**General emergency powers**

**54**  (1) A health officer may, in an emergency, do one or more of the following:
   (h) not reconsider an order under section 43 [reconsideration of orders], not review an order under section 44 [review of orders] or not reassess an order under section 45 [mandatory reassessment of orders];
(2) An order that may be made under this Part may be made in respect of a class of persons or things, and may make different requirements for different persons or things or classes of persons or things or for different geographic areas.

**Offences**

**99**  (1) A person who contravenes any of the following provisions commits an offence:

   ... 

   (k) section 42 [failure to comply with an order of a health officer], except in respect of an order made under section 29 (2) (e) to (g) [orders respecting examinations, diagnostic examinations or preventive measures];
