

## Get your health information online

Health Gateway provides secure and convenient access to your health records, including:

- Lab results
- Medication history
- Immunization records
- Hospital visits
- Diagnostic Imaging reports

... and more! New features are regularly added.

Go to the website at [healthgateway.gov.bc.ca](https://healthgateway.gov.bc.ca)

Or try the mobile app

You can download it for free to your phone, tablet or iPad.
