**Types of Assistance** - Two types of assistance are available:

1. Regular Premium Assistance – offered if your adjusted net income for the previous year is \$42,000 or less. To apply for Regular Premium Assistance you must fully complete this form and sign the declaration and consent. If you are married or living in a marriage-like relationship, your spouse must also sign. **If you are covered through your employer, pension or union welfare plan**, your group administrator will need to complete the Group Authorization section above.
2. Temporary Premium Assistance – offered if you are unable to pay premiums because of a current, unexpected financial hardship. To qualify, you need to provide information that shows you are unable to pay your premiums and could not have reasonably budgeted to do so. For more information, visit: [gov.bc.ca/temporarypremiumassistance](http://gov.bc.ca/temporarypremiumassistance).

**Other Benefits** - Many families who qualify for premium assistance also qualify for the Healthy Kids program. Healthy Kids assists with costs associated with basic dental care and prescription glasses for children. For further information, call 1 866 866-0800. Fair PharmaCare helps BC residents with eligible costs of prescriptions and certain medical supplies. Already covered by Fair PharmaCare? Have you experienced a decrease in income?

You may qualify for increased Fair PharmaCare coverage. For more information or to register, visit [gov.bc.ca/pharmacare](http://gov.bc.ca/pharmacare) or contact Health Insurance BC.

**Income Verification** - The signed declaration above allows the Ministry of Health and/or Health Insurance BC to verify your income information with the Canada Revenue Agency (CRA) on an ongoing basis. In most cases, you do not need to reapply for Regular Premium Assistance as Health Insurance BC will continue to verify your income with CRA each year and will maintain or adjust your level of assistance based on the information received from CRA. In order to verify your income, the name and date of birth on your MSP account must match the information on file at CRA.

**Monthly Rates** - Once you have completed the application form, look at line 12 to determine your adjusted net income. Find your adjusted net income in the premium rate table to determine your monthly rate. The rates listed below are subject to change.
