PART E: PRACTITIONER AND PAYEE AUTHORIZATION (to be completed by the practitioner and payee)

I, the Practitioner (the "Assignor") named above, hereby assign to the Diagnostic Facility (the "Assignee") named above, all payments owing to me by the Medical Services Commission (MSC) of British Columbia for the performance and billing of the restricted outpatient services indicated in Part B. This Assignment of Payment (AOP) applies to all claims submitted, in the format approved by the MSC bearing my Practitioner Number and the above notes Payment Number(s) and Facility Number(s).

I authorize the MSC to direct the Medical Services Plan payments to any address specified by the diagnostic facility from time to time.

I confirm that I have read and understand the Preamble to the MSC Payment Schedule. I understand that I must comply with the Medicare Protection Act, the Medical and Health Care Services Regulation and all requirements of the MSC Payment Schedule.

I understand that payment by the MSC to the diagnostic facility under this AOP discharges the MSC of any indebtedness for those same accounts to me, and releases the MSC of any indebtedness to me, my executors, my administrators or other assignees for the amounts paid.

PART F: CONFIRMATION OF APPROVAL

Processing an Assignment of Payment can take up to 30 days as it involves two separate steps:

1. The Ministry of Health is responsible for **vetting and approving all information submitted**, and then establishing the practitioner/facility connection;
2. Health Insurance BC (HIBC) is responsible for establishing the practitioner/payee connection.

Once the Ministry of Health has approved and completed initial processing of the AOP form, an e-mail notification will be provided to the individual who submitted the AOP form. Final processing is completed by HIBC.

For confirmation of final processing of an AOP form, contact Health Insurance BC toll-free at 1-866-456-6950.

IMPORTANT NOTICE TO PRACTITIONERS AND PAYEES

Excerpt from Preamble C.9, Medical Services Commission Payment Schedule

An "Assignment of Payment" is a legal agreement by which an attending practitioner designates payment for his/her services to another party. In this circumstance, the designated party may use the attending practitioner's practitioner number in combination with its own payment number when submitting claims to the Medical Services Plan (MSP).

For full text of Preamble C9, Medical Services Commission Payment Schedule, see page 11 at <http://www2.gov.bc.ca/assets/gov/health/practitioner-pro/medical-services-plan/1-preamble.pdf>.

To limit liability:

- In the case of practitioners providing limited or locum coverage, the time period indicated on the form must be the same as the time period assigned for the limited or locum coverage.
- Practitioners who have made a two (2) year Assignment of Payment to a diagnostic facility must advise the Diagnostic Facilities Administration if he/she ceases to be associated with the diagnostic facility before the assignment expires.

DEFINITIONS

Credentialing: The provincial standard established as a requirement to perform and bill a particular outpatient service or fee code. For services with an asterisk (*), confirmation of appropriate practitioner credentialing is required. More information and a confirmation of credentialing template are found at: www.gov.bc.ca/assignmentofpayment

Effective Date of Service: The start/end dates of the assignment of payment. For the AOP form, practitioners must have a continuous effective date of service, with a maximum of two (2) years (e.g., START 2017/01/01: END 2018/12/31). For Medical Imaging, the effective date of service is the date service is performed (not the date practitioner starts work).

Locum: A practitioner with appropriate medical staff privileges who substitutes on a temporary basis for another practitioner. Locums may cover for either Full Time Staff Members or Part-Time Staff members.

Medical Director: The practitioner responsible for the modality/services indicated in Part B, at the facility listed in Part A.

New Full Time Staff Member: A practitioner working at a diagnostic facility on a full-time basis, usually providing service at least 9 months or greater of the year.

New Part-Time Staff Member: A practitioner working at a diagnostic facility on a part-time basis, usually providing service for a period of less than 9 months of the year.

New Service/Modality: Provision of a new service or modality by a practitioner who is already working/providing services at a facility where that practitioner has an existing assignment of payment in place.

Payee: The authorized representative of the organization receiving payment.

Renewal: Applies to a practitioner who will be providing the same services as those listed on their previous AOP form, without any break in the coverage period.
