Recruitment Incentive:

- Recruitment benefits are available for physicians recruited to fill vacancies or pending vacancies that are part of physician supply plans in communities covered by the *Subsidiary Agreement for Physicians in Rural Practices* (RSA).
- The benefit is not available for physicians recruited from other RSA communities. In exceptional circumstances, the Joint Standing Committee on Rural Issues (JSC) may waive this restriction.
- Dollar values are scaled by the community isolation category A = \$20,000, B = \$15,000, C = \$10,000, D = \$5,000.
- The full benefit is pro-rated in case of physicians who are recruited to be less than full-time. Payment is subject to the physician's agreement to repay it in full if he/she leaves within 1 year from the date of commencement of practice in the community.
- More information may be found at www.health.gov.bc.ca/rural#rsa; then click on "Subsidiary Agreement for Physicians in Rural Practices (RSA)".
