

SUBMISSION FOR THE PRE-PUBLIC DISCLOSURE REVIEW OF STATISTICAL AND/OR RESEARCH MATERIALS

In signing an Information Sharing Plan under the General Health Information Sharing Agreement, an Information Sharing Agreement or a Research Agreement with the Ministry of Health for access to data, applicants commit to sending Evaluation and/or Research Materials to the Ministry of Health in advance of public dissemination. Ministry of Health, as those responsible for ensuring appropriate uses of the public body's data, check that: privacy / confidentiality requirements are upheld; there is no gross misuse of the data; and that the data is appropriately referenced. This also provides an opportunity for Ministry of Health to learn of, and brief internally on, the research findings.

PLEASE READ BEFORE SUBMITTING

- 1. Your Agreement requires that you provide Ministry of Health 45 DAYS to review your submission.
2. Submissions that have been previously vetted in a different publication format and do not use new data and/or analysis DO NOT require further vetting (Ministry of Health still request that copies be provided).
3. Presentation of statistical and research materials to colleagues DO NOT require approval.
