

BC PharmaCare

Essential resources for health professionals

PharmaCare counts on healthcare professionals to practice cultural humility and create an environment free of racism. To learn more, visit gov.bc.ca/pharmacare/culturalhumility

PharmaCare website

The PharmaCare webpages explain how to get coverage for patients, Special Authority criteria, forms and more. Visit gov.bc.ca/pharmacareforprofessionals

PharmaCare Newsletter

Subscribe to the monthly newsletter at gov.bc.ca/pharmacarenewsletter for new drug listings, policy and procedure updates, drug shortages and more!

Formulary Search

Find out which drugs PharmaCare covers at pharmacareformularysearch.gov.bc.ca

Product Identification Numbers (PINs)

Visit gov.bc.ca/pharmacarepins for all the PINs you need to enter claims in PharmaNet.

Enrol in PRIME

All health professionals accessing PharmaNet must be enrolled in PRIME. By enrolling, you request Ministry of Health approval to use PharmaNet. Visit gov.bc.ca/pharmanet/PRIME to learn more and enrol.

PharmaCare Policy Manual

The policy manual is available all on one webpage (great for using the search-on-page command!) and in sections (great for quickly referencing one subject!). Access at gov.bc.ca/pharmacarepolicy

PharmaCare 101 videos

A crash course in PharmaCare fundamentals. Access at gov.bc.ca/pharmacare101

Plan W OTC drug list

Plan W covers 100% of the costs of many over-the-counter (OTC) drugs when they are prescribed by a practitioner or recommended by a pharmacist. Visit gov.bc.ca/pharmacare/planwotc for the list of covered drugs.

Resources for clients

Print off information pamphlets for your clients. Translations available in 15 languages at gov.bc.ca/pharmacarepatientinfo

Special Authority drug list

Find the list of drugs and their criteria that PharmaCare covers under Special Authority at gov.bc.ca/pharmacareSAdruglist

PharmaCare help desk for the public is at:
