

BC PharmaCare Essential Links for health professionals

PharmaCare counts on healthcare professionals to practice cultural humility and create an environment free of racism. Visit gov.bc.ca/pharmacare/culturalhumility

PharmaCare website

PharmaCare web pages explain how to get coverage for patients, Special Authority criteria, forms and more. Visit gov.bc.ca/pharmacareforprofessionals

PharmaCare Newsletter

Subscribe to the monthly newsletter at gov.bc.ca/pharmacarenewsletter for new drug listings, policy and procedure updates, drug shortages and more!

PharmaCare Policy Manual

The policy manual is available on one web page (great for using the search-on-page command!) or in sections (great for quickly referencing one subject!). Access at gov.bc.ca/pharmacarepolicy

Enrol in PRIME

All health professionals accessing PharmaNet must be enrolled in PRIME. By enrolling, you request Ministry of Health approval to use PharmaNet. Learn more at gov.bc.ca/pharmanet/PRIME

PharmaCare Formulary Search

Find out which drugs PharmaCare covers, under which plans and programs at pharmacareformularysearch.gov.bc.ca

Special Authority drug list

Find the list of drugs and their criteria that PharmaCare covers under Special Authority at gov.bc.ca/pharmacareSAdruglist

Plan W OTC drug list

Plan W covers 100% of the costs of many over-the-counter (OTC) drugs when prescribed by a practitioner or recommended by a pharmacist. View the list at gov.bc.ca/pharmacare/planwotc

Product Identification Numbers

Visit gov.bc.ca/pharmacarepins for all the **PINs** you need for PharmaNet claims.

PharmaCare 101

A crash course in PharmaCare at gov.bc.ca/pharmacare101

Resources for clients

Pamphlets in 15 languages and posters at gov.bc.ca/pharmacarepatientinfo
Pamphlets cover Fair PharmaCare, Special Authority, contraceptives, and more.

PharmaCare Help Desk for professionals

- 604-682-7180 (Lower Mainland)
- 1-800-554-0225 (rest of B.C.)
