

BC PHARMACARE RESOURCES FOR PHARMACY STAFF

PharmaCare Newsletter

Subscribe to the monthly newsletter, and search previous editions, at gov.bc.ca/pharmacarenewsletter. The best source for news about drug listings, policy and procedure changes, drug shortages and more!

PharmaCare Policy Manual

The policy manual is the best place to get in-depth policy information. Available all on one webpage (great for using the search-on-page command!) and in sections (great for quickly referencing one subject!). Access at gov.bc.ca/pharmacarepolicy

PharmaCare website

The PharmaCare webpages offer easy-to-read policy summaries, procedures for entering claims in PharmaNet, criteria for drug coverage, and more. Visit gov.bc.ca/pharmacareforprofessionals

Don't miss the PharmaCare 101 videos at gov.bc.ca/pharmacare101

Enrol in PRIME before accessing PharmaNet

Any pharmacy staff accessing PharmaNet must be enrolled in PRIME. By enrolling in PRIME, you request Ministry of Health approval to use PharmaNet.

Visit gov.bc.ca/pharmanet/PRIME to learn more and enrol.

Product identification numbers (PINs) page

Visit gov.bc.ca/pharmacarepins for all the PINs you need to enter claims in PharmaNet.

And don't forget the easy-to-understand information sheets for your clients at gov.bc.ca/pharmacarepatientinfo
