

# Fair PharmaCare Assistance Levels – Enhanced

This table shows the amount of PharmaCare assistance for families (with at least one registrant born before 1940) based on their net income.

Once you've met the family deductible, PharmaCare covers **75%** of eligible costs until you meet the family maximum. After you meet the family maximum, PharmaCare covers **100%** of eligible costs.

If everyone in your family was born after 1940, please see the [Fair PharmaCare Regular Assistance](#).
