ENROLLMENT REQUIREMENT

Under the [Pharmaceutical Services Act](#) and the [Provider Regulation](#), a pharmacy or device supplier must enroll in PharmaCare and be accepted as a provider in order to submit claims to PharmaCare on behalf of B.C. residents.

Pursuant to Section 23(5)(b) of the Provider Regulation, if the Ministry of Health denies enrollment to a site:

- The ministry will notify the site in writing of the denial of enrollment.
- The site has 21 days to respond in writing.
 - If the site responds within the 21 days, the ministry considers the response and confirms or reverses the denial of enrollment.
 - If the site does not respond within 21 days, the site will not be enrolled.
- The ministry notifies the site of the final decision in writing.
- If the site is not enrolled as a PharmaCare provider, the site:
 - cannot submit claims to PharmaCare on behalf of B.C. residents.
 - If a B.C. resident purchases PharmaCare benefits from the site, PharmaCare will not cover the items.
