Annual Generic Drug Price Increase	1
Process Reminder for Pharmacy Changes.....	1

ANNUAL GENERIC DRUG PRICE INCREASE

Suppliers may submit price increases for generic drugs once per year. For 2018, these price changes will come into effect on May 1 (not on April 1, as in other years). Pricing information will be available in the [Low Cost Alternative and Reference Drug Program data files](#) on May 1, 2018.

PROCESS REMINDER FOR PHARMACY CHANGES

Pharmacies are responsible for informing PharmaCare when information about the pharmacy changes or if certain actions or events occur.

In accordance with the [Provider Regulation](#), a pharmacy must notify PharmaCare about changes within the time requirements detailed below. If this information is not received, PharmaCare payments to the pharmacy may be delayed or suspended.

All changes can be reported using the [Provider Change Form](#) (HLTH5433).

Notification Requirements

CHANGE	NOTIFICATION REQUIREMENT
Change in provider contact information	7 days prior to change.
Change of business or corporate name	7 days prior to change.
Change of owner	7 days prior to change.
Change of manager	7 days prior to change.
Change of location	7 days prior to change.
Change to power of attorney, board of directors, or corporate stakeholders (if applicable)	7 days prior to change.

The use of PharmaNet is not intended as a substitute for professional judgment. Information on PharmaNet is not exhaustive and cannot be relied upon as complete. The absence of a warning about a drug or drug combination is not an indication that the drug or drug combination is safe, appropriate or effective in any given patient. Health care professionals should confirm information obtained from PharmaNet, and ensure no additional relevant information exists, before making patient care decisions.
