

Year 2025/26 in review

Pharmacy Council

Ministry of Health

Established in May 2025, the **Ministry of Health Pharmacy Council** brings together pharmacy professionals from across British Columbia to share perspectives on pharmacy practice, patient care, and emerging issues affecting the profession.

- 4 Council meetings
- 34 Council members
- 7 Consultation topics

*The Pharmacy Council provides critical perspectives that help us understand the realities of pharmacy practice and **explore** opportunities to improve care for people in B.C.*
