PharmaNet Data Quality Services Team

1-844-660-3200 Monday - Friday, 8:00 am - 4:00 pm (leave a voicemail message outside of hours).

To report a lost or stolen duplicate/controlled prescription pad, a prescriber must contact the team and provide:

- Prescriber's name, location, and contact information
- Prescriber's licence number
- Folio numbers involved
- Additional information as required

Contact the team if you find an error in a PharmaNet profile (e.g., duplicate prescription, dispenses on the wrong PHN), or for support with a prescription reversal.

These numbers are for providers only. They should not be given out to the public.
