APPLICATION FOR REGISTRY OF AUTISM SERVICE PROVIDERS SPEECH-LANGUAGE PATHOLOGIST, OCCUPATIONAL THERAPIST AND PHYSICAL THERAPIST REQUIRED QUALIFICATIONS

To apply to be on the Registry, a person must meet the following criteria according to their profession:

Speech Language Pathologists, Supervised Speech Language Pathologists:

- Must have and maintain through service provision, a current full registration with the College of Speech and Hearing Health Professionals of British Columbia.
- A minimum of 1 year's work with at least three children with a diagnosis on the Autism Spectrum under the age of six is required. A reference form from a supervisor or fellow professional documenting this experience is required.
- Professional development in the form of courses or workshops in the area of autism intervention over the last two years is required.
- Those who do not meet the experience criteria may work with a supervisor as a Supervised Speech Language Pathologist until they can provide a 'Supervision Verification Record' (CF0910). A Letter from the Supervisor, who must qualify for the RASP, must accompany this application.

Occupational Therapists, Supervised Occupational Therapists:

- The professional must have and maintain through service provision, a current full registration with the College of Occupational Therapists of British Columbia.
- A minimum of 1 year's work with at least three children with a diagnosis on the Autism Spectrum under the age of six is required. A reference form from a supervisor or fellow professional documenting this experience may be required.
- Professional development in the form of courses or workshops in the area of autism intervention over the last two years is required.
- Those who do not meet the experience criteria may work with a supervisor as a Supervised Occupational Therapist until they can provide a 'Supervision Verification Record' (CF0910). A Letter from the Supervisor, who must qualify for the RASP, must accompany this application.

Physical Therapists:

- The professional must have a current full registration with the College of Physical Therapists of British Columbia.
- A minimum of 1 year's work with at least three children with a diagnosis on the Autism Spectrum under the age of six is required. A reference form from a supervisor or fellow professional documenting this experience may be required.
- Professional development in the form of courses or workshops in the area of autism intervention over the last two years is required.
- Special consideration and interim approval may be given to practitioners working in underserved areas who do not fully meet these criteria.

A Criminal Record Check is required for *all professionals* on the RASP. Please email RASP@gov.bc.ca, with the statement "CRIMINAL RECORD CHECK INFORMATION INQUIRY" in the subject line to receive information detailing the required process for obtaining a Criminal Record check for your specific profession, prior to submitting your application.
