### BC Provincial Renal Agency (BCPRA)

PHSA, Suite 700-1380 Burrard Street, Vancouver, BC V6Z 2H3

Phone: 604-875-7340; Fax: 604-875-7366; website: [www.bcrenalagency.ca](http://www.bcrenalagency.ca)

BCPRA plans and coordinates the care of patients with kidney disease in BC through collaborative partnerships of renal health care professionals, health authorities, the Ministry of Health, Kidney Foundation of Canada, and the academic community. The BCPRA website offers a range of information and resources for healthcare professionals, including care standards and guidelines.

### Kidney Foundation of Canada (BC Branch)

Phone: 604 736-9775 (Vancouver area); 1 800 567-8112 (elsewhere in BC); Fax: 604 736-9703

website: [www.kidney.bc.ca](http://www.kidney.bc.ca); e-mail: [info@kidney.bc.ca](mailto:info@kidney.bc.ca)

The Kidney Foundation provides educational materials related to various aspects of kidney disease and treatment and offers a number of patient services. The Foundation has facilitated educational sessions on chronic kidney disease for family physicians. For more information please contact the BC Branch.

### Kidney Disease Improving Global Outcomes (KDIGO)

Website: [www.kdigo.org](http://www.kdigo.org).

KDIGO is an international foundation that aims to improve the care and outcomes of kidney disease patients worldwide through the development and implementation of global clinical practice guidelines.
