

June 13, 2018
Meeting of the Advisory Committee on Diagnostic Facilities (ACDF)

Approvals Granted

Note: Facilities have 18 months to complete an approval (i.e. open, expand or re-locate). As such, a facility listed below may not yet be operating.

For a list of open/operating facilities approved by the Advisory Committee on Diagnostic Facilities and/or the Medical Services Commission to provide diagnostic outpatient services covered under British Columbia's Medical Services Plan, please see [Approved Diagnostic Facilities in B.C.](#)

- 1. Vancouver Island Health Authority – North Island Hospital, Campbell River and District, Campbell River** – granted approval to expand their Heart Health Program Diagnostic Ultrasound Certificate of Approval at 300 block 2nd Avenue, Campbell River.
- 2. Interior Health Authority – Royal Inland Hospital, Kamloops** – granted approval to expand their Diagnostic Radiology Certificate of Approval capacity at 300 block Columbia Street, Kamloops.
- 3. West Coast Medical Imaging Inc. – Victoria** - granted approval to expand their Radiology Certificate of Approval, located at 210 - 1640 Hillside Avenue, Victoria, by amalgamating it with their Radiology facility, located at 1500 block McKenzie Avenue, Victoria, and subsequently closing the McKenzie Avenue facility.
- 4. Vernon Radiological Associates Corporation – Vernon Radiological Associates, Vernon** - granted approval to transfer interest (shares) from each of the three existing partners to a fourth, new partner.
