

Notwithstanding anything in the Longitudinal Family Physician (LFP) Payment Schedule, the following amendments to the LFP Payment Schedule have been approved on a temporary basis to support the provision of the Provincial Attachment System payments.

New Temporary Fee Items:

The following billing codes are added to the MSC Longitudinal Family Physician Payment Schedule on a temporary basis, with an effective date of February 1, 2024.

T98111 LFP Clinical Administration: Panel Submission and Registry Payment....\$6500

Notes:

- a) Payable only to physicians who have billed 98000 Registration Code.
- b) Payable for completion of the following clinical administration activities by a physician or delegated staff member:
 - Developing and submitting their list(s) of empaneled patients to the Ministry of Health via Teleplan or an approved third party;
 - Accessing the Provincial Attachment System's (PAS) Panel Registry to indicate their availability for accepting new patients and provide/update other clinic information; and
 - Working with clinic medical directors to update information in the Clinic and Provider Registry.
- c) Payable only to physicians who commit to:
 - Attaching suitable patients in their communities through the PAS and other means, if they have capacity to do so;
 - Actively updating their availability for accepting new patients; and
 - Maintaining an accurate and current list of empanelled patients.
- d) Payable only if the activities in note (b) are completed by January 31, 2024, or within three months of the physician's enrolment in the LFP Payment Model, whichever is later.
- e) Payable only once per physician.
- f) Not payable in addition to FPSC Clinical Administration: Panel Submission and Panel Registry Payment TH14011.
- g) LFP Clinical Administration Time Code 98012 is not payable to the same physician for the panel submission and Panel Registry activities in note (b) after August 9, 2023.
