

MSP PAYMENT SCHEDULE: NATUROPATHY SERVICES

Preamble to the Payment Schedule

1. This includes as insured services the services of naturopaths who are registered members in good standing with the College of Naturopathic Physicians of British Columbia, and licensed under the *Health Professions Act*, when rendered in the Province of British Columbia to insured persons as prescribed in #2 below.
2. Naturopathy services will be an insured benefit only for beneficiaries with Medical Services Plan (MSP) premium assistance status.
3. Payment for naturopathy services insured under MSP can be claimed as follows:
00145 Naturopathy Service.....\$23.00

Notes:

- i) This item is applicable only to patients who have MSP Premium Assistance status.
- ii) Subject to i) above, acupuncture, chiropractic, massage therapy, naturopathic, non-surgical podiatry, and physical therapy services are benefits up to a combined maximum of 10 visits per patient per calendar year.
- iii) Only payable if an adequate clinical record has been created and maintained.

4. Extra Billing:

The service provider must be registered with the MSP in order to be paid for these insured services. Those practitioners who are on “opted-out” status with MSP may charge patients more than the rate indicated.

5. Delegation or Assignment of Tasks:

If the service is assigned or delegated in accordance with the applicable College Bylaws, it will only be considered an insured service if the claim is submitted by a naturopath enrolled with MSP, and only if that practitioner was physically present to monitor and supervise the person to whom the task was delegated or assigned.

Services of Health Care Practitioners

Definition

16 *In this Part, "adequate clinical record" means a record of a health care practitioner, prepared in accordance with the applicable payment schedule, that contains sufficient information to allow another practitioner of the same profession, who is unfamiliar with both the beneficiary and the attending practitioner, to determine from that record, together with the beneficiary's clinical records from previous encounters, information about the service provided to the beneficiary including:*

- (a) the date, time and location of the service;*
- (b) the identity of the beneficiary and the attending practitioner;*
- (c) if the service resulted from a referral, the identity of the referring practitioner and the instructions and requests of the referring practitioner;*
- (d) the presenting complaints, symptoms and signs, including their history;*
- (e) the pertinent previous history including family history;*
- (f) the positive and negative results of a systematic inquiry relevant to the beneficiary's problems;*
- (g) the identification of the extent of the physical examination and all relevant findings from that examination;*
- (h) the results of any investigations carried out during the encounter;*
- (i) the differential diagnosis, if appropriate;*
- (j) the provisional diagnosis;*
- (k) the summation of the beneficiary's problems and the plan for their management.*
