Definitions

- 1 In this regulation:

"Act" means the *Health Professions Act*;

"college" means the College of Pharmacists of British Columbia continued under section 15.1 of the Act;

"compound" means

- (a) in respect of a drug, to mix with one or more other ingredients, and

(b) in respect of a therapeutic diet, to mix 2 or more appropriate ingredients;

"device" has the same meaning as in the *Pharmacy Operations and Drug Scheduling Act*;

"dispense" has the same meaning as in the *Pharmacy Operations and Drug Scheduling Act*;

"drug" has the same meaning as in the *Pharmacy Operations and Drug Scheduling Act*;

"Drug Schedules Regulation" means the Drug Schedules Regulation, B.C. Reg. 9/98;

"practice of pharmacy" means the health profession in which a person provides the services of

(a) identifying and assessing drug-related and device-related problems and taking action to prevent or resolve those problems,

(a.1) promoting health and preventing diseases, disorders and conditions through drug therapy,

(b) monitoring drug therapy and advising on therapeutic values, contents and hazards of drugs and devices, and

(c) compounding and dispensing drugs and devices;

"prescribe" means to issue a "prescription" as defined in the *Pharmacy Operations and Drug Scheduling Act*;

"sell" has the same meaning as in the *Pharmacy Operations and Drug Scheduling Act*;

"substance" means a drug that is not specified in Schedule I, IA, II or IV of the Drug Schedules Regulation.

Reserved titles

2 The following titles are reserved for exclusive use by registrants:

(a) apothecary;

- (b) druggist;
- (c) pharmacist;
- (d) pharmaceutical chemist;
- (e) pharmacy technician.

[am. B.C. Reg. 211/2010.]

Scope of practice

- 3 A registrant may practise the health profession of the practice of pharmacy.

Restricted activities

- 4 (1) A registrant in the course of practising the health profession of the practice of pharmacy may do any of the following:
- (a) prescribe a drug specified in Schedule IV of the Drug Schedules Regulation to be used for emergency contraception;
 - (b) compound a drug specified in Schedule I, IA, II or IV of the Drug Schedules Regulation;
 - (c) dispense a drug specified in Schedule I, IA, II or IV of the Drug Schedules Regulation;
 - (c.1) in respect of a drug specified in Schedule I, IA or II of the Drug Schedules Regulation or a substance,
 - (i) administer the drug or substance by intradermal, intramuscular or subcutaneous ~~injection, or injection~~ or intranasally, or
 - (ii) administer the drug or substance by any method for the purpose of treating anaphylaxis arising from administering a drug or substance by intradermal, intramuscular or subcutaneous injection, as described in subparagraph (i);
 - (d) if nutrition is administered enterally or parenterally,

- (i) select appropriate ingredients for a therapeutic diet,
 - (ii) compound a therapeutic diet, or
 - (iii) dispense a therapeutic diet.
- (2) Only a registrant may provide a service of the health profession of the practice of pharmacy as set out in this regulation if, on the day before this section comes into force, the provision of the same service by anyone other than a person authorized under the Pharmacists, Pharmacy Operations and Drug Scheduling Act was prohibited.

Limits or conditions on services and restricted activities

4 . 1 A registrant may perform an activity described in section 4 (1) (c.1) only if

(a) standards, limits and conditions have been established, under section 19 (1) (k) or (l) of the Act, respecting the administering of the drug or substance by registrants,

(b) the standards, limits and conditions described in paragraph (a) are established on the recommendation of a committee that

(i) is established under section 19 (1) (t) of the Act, and

(ii) has the duty and power to develop, review and recommend those standards, limits and conditions, and

(c) the registrant has successfully completed a certification program established, required or approved under the bylaws to ensure registrants are qualified and competent to perform the activity.

Patient relations program

5 The college is designated for the purposes of section 16 (2) (f) of the Act.
