Definitions

1 In this regulation:

"Act" means the *Health Professions Act*;

"certified practice registrant" means a certified practice registrant as defined in the Nurses Registered and Nurse Practitioner Regulation, B.C. Reg. 284/2008;

"compound" means

- (a) in section 6 (o), to mix 2 or more ingredients, and
- (b) in any other case, to mix a drug with one or more other ingredients;

"dispense" has the same meaning as in the *Pharmacy Operations and Drug Scheduling Act*,

- (a) including receipt of payment on behalf of a registrant's employer for a drug dispensed or administered by the registrant, if the registrant's employer lawfully requires payment for that drug from a person in respect of the individual for or to whom it is dispensed or administered, and
- (b) excluding a sale as defined in that Act;

"Drug Schedules Regulation" means the Drug Schedules Regulation, B.C. Reg. 9/98;

"enteral instillation" means instillation directly into the gastrointestinal tract;

"health professional" means

- (a) a person who is authorized under the Act to practise the designated health profession of dentistry, medicine, midwifery, naturopathic medicine, podiatric medicine or the practice of pharmacy,
- (b) a certified practice registrant or nurse practitioner, or

- (c) a person who, in Alberta, Yukon or the Northwest Territories, is the equivalent of a person described in paragraph (a) or (b), but only if
 - (i) the person has issued an order in respect of a patient who has been assessed by the person,
 - (ii) the patient has transferred from one of the other jurisdictions to British Columbia,
 - (iii) the patient, on transfer, requires immediate health services or treatment, and
 - (iv) the patient has not been assessed by the equivalent person described in paragraph (a) or (b);

"nursing diagnosis" means a clinical judgment made by a registrant of an individual's mental or physical condition to determine whether the condition can be ameliorated or resolved by appropriate interventions of the registrant to achieve outcomes for which the registrant is accountable;

"order" means an instruction or authorization issued by a health professional for a registrant to provide a service that includes the performance of an activity described in section 7 (1) to or for a named individual whom the health professional has assessed, whether or not the instruction or authorization

- (a) makes provision for the time or times at which the service is to be initiated by a registrant, or
- (b) incorporates by reference, in whole or in part and with any changes the health professional considers necessary or appropriate, a guideline, protocol or other recorded description of a course of action or decision-making process to be used by a registrant in providing the service to or for a specified class of individuals;

"parenteral instillation" means instillation directly into the blood stream;

"psychiatric nursing" means the health profession in which a person provides the following services:

- (a) health care for the promotion, maintenance and restoration of health, with a focus on psychosocial, mental or emotional health;
- (b) prevention, treatment and palliation of illness and injury, with a focus on psychosocial, mental or emotional disorders and conditions and associated or comorbid physiological conditions, primarily by
 - (i) assessing health status,
 - (ii) planning, implementing and evaluating interventions, and
 - (iii) coordinating health services;

"substance" includes air and water but excludes a drug specified in Schedule I, IA, II or IV of the Drug Schedules Regulation;

"wearable hearing instrument" has the same meaning as in the Speech and Hearing Health Professionals Regulation, B.C. Reg. 413/2008.
