

Family Law Table of Concordance

The Family Law Act replaces the Family Relations Act.

This table lists which Family Relations Act provisions were carried forward, in all or in part, into the Family Law Act. Each Family Law Act section is listed alongside the closest corresponding Family Relations Act section (or Law and Equity Act section in some cases). An N/A in the document indicates that no equivalent provision existed; that Family Law Act provision is new. The Family Relations Act sections that were not carried forward into the new act are not listed in this concordance. While we sought to ensure accuracy, this document is being posted for convenience only and should not be relied upon as legally authoritative.
