## IMPORTANT INFORMATION FOR WITNESSES

You have been subpoenaed to be a witness because you have important knowledge about the case.

You may believe that you do not know anything about the case, however you may know something significant to the case which may not seem important to you.

The subpoena requires that you testify in Court even though you may have already given an oral or written statement.

Please ensure that you bring your copy of the subpoena and anything else specified in the subpoena with you to Court.

The contact information for the party calling you as a witness is provided on the reverse side of this form. You may contact them if you have any problems or questions concerning your Court attendance.

Court dates may change so you should ensure that the party calling you has your current address and telephone number.

Although you must attend Court at the time specified in the subpoena, you may have to wait outside of the courtroom until it is your turn to testify. You may ask a friend or relative to wait with you or you may bring a book or magazine to help pass the time.

When you are called into court to testify you will be asked to step into the witness box and you have the option of **swearing an oath** in keeping with your own religion or **making a solemn affirmation** that the evidence you will give is the truth. A solemn affirmation is a solemn promise that has the same effect as a religious oath. If you do not tell the Court Clerk which one you want, your evidence will be taken by solemn affirmation.

After you have given your evidence and are excused by the Court, you are free to leave. You may stay in the courtroom if you wish, unless you are expected to testify again later in the proceedings.

If you are employed, your employer must not discharge, suspend, intimidate, coerce, impose any financial or other penalty on, or otherwise discriminate against you because you were absent from work to appear in Court as a witness in a proceeding respecting an offence.
