# TO APPLY FOR AN ORDER OR TO CHANGE OR CANCEL AN ORDER

Rule 1 (2) or (3)

### Step 1

COMPLETE the APPLICATION RESPECTING ORDERS form, type or print clearly, they must be readable. Forms and guides can be found at the Government of BC website <a href="https://www.gov.bc.ca/court-forms">www.gov.bc.ca/court-forms</a>. Attach a copy of the order you want changed or cancelled. If you do not have a copy, you can get one from the Provincial Court Registry.

### Step 2

FILE the APPLICATION RESPECTING ORDERS by taking or mailing 6 copies to the Provincial Court Registry. There is no fee for filing an Application. If the form is accepted for filing, registry staff will set a date for you to attend before a judge. They keep a copy and give you the copies you need for your records and for serving on the other parties.

### Step 3

SERVE everyone who is entitled to notice of your application. The *Snuw'uy'ulhtst tu Quw'utsun Mustimuhw u' tu Shhw'a'luqwa'a' i' Smun'eem* [Laws of the Cowichan People for Families and Children] lists those who must be served with each application. For example, if you apply for access under s. 8.33 or to change access, that section refers you to the notice provisions on the people who must be given a copy of your application form. The Rules of Court tell how to serve the form. (See a copy of Rule 6 at the Court Registry.)

AND THEN you must appear in court at the date and time, and by the method of attendance set out in your Application. If anyone who you were required to serve does not show up in court, you will have to prove that you did serve them with your Application. To do this, you will need a Certificate of Service (Form 9). Then the judge will hear evidence from all parties and decide whether to grant your Application.

### THE SMUN'EEM

The names of the Smun'eem in the case should appear here in the same way they appear on the other documents in the same case. If you have a copy of a document that has already been filed, copy the names from that. If not, ask at the Court Registry. These names and the Registry File Number ensure that all documents that belong in the file stay together.

Even if earlier documents related to several Smun'eem and your Application relates only to one of them, copy all the names and birthdates as they were on the earlier documents.

## THE PARENT(S)/CARE PROVIDER(S)

The parent(s)/care provider(s) name(s) will appear on the court list posted in the courthouse on the date when the application is heard.

### **FILED BY**

Your name, address and email go here.

### NOTICE TO:

List the names, addresses and email addresses of everyone who must be served with a copy of the Application. Look at the section of the *Snuw'uy'ulhtst tu Quw'utsun Mustimuhw u' tu Shhw'a'luqwa'a' i' Smun'eem* [Laws of the Cowichan People for Families and Children] that authorizes the application to see who they are. Be sure to use the correct address. There are rules related to service. https://www.bclaws.gov.bc.ca/civix/document/id/complete/statreg/533 95

### **COURT DATE**

The court will assign a date, time and method of attendance.

### **APPLYING FOR**

If the order you are applying for is one of those listed on the form, check the space before the section of the Law, or the Rule, that authorizes the court to make the order. If you are asking to change an order, explain briefly what change you want. If you are asking to change an order because circumstances have changed, describe the changes. If you are asking to change or cancel an order because you were not in court when it was made, explain the reason for your absence. If change or cancellation of the order would be in the best interest of the Snun'eem, explain briefly why it is in the best interest of the Smun'eem.
