Wireless Network Connecting

Guest (DOGWOOD) Unsecured Sign in:

1. Turn on your wireless adapter.

2. Open your network connection application.

3. Select the network DOGWOOD.

4. Click to read the **Terms of Use** and click accept. If you do not accept the terms, close the browser. This will prevent network connection.

5. You will now have an unsecured network connection

Wireless-LAN (BCNGN) Secured Sign in:

1. Turn on your wireless adapter.

2. Open your network connection application.

3. Select the network BCNGN.

4. Enter your IDIR account name and password.

5. You will now have a secured and encrypted network connection
