Memorandum of Agreement dated as of April 1, 2012

BETWEEN:

THE GOVERNMENT OF CANADA (herein called “Canada”),

AND

THE GOVERNMENT OF THE PROVINCE OF BRITISH COLUMBIA.

Whereas:

A. Canadians place a high priority on living in a safe and secure society. They look to their governments, at all levels, to provide the leadership required to develop programs and policies that reduce the risk of crime. To meet these expectations, provincial, territorial, and federal governments work together to provide a society that is reflective of Canadian values – a society in which the incidents of crime are reduced and when they do occur are investigated effectively and efficiently. One of the components of a safe Canadian society is policing services that are professional and responsive to community needs;

B. The Royal Canadian Mounted Police (RCMP), Canada's national police force, maintains a strong and vital federal presence in all provinces and territories. Additionally, the RCMP, through the police service agreements, provides police services to eight Provinces, three Territories and to a large number of Municipalities. The police service agreements provide a professional, cost effective policing model that: is responsive to the Province, Territory or Municipality within which it operates; fosters seamless cooperation between all levels of policing; facilitates the sharing of intelligence; and promotes innovation. The police service agreements afford Canada the benefit of maintaining a federal policing presence across the country; a presence that is deployable and has the capacity to respond to national events that are beyond the policing capacity of Provinces, Territories, Municipalities or Canada to address alone;

C. The RCMP, built on a foundation of well-trained police officers and non-police personnel, using proven policing techniques, is well placed to aid in the administration of justice in the Provinces and Territories and in carrying into effect the laws in force therein;
Authorities

D. The Parties recognize that:

(i) the Province has the constitutional jurisdiction over the administration of justice which includes the responsibility for policing;

(ii) the RCMP is a federal entity and matters relating to the control, management, and administration of the RCMP are within exclusive federal jurisdiction; and

(iii) the Commissioner of the Royal Canadian Mounted Police, under the direction of the Federal Minister, has the control and management of the RCMP and all matters connected therewith;

E. Section 14 of the Province’s Police Act provides that the Provincial Minister of the Province may, with the approval of the Lieutenant Governor in Council, enter into, execute and carry out an agreement with Canada authorizing the Royal Canadian Mounted Police to carry out the powers and duties of the provincial police service;

F. Section 20 of the Royal Canadian Mounted Police Act provides that the Federal Minister may, with the approval of the Governor in Council, enter into an arrangement with the government of any province for the use or employment of the RCMP or any portion thereof, in aiding the administration of justice in the province and in carrying into effect the laws in force therein;

G. The RCMP acting under this Agreement as the Municipal Police Service aids the Province in the administration of justice by implementing the provincial policing objectives, priorities and goals as determined by the Provincial Minister;

H. Canada and the Province recognize that through this Agreement a relationship with respect to provincial policing is established in the province, built on consultation between Canada and the Province, characterized by respecting each other’s constitutional responsibilities and by responding to each other’s needs, all in a manner that recognizes the evolving nature of law enforcement;

Mutual Benefits

I. Contract policing is recognized as an increasingly effective national policing model to address the cross-jurisdictional (i.e., municipal, provincial, territorial, national and international) and evolving nature of crime. Canada and the Province receive benefits from the RCMP acting as the provincial police service by:

(i) facilitating the flow of intelligence between all levels of policing;
(ii) having a direct connection, through the RCMP, between municipal, provincial, territorial, national and international policing that is important to modern policing and security of provincial infrastructure and communities;

(iii) promoting Canadian sovereignty through the RCMP presence across Canada including in isolated communities and at Canada’s borders;

(iv) having RCMP members available for redeployment;

(v) sharing the costs and use of common police and administrative services; and

(vi) having a professional, efficient and effective police service that reflects reasonable expenses for operating and maintaining a police service;

Implementation

J. Canada and the Province are committed to working together towards the common goal of providing a professional, efficient and effective police service committed to aiding in the administration of justice in the Province and carrying into effect the laws in force therein; and in furtherance of these goals, this Agreement will be implemented in a manner that:

(i) ensures meaningful engagement among the Province, the RCMP and Canada regarding substantive decisions affecting the quality and cost of the Municipal Police Service within the province;

(ii) respects the need to be responsive to changing policing requirements and can accommodate potential changes including those in relation to policing policies, strategies, methodologies, models, and police review and complaint mechanisms that may arise during the term of the Agreement;

(iii) ensures the RCMP provides information, explanations and responds to the Province in respect of the Municipal Police Service provided in the province and the costs of the Municipal Police Service; and

(iv) promotes the principles of public trust, transparency and accountability;

Authorizing Orders

K. By Order in Council P.C. 2011-1344 dated November 17, 2011, the Governor in Council authorized the Minister of Public Safety and Emergency Preparedness to enter into this Agreement on behalf of the Government of Canada;
