

## WE CAN HELP – English Version

*This document has been designed with the help of translators and service providers to provide potentially trafficked persons with information about their situation and the help that is available to them. **Please fill in the blank spaces with the appropriate contact information in your community.***

**CALL \_\_\_\_\_ For Help**

**\* Your call is confidential \***

Are you or your family being threatened or hurt by someone else? Are you afraid?  
Are you forced to hand over money to someone else for the work you do?

Have you been hit, slapped, raped, punched, beaten, exploited or forced to do things  
for money that you don't want to do?

Are you concerned about the work you do and your working conditions?

Are you trapped? Are you afraid to leave? Can you change employers if you want to?

Are you a prostitute or sex worker that wants to get some help and stop doing this  
work/or wants to leave?

Are you being forced to work for no money? Or does someone make you pay most  
of your money to them? Or are you being paid very little money? Do you owe large  
sums of money?

Did someone take your passport or other personal identification papers from you?  
Is someone else holding your passport or personal identification papers?

Do you speak English? Do you feel trapped and unable to talk to anyone in your  
language?

***If you would like some help or support please call \_\_\_\_\_.***

***We can help you find a safe place to stay, legal information about your rights  
and immigration status, medical and dental services and, emotional support.***

***If you want to speak to someone in your own language please tell us the  
language you speak and we will contact an interpreter for you immediately.***
