

How to Locate and Navigate Contract(s)

One of the key purposes of the COAST service provider portal is to allow contractors to locate and access the current, upcoming and past fiscal year contracts. In the portal, on the service provider dashboard, the contracts are displayed in one of three groupings: **Current Fiscal Year Contracts**, **Upcoming Fiscal Year Contracts**, and **Past Fiscal Year Contracts**.

Current Fiscal Year

This section of the service provider dashboard displays current fiscal year contracts which may be accessed at any time (e.g. fiscal year April 1, 2020-- March 31, 2021)
