

# Intergenerational Toolkit

# Intergenerational Toolkit Overview

A presentation by Sharon MacKenzie  
Toolkit Author + Educator  
Kidston Elementary School  
Coldstream, BC

# About the Process

Ministry of Health  
awarded a grant to  
the BC Care Providers Association  
to lead development  
of an intergenerational toolkit  
for youth and elders.

# Purpose

This toolkit will provide practical information and resources to various users aiding them in the planning and implementation of effective intergenerational programs across the province.

# Table of Contents

1. Introduction
2. Preparing
3. Partnering
4. Business
5. Lessons
6. Appendix

# Three Types of Immersion

## 1. Giant Steps

- Full immersion – extensive planning + organization

## 2. Mama Steps

- Partial immersion – moderate commitment to planning + implementation

## 3. Baby Steps

- Minimal immersion – easy facilitation
