

## Crime Prevention and Remediation Program Grants 2018-19

Stream	Applicant	Project Description	Grant Amount Approved	Community
Child and Youth Advocacy Centres	Big Bear Child & Youth Advocacy Centre (Society)	This project will support the ongoing development of the Big Bear Child and Youth Advocacy Centre (CYAC). The primary focus will be developing service delivery of a partial CYAC model, exploring property for a building location, meetings with various stakeholders/partners, and data collection.	\$70,000	Kamloops
Child and Youth Advocacy Centres	Kelowna Foundation for Hope and Social Innovation	The Child Advocacy Centre of Kelowna will bring together a team of experts and professionals to offer support and stability to children and non-offending family members under one roof. Funding will be used to enhance capacity by supporting two staff positions – Project Manager and Child & Family Advocate.	\$70,000	Kelowna
Child and Youth Advocacy Centres	Maple Ridge Pitt Meadows Community Services	This project will advance the collaborative practice of the child-centered service model and maintain the core CYAC functions and site. Funding will also assist in training for new members, support for forensic documentation, a legal review of protocol and agreement terms, and positioning a trauma counsellor on site.	\$70,000	Maple Ridge
Child and Youth Advocacy Centres	Kootenay Boundary Community Services Co-operative	This project will support the development and improvement of the SKY Coordinated Response when providing multi-disciplinary team response to young victims of physical and sexual abuse. The project will focus on building capacity and enhancing the SKY model in all partner agencies across the region by providing support for 7 local coordinators and 1 regional coordinator.	\$70,000	Nelson

Child and Youth Advocacy Centres	Carrier Sekani Family Services	This project will design an implementation strategy for a First Nations CYAC that reduces system trauma and revictimization of children and youth after disclosure, with a dual emphasis on accreditation and cultural safety and humility. The funding will support developing a framework for an operational CYAC in Prince George to meet the needs within the area of service delivery and the northern region of BC.	\$70,000	Prince George
Child and Youth Advocacy Centres	The Centre for Child Development of the Lower Mainland	This project will provide a program coordinator position that will work on intake, development, data management, and service delivery within Sophie's place. The project will also support development and design of a child-friendly booklet for child witnesses and families in preparation for court.	\$70,000	Surrey
Child and Youth Advocacy Centres	Treehouse Advocacy Centre Society Vancouver	This project will support the ongoing rental and facilities expenses for the applicant as well as the administrative staff wages of the Intake and Operations Coordinator.	\$70,000	Vancouver
Child and Youth Advocacy Centres	Vernon Women's Transition House Society	This project will help bridge the gap in funding for staffing, training, program expenses and clinical supervision which will allow the Oak Centre to continue service delivery and increase their capacity in 2019-2020.	\$70,000	Vernon
Child and Youth Advocacy Centres	Child Abuse Prevention and Counselling Society of Greater Victoria	This project will ensure the continued development of Victoria's CYAC's capacity to support child and youth victims of abuse, maltreatment and to provide evidence based interventions facilitating the healing of child victims from abuse. The Centre's multi-disciplinary teams will continue provincial and local training of police and other service providers.	\$70,000	Victoria

Crime Reduction & Crime Prevention	Tl'etinqox Government	<b>Tl'etinqox Justice Program:</b> This project will target 35 high-risk, crime involved adults including those involved in gangs and gun violence, those on the Cariboo-Chilcotin and Alexis Creek prolific offender lists, and youth who are vulnerable to and at-risk of criminal involvement. It will provide culturally appropriate intervention and case management, including developing customized healing plans, Healing Circles for youth, and connecting clients with services, while provided transportation to overcome geographic barriers.	\$73,000	Alexis Creek
Crime Reduction & Crime Prevention	Delta Police Dept, Delta School District, Yo Bro Yo Girl Youth Initiative	<b>Yo Bro Yo Girl Mentorship and Engagement Outreach Program:</b> This project will provide one on one outreach through strength-based mentorship to 40 at risk youth attending school in Surrey or Delta BC. Services will provide youth with resilience building tools with a goal to avoid violence, criminal activities, gang involvement and drug use.	\$68,700	Delta
Crime Reduction & Crime Prevention	Big Brothers Big Sisters of the Cowichan Valley	<b>School-Based Mentoring:</b> This project will target youth with a high risk for involvement with crime to offer proactive, preventative mentoring interventions proven to mitigate the chances of future criminality. The program's referral criteria identifies risk factors for future involvement with crime, including those recognized by evidence-based research and community-specific risk factors.	\$63,500	Duncan
Crime Reduction & Crime Prevention	Cowichan Valley Youth Services	<b>Connections-Youth Outreach:</b> This project will support 60 at-risk youth with barriers to accessing traditional supports through referrals from doctors, hospital, police, probation staff. They will conduct formal outreach services and support, including transportation to mental health appointments, medical appointments, court support, counselling, and school meetings.	\$64,556	Duncan

Crime Reduction & Crime Prevention	John Howard Society of Central & South Okanagan	<b>Integrated Court Liaison:</b> This project will focus on individuals involved with the criminal justice system to provide them with supports that they may have difficulty obtaining on their own, including: addictions treatment, mental health issues, housing, educational opportunities, and employment services as well as overall case management. Follow-up with clients will assist them in establishing a smooth community reintegration.	\$73,436	Kelowna
Crime Reduction & Crime Prevention	BrainTrust Canada Association	<b>Brain Injury and Crime Reduction:</b> This project will focus on the following areas: Researching traumatic brain injuries (TBIs) and its relationship to crime; identifying those in the criminal justice system with TBI; providing one-to-one rehabilitative supports to those incarcerated that are affected by a TBI; and collaboration with key partners to educate service providers on the matter and those with TBI.	\$75,000	Kelowna
Crime Reduction & Crime Prevention	Okanagan Boys & Girls Clubs	<b>Housing First to Reduce Crime among Multi-Barrier Homeless Youth:</b> This project will target multi-barriered youth (ages 16 - 24) who experience prolonged or chronic homelessness and conflict with the law. A Housing First approach includes intensive and collaborative case management that assists young people to set and achieve goals relevant to Housing Stability; Health and Wellbeing; Education and Employment; Complementary Supports; and Social Inclusion.	\$75,000	Kelowna
Crime Reduction & Crime Prevention	Maple Ridge Pitt Meadows Community Services	<b>Coordinated Response to Restorative Justice:</b> This project is a multi-faceted crime prevention and reduction initiative with two distinct components: one, is to identify youth at risk of criminality by using a tool developed in partnership with local police and the school district; the other is to provide wrap-around supports for crime-involved youth in both a one-to-one and a group setting in an effort to contain, and reduce the frequency and severity of criminal activity.	\$74,220	Maple Ridge

<p>Crime Reduction &amp; Crime Prevention</p>	<p>Nanaimo Region John Howard Society</p>	<p><b>Alternative Learning Youth Crime Prevention Program:</b> This project will run two cohorts of 12-week programming for students deemed at-risk of criminal involvement by school administration. Through a combination of group-led discussions, role-play, media, and coursework, the project will deliver customized curriculum designed to equip students with the knowledge and skills necessary for resiliency, self-regulation and pro-social decision making, thus, reducing their propensity for criminal involvement.</p>	<p>\$28,056</p>	<p>Nanaimo</p>
<p>Crime Reduction &amp; Crime Prevention</p>	<p>The Native Court worker &amp; Counselling Association of BC</p>	<p><b>Out of Court Community Support Services Initiative:</b> This project will focus on Indigenous persons who have been accused of a crime and are residing in Williams Lake, who have received a bail or probation order, and who have been identified as potentially being at high risk for re-offending. The two primary activities undertaken with this initiative are: 1) wrap-around services to 20 Indigenous community members bound to comply with a probation order that has general and specific conditions, and 2) engagement with Justice professionals and community stakeholders to enhance coordination between sectors for the client.</p>	<p>\$74,845</p>	<p>North Vancouver</p>
<p>Crime Reduction &amp; Crime Prevention</p>	<p>YMCA of Northern BC</p>	<p><b>Building Capacity - Preventing and Responding to Criminal Justice System Involvement for High Risk Youth:</b> This project will enhance and expand services for young people 12-24 years old with mental health and substance issues who are involved or are at high risk of being involved with the criminal justice system. The program will build capacity through staff training, conduct focus groups with at-risk youth and their parents to determine need, and conduct program delivery through therapeutic programs, workshops, educational sessions and one-on-one supports.</p>	<p>\$71,135</p>	<p>Prince George</p>

Crime Reduction & Crime Prevention	Northern Society for Domestic Peace	<b>Women's Safety Outreach Response Initiative:</b> This project will work to build supportive relationships with vulnerable women living in the communities of Smithers and Hazelton in order to increase women's safety and decrease criminality. The project will work in partnership with RCMP and others to support issues that otherwise divert limited police resources. This initiative will be staffed by a trauma therapist to support mental health, addictions treatment, and crisis response situations. An Indigenous Focus Orientation will be employed.	\$75,000	Smithers
Crime Reduction & Crime Prevention	DIVERSEcity Community Resources Society	<b>Women's Crime Reduction Program:</b> This project will target the intersection of crime reduction and mental health for women from multicultural, Indigenous, and non-Indigenous backgrounds who have been in conflict with the law for charges regarding theft under/over \$5000. Using a differential approach, this program will assist four cohorts of high risk women referred by Probation Officers to address the underlying psychological issues influencing their stealing behavior, improving their mental health and reducing recidivism.	\$74,976	Surrey
Crime Reduction & Crime Prevention	Royal Academy of Bhangra Society	<b>South Asian Parenting Workshops:</b> This project will provide culturally appropriate curriculum for South Asian immigrant and first generation South Asian-Canadian parents with at-risk youth that will provide them with the skills and information needed to aid their children in avoiding the gang lifestyle.	\$45,800	Surrey
Crime Reduction & Crime Prevention	Kwantlen Polytechnic University	<b>Strength-Based Gang Prevention Programming for Youth &amp; Families:</b> This project is a collaboration between Kwantlen Polytechnic University, the City of Surrey, CFSEU-BC, the South Asian Community Coalition Against Youth Violence (SACCAYV), and MOSAIC-BC. It will conduct training workshops for program managers working with youth and families within their agencies to develop locally and culturally relevant gang-prevention structured syllabi. The programming will then be implemented at four Sikh temples and one at-risk youth agency with classes for youth and families.	\$74,761	Surrey

Crime Reduction & Crime Prevention	The Salvation Army	<b>Renew Mental Health &amp; Addictions Program for Exploited &amp; Criminally Involved Survivors of Human Trafficking and Exploitation:</b> This project will support up to 50 survivors of human trafficking and sexual exploitation with a focus on the role of substance use and mental wellness concerns and its relationship with facilitating exploitation, and will accept referrals province wide. It will address the key components of vulnerability and gaps in development for exploited youth, provide intervention in patterns of criminal involvement, and prevent the cycles of re-victimization.	\$75,000	Vancouver
Crime Reduction & Crime Prevention	PLEA Community Services Society of BC	<b>Wayfinder:</b> This project will provide intensive case management supports to young adults aged 18-24 who are being transitioned out of government funding sources and have engaged in criminal activity, have ties to gang-entrenched peers, or who have unique vulnerabilities which put them at further risk to commit criminal activities/recruited by gangs.	\$75,000	Vancouver
Crime Reduction & Crime Prevention	The Association of Neighbourhood Houses of BC	<b>Frames Film Program:</b> This project will work with indigenous at risk youth already involved in criminal activity. Participants will create crime reduction themed short films while participating in cultural activities and building life/employment skills.	\$40,000	Vancouver
Crime Reduction & Crime Prevention	Network of Inner City Community Services Society	<b>Hip Hop Drop:</b> This project will provide weekly Hip Hop Drop in classes that include mentoring, education, case management. This project will target Indigenous youth at high risk to gang recruitment in Vancouver's Inner city.	\$69,520	Vancouver

Crime Reduction & Crime Prevention	Vancouver School Board-Windermere School	<b>Windermere Get R.E.A.L. Programs:</b> This project will provide support to at-risk male and female youth at Windermere Secondary, by offering four, distinct, weekly after school crime prevention/resiliency programs. These programs will focus on workshop topics related to mental health, self-defence, crime prevention, healthy relationships, employment readiness, substance abuse prevention, sex education, recreation, leadership development, and community service projects.	\$59,764	Vancouver
Crime Reduction & Crime Prevention	The John Howard Society of the Lower Mainland	<b>Reintegration Worker:</b> This project will support the implementation of a reintegration worker that will assist with incarcerated males to help them plan for their release into the lower mainland and as well in connecting with critical resources for successful reintegration. The program will also provide advice as to rights and responsibilities, access to community supports, employment and housing, and works to reduce barriers to reintegration prior to release.	\$75,000	Vancouver
Crime Reduction & Crime Prevention	Vancouver Island Men's Trauma Counselling Society	<b>Youth Crime Reduction Program:</b> This project will address the underlying causes of criminal behaviour by providing trauma education and counselling to youth aged 16-30). It is anticipated that there will be a decrease in criminal behaviour and an increase in community safety as male identified youth have improved mental health and positive engagement in the community and their families.	\$74,846	Victoria
Crime Reduction & Crime Prevention	University of Victoria-IMPACT	<b>Integrating Municipal Police on Assertive Community Treatment Teams:</b> This project will evaluate the effectiveness of integrating police officers on Assertive Community Treatment (ACT) teams in Victoria, BC. The ACT program is a multidisciplinary team approach to delivering mental health services. Clients of the program are high risk individuals, including those with mental illness who are already highly involved with the criminal justice system and those who are at-risk of becoming involved in criminal activity and substance use.	\$74,228	Victoria

Human Trafficking, Sexual Exploitation	Abbotsford Community Services	<b>SEY Abbotsford:</b> This project will enhance SEY outreach service hours to youth ages 12-18 years old who are sexually exploited or at high risk of sexual exploitation. This funding would provide extra resources to the community who have received an increase of referrals by 13% this past year.	\$24,937	Abbotsford
Human Trafficking, Sexual Exploitation	Asian Women for Equality Society	<b>Raising Awareness on Criminal Records: Supporting and Empowering Vulnerable Women in the Sex Trade:</b> This project will provide workshops and legal clinics for vulnerable women in the sex trade and service providers to increase their awareness and understanding of criminal records while assisting with pardon applications to reduce barriers to women's access to employment, education and participation in community activities. A toolkit will also be developed.	\$25,000	Burnaby
Human Trafficking, Sexual Exploitation	New Opportunities for Women(NOW) Canada Society	<b>Essentials Program:</b> This project will provide sex workers the opportunity to exit the sex trade by offering three components: safe and supported housing; a four-month life-skills program; and individualized client support. Participants in the program can also access therapy programs which include trauma, equine and yoga therapy. This model is a continuum of care where participants may access a number of other services they provide.	\$25,000	Kelowna
Human Trafficking, Sexual Exploitation	Nanaimo Women's Resources Society	<b>CORE (Community Outreach Resources Education):</b> This project will hire an outreach worker to connect with women and youth who are vulnerable and involved in the sex trade. The project's focus is on developing relationships, identifying ongoing and long-term needs, and with getting individuals connected to second stage services that may support better wellness and exit strategies.	\$22,712	Nanaimo

Human Trafficking, Sexual Exploitation	Collingwood Neighbourhood House (Living in Community)	<b>A Safer Province for Everyone: Responding to Violence in the Context of Sex Work:</b> This project will expand Living in Community's networks across the province to create coherent regional and provincial approaches to sex work to reduce the violence sex workers experience and create communities that are healthy and safe for everyone. It will build relationships with organizations that play key roles in supporting sex work health and safety across BC, including police, municipalities, non-profits and health authorities.	\$25,000	Province-wide
Human Trafficking, Sexual Exploitation	The Salvation Army	<b>New Hope Outreach Services for Trafficked, Exploited, and/or Sex Trade Involved Women &amp; Girls:</b> This project will provide psycho-social, culturally sensitive outreach services for up to 150 high risk female youth and women (including transgender/non-binary and gender fluid folks) throughout BC who are engaged in the sex trade, at risk of entering, or who have experienced exploitation/human trafficking/violence.	\$25,000	Vancouver
Human Trafficking, Sexual Exploitation	Providing Advocacy, Counselling & Education (PACE) Society	<b>Weekly Peer Support Group for Individuals Engaged in the Sex Trade:</b> This project will deliver weekly peer support groups and one-to-one counseling to sex workers who have experienced or are experiencing violence in relationships. This project will be situated within PACE's larger program of support services, which includes case management and peer counselling services for sex workers. The project will aim to facilitate the reporting of violence and will make referrals to local resources.	\$25,000	Vancouver
Human Trafficking, Sexual Exploitation	W.A.V.A.W/R.C.C: Women Against Violence Against Women/ Rape Crisis Centre	<b>Indigenous Women's Program:</b> This project will enhance WAVAW's Indigenous Women's Program, serving Indigenous women at various locations across Vancouver. Program counsellors will provide community outreach and coordinate services for Indigenous survivors in the sex trade. The goal is to remove barriers and stigma accessing the justice and medical systems so that Indigenous survivors are better able to report crime, violence and victimization experienced in the sex trade.	\$25,000	Vancouver

Human Trafficking, Sexual Exploitation	Journeys Around the Circle Society	<b>Girls Who Leap: Lead to Empower and Act With Purpose:</b> This pilot project will use the tri-mentoring model to provide leadership development and empowerment program to at-risk and vulnerable Indigenous girls and young women in the downtown east-side and East Vancouver. This project will provide weekly and ongoing sessions that target life skills, safety skills, cultural awareness and leadership development.	\$24,990	Vancouver
Human Trafficking, Sexual Exploitation	WISH Drop-In Centre Society	<b>WISH Transitions Program:</b> This project will increase the hours of the WISH Service Coordinator for the “Transitions” program, to better support sex workers seeking to reduce their reliance on sex work, transition out of, or retire from sex work. This project will address extensive waitlist pressures the program is facing. This project will connect participants to programs and supportive employment opportunities; decrease systemic barriers; and actively reduce the stigma of sex work in Metro Vancouver.	\$20,000	Vancouver
Human Trafficking, Sexual Exploitation	Family Services of Greater Vancouver	<b>Counter Exploitation Unit Victim Support Worker:</b> This project will provide a victim Support Worker who works collaboratively with detectives in the Vancouver Police Department's Counter Exploitation Unit to provide intensive support to victims of sexual exploitation and human trafficking as they seek legal resolution in the justice system. The worker will help reduce any barriers to victims, and to better support them through investigations and legal processes that can typically take 12 to 36 months.	\$25,000	Vancouver
Human Trafficking, Sexual Exploitation	Inter-Cultural Association of Greater Victoria	<b>Understanding and Combatting Sexual Exploitation of Vulnerable Newcomer and Homeless Youth:</b> This project will form a working group to guide, design, deliver and evaluate a full-day forum and 3 half day educational workshops for service providers currently working with new comer and homeless youth at risk of sexual exploitation and human trafficking. Through this work project participants will develop an action plan.	\$24,830	Victoria

Human Trafficking, Sexual Exploitation	Peers Victoria Resources Society	<b>Small Business Training Program and Drop-In Community Health and Wellness Centre:</b> This project will provide a flexible option to enhance economic security for women transitioning from the sex industry. The program will provide a comprehensive curriculum designed to enable participants to launch their own small business.	\$24,848	Victoria
Human Trafficking, Sexual Exploitation	Canadian Mental Health Association – Cariboo Chilcotin Branch	<b>It Matters:</b> This project will deliver curriculum to schools in three Alternative programs as well as to foster parents of children and youth at risk of human trafficking and sexual exploitation. Project will partner with Esketemc Health Centre and Indigenous communities to assist in the development and adoption of protocols which will be adapted into a tool kit.	\$25,000	Williams Lake
Indigenous Healing and Rebuilding	Tl'etinqox Government	<b>Tl'etinqox Learning from the Land Program:</b> This project will engage youth, young adults, Elders and Knowledge Keepers in land-based learning that re-connects participants to Tsilhqot'in language, culture and traditions. The program is aimed at healing the community from intergenerational trauma.	\$29,000	Alexis Creek
Indigenous Healing and Rebuilding	Nuxalk Nation	<b>Nation to Nation (N2N) Gathering 2019:</b> This project will be a gathering with 11 different Nations to connect and learn together in Bella Coola about Indigenous health both traditional and western. There will be a focus on understanding that healing and wellness is connected to land, family, community and cultural tradition.	\$30,000	Bella Coola
Indigenous Healing and Rebuilding	Coquitlam School District 43: Suwa'lkh School	<b>Deepening Roots @ the Earth Spirit Healing Forest and Medicine Garden:</b> This project will empower indigenous youth and their community to grow and steward food and medicine plants in the Tricity region. This project focuses on youth who are at high-risk of involvement in criminal activity due to learning disabilities.	\$21,200	Coquitlam

Indigenous Healing and Rebuilding	Stswecem'c Xgat'tem First Nation	<b>Full Circle Wellness Program:</b> This project will provide an environment and foundation for establishing long-term connections while providing opportunity for sharing and healing in participating communities. The program will offer a range of activities for men, women and youth as well as community gatherings, with an emphasis on tradition and culture.	\$30,000	Dog Creek
Indigenous Healing and Rebuilding	Hiiye'yu Lelum (House of Friendship) Society	<b>Cultural Night at Hiiye'yu Lelum:</b> This project will provide an opportunity for families to gather twice a month to participate in activities that promote Indigenous culture. Trauma has impacted Indigenous communities to a devastating degree, this programming will work to create a feeling of belonging and healing through culture.	\$30,000	Duncan
Indigenous Healing and Rebuilding	Dalai Lama Center for Peace and Education	<b>Heart-Mind in the North:</b> This project will support adults in northern Indigenous communities that are suffering from inter-generational trauma. This project will be rooted in a belief that for Indigenous families, communities and individuals to heal from the ongoing effects of intergenerational trauma and the socio-economic pressures, efforts must ensure adults have access to culturally relevant and evidence-informed opportunities to explore personal strengths.	\$30,000	Fort St. John
Indigenous Healing and Rebuilding	Tides Canada Initiatives Society - Sea to Cedar	<b>Sea to Cedar (S2C) Youth Leadership Paddling Program:</b> This project will be a 14-day Youth Leadership Paddling Program based out of Gwayasdums Village, the community centre for the Kwikwasut'inuxw Haxwa'mis First Nation. The program will address youth trauma and develop the holistic healing potential and cultural components of the youth participants.	\$19,000	Gilford Island
Indigenous Healing and Rebuilding	Skidegate Band Council	<b>XaadaGa 'Iaa gud ad hiGang.gulxa (Good People Working Together) Outreach Worker:</b> This project will fund a qualified Outreach Worker that has an educational background in counselling and/or experience with addictions, and that is familiar with the Skidegate Indian reserve. The outreach worker will support individuals heal holistically from trauma and victimization.	\$30,000	Haida Gwaii

Indigenous Healing and Rebuilding	Upper Skeena Development Centre Society	<b>Senden Summer Holistic and Healing Youth Program:</b> This project will increase the mental health and well-being of 8 youth and their family members from May 2019-September 2019 (22 weeks) at the Senden community centre in the Hazeltons. This project is rooted in land-based traditional practices in the Upper Skeena region and will use a historic farmhouse, demonstration gardens, greenhouse and bee keeping to facilitate the healing process in at-risk youth.	\$30,000	Hazelton
Indigenous Healing and Rebuilding	Gitxsan Health Society	<b>Wilp Dim Gaymaxghl Laaxws Ahl Majagaleehl Gitxsan:</b> This project will support families and provide customized support services by using traditional Gitxsan culture to help address healing from different trauma the families may have faced.	\$30,000	Hazelton
Indigenous Healing and Rebuilding	North Kootenay Lake Community Services Society	<b>Healing Through Cultural Connections:</b> This project will offer monthly events throughout the year to provide an opportunity for indigenous people to come together to share cultural activities and traditional teachings. The activities in the project will address and works towards healing the effects of generational trauma.	\$30,000	Kaslo
Indigenous Healing and Rebuilding	Lower Fraser Valley Aboriginal Society	<b>Medicines for Men – Cultural Teachings and Healing:</b> This project will address the various forms of trauma that Indigenous men in the community have faced as a result of residential school, intergenerational trauma, historic trauma, systematic racism, and colonization.	\$28,727	Langley
Indigenous Healing and Rebuilding	Ucwalmicw Centre Society	<b>Ucwalmicw Centre Cultural Engagement:</b> This project will bring T'it'q'et community members together through culturally significant activities that focus on traditional practices that were interrupted through the residential school system.	\$29,900	Lillooet

Indigenous Healing and Rebuilding	Witsuwit'en language and Culture Society	<b>Witsuwit'en k'iyelhdicni neetatgehk (Witsuwit'en speakers they will heal):</b> This project will serve a maximum of 15-20 fluent Witsuwit'en speakers. The participants will meet once a week to participate in a half-day session to facilitate healing from different types of trauma and victimization. The sessions will use Indigenous Focusing-Oriented Therapy.	\$20,200	Morciatown
Indigenous Healing and Rebuilding	Nelson & District Women's Centre/West Kootenay Women's Association	<b>Heal the Earth, Heal Ourselves:</b> This project is an eight-week long healing and wellness program for 20 self-identified Indigenous women that will use traditional First Nations healing practices such as sweat lodge, ceremonial herbal baths, etc. There will be a focus on the women's personal healing as well as the acquisition of traditional tools for rebuilding their families and community.	\$30,000	Nelson
Indigenous Healing and Rebuilding	Aunt Leah's Independent Lifeskills Society	<b>Aunt Leah's Roots Connection Program:</b> This project is a weekly community Aboriginal outreach program at Aunt Leah's Place, which actively engages homeless and street entrenched youth from foster care with culturally appropriate activities, weekly sharing circles & intergenerational activities focused on healing from violence, trauma, and/or neglect experienced in the child welfare and/or youth justice system.	\$30,000	New Westminster
Indigenous Healing and Rebuilding	School District 85 - Aboriginal Programs and Services	<b>Synala "to be whole" - For Kwakwaka'wakw by Kwakwaka'wakw:</b> This project will use teachings based on the traditional practices of the potlatch to deliver holistic programs aimed at the healing and rebuilding of Indigenous families, individuals, and/ or communities dealing with trauma, crime or victimization.	\$30,000	Port Hardy
Indigenous Healing and Rebuilding	Frontier College	<b>Literacy Catalyst:</b> This project will support the healing and rebuilding of families, individuals, and the community of the Pacheedaht First Nation, as well as, potentially, in T'Sou-ke First Nation. The project will support healing and rebuilding of individuals that have been negatively impacted by the ongoing legacy of residential schools and of colonial practices through reading, learning, and education.	\$30,000	Port Renfrew

Indigenous Healing and Rebuilding	Powell River Board of Education, (SD#47)	<b>Hoshtum qayim (We Are Going Camping): Cultural Camp and Development Project:</b> This project will conduct a cultural camp which will provide a safe environment for youth to explore cultural identity grounded in learning on the land while working on healing holistically.	\$30,000	Powell River
Indigenous Healing and Rebuilding	Nusdeh Yoh Aboriginal Choice School	<b>Nusdeh Yoh Aboriginal Choice School Eagle Nest Summer Day Camp:</b> This project is partnership between Nusdeh Yoh School, School District 57, Prince George Native Friendship Centre and Right to Play Canada. The project will conduct a camp which is designed to promote healing and rebuilding from complex trauma by offering a connection to culturally identified practices that contribute to holistic healing for Indigenous children, youth and families.	\$15,500	Prince George
Indigenous Healing and Rebuilding	Right To Play International	<b>Promoting Life Skills in Aboriginal Youth (PLAY)Leadership Symposium:</b> This project is a symposium that will work with partners from Indigenous communities and urban organizations to train locally-hired youth workers (Community Mentors) to deliver weekly play-based programs that promote healthy living, healthy relationships, life-skills development, education and with a focus on holistic health and well-being.	\$30,000	Province-wide
Indigenous Healing and Rebuilding	Dze L K'ant Friendship Centre Society	<b>The Holistic Health Pilot Project:</b> This project will engage some of the most vulnerable community members in quality holistic health and wellness activities. The project is designed to be inclusive of all people who are experiencing complex trauma and victimization. Community members will meet in the culturally appropriate, relaxed and safe environment of the centrally located Dze L K'ant Friendship Centre in downtown Smithers.	\$30,000	Smithers

Indigenous Healing and Rebuilding	Northern Society for Domestic Peace	<b>MMIWG Family Gatherings Project:</b> This project will deliver a therapeutic retreat for family members and survivors impacted by the national enquiry into Missing and Murdered Indigenous Women. The intensive retreat will offer support for grief, and complex trauma, facilitated by Indigenous Focus Oriented trained trauma (IFOT) therapists, in collaboration with multiple Nations and service agencies throughout the Bulkley Valley.	\$29,967	Smithers
Indigenous Healing and Rebuilding	Atira Women's Resource Society	<b>Waaban Outreach Support to First Nations, Métis &amp; Inuit Women:</b> This project will provide a support worker who will work specifically with Indigenous women who are experiencing, or have experienced, violence, homelessness and/or who are involved in street-level sex work.	\$30,000	Surrey
Indigenous Healing and Rebuilding	Métis Provincial Council of BC	<b>Métis Cultural Kinnections Forum: Sustaining the Cultural Connectedness of Métis Youth Living within British Columbia's Child Welfare System:</b> This project will bring together Métis Youth from five out of the seven regions in the province to assist youth in achieving holistic healing. These Métis Youth are in the continued custody care of the Province with little to no connections to their Métis culture or their Métis Chartered Community.	\$30,000	Surrey
Indigenous Healing and Rebuilding	WISH Drop-In Centre Society	<b>Aboriginal Health &amp; Safety Program:</b> This project will use a continuum of culturally-safe services and individualized support for marginalized, Indigenous women in the sex trade. This project will work to connect women to their culture and to each other, and to increase their capacity to resist violence and exploitation.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	British Columbia Bereavement Helpline	<b>Sisters in Strength Healing Retreat:</b> This project is a retreat for bereaved Indigenous women impacted by violence – specifically the violent death or missing status of their female family member as classified under the Missing and Murdered Indigenous Women and Girls Inquiry. Survivors will have the opportunity to come together with their sisters in grief in a safe space for support and healing in a culturally appropriate and traditional way.	\$29,300	Vancouver

Indigenous Healing and Rebuilding	Mothers Matter Centre	<b>Telling our stories, healing our relations:</b> This project will support the Expansion of the Aboriginal HIPPY Program in East Vancouver by creating and implementing a true community-driven and culturally relevant qualitative and transformative learning approach to assessing the impact of the Expansion project on the 80 Aboriginal mothers and their families and communities. The assessment project will respectfully work with Indigenous ways of knowing and addressing the trauma and social inequalities derived from the impact of colonialism and the Residential school system.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	W.A.V.A.W.	<b>Indigenous Counseling and Outreach Project:</b> This project provides outreach, trauma-informed one-to-one counselling and support groups to Indigenous women, trans, Two-Spirit, and gender diverse people who have experienced sexualized violence as well as to families of MMIWG. The programming will assist Indigenous survivors on their healing journey and in accessing connection, safety, and support services.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Warriors Against Violence Society	<b>Warriors Against Violence Society Family Healing Project:</b> This project builds on the successful Warriors Against Violence Family Healing Program. With this project Indigenous elders and facilitators will work as strong role models providing safe, ongoing education and support circles that incorporate traditional teachings and cultural practices.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Downtown Eastside Women's Centre Association	<b>Culture as Medicine: Holistic Healing &amp; Rebuilding for Indigenous Women in Vancouver's Downtown Eastside:</b> This program will provide support to Indigenous women around multiple issues including street-based and domestic violence, residential school recovery, substance use, and cultural isolation. The program will focus on traditional Indigenous healing, arts, and celebrations for women accessing services at the applicant's drop-in centre and shelter.	\$30,000	Vancouver

Indigenous Healing and Rebuilding	Vancouver Coastal Health – Aboriginal Health	<b>náčamat: Downtown Eastside Indigenous Women’s Healing &amp; wellness Fair:</b> This project is a peer-led, community driven initiative to plan and deliver a one-day Indigenous women’s healing and wellness fair, including women Elders and Indigenous healers from Coast Salish, Stl’atl’imx, and neighbouring Nations. Some of the issues addressed will be Intergenerational trauma among Indigenous women living in the downtown east-side and the lack of access to traditional healing for Indigenous women in the area.	\$27,000	Vancouver
Indigenous Healing and Rebuilding	Bridges for Women Society	<b>Indigenous Healing &amp; Outreach Program:</b> This project is a trauma-informed, culturally safe program that aims to inspire First Nations and Métis women impacted by violence, abuse and trauma, as well as families and communities of the W’SANEC & Coast Salish territories to heal and rebuild their life through counselling, training and relationship building.	\$30,000	Victoria
Indigenous Healing and Rebuilding	Aboriginal Coalition to End Homelessness Society	<b>Indigenous Women’s Circle: Pathways to Wellness Project Phase 2:</b> This project will provide cultural supports to Indigenous women experiencing homelessness in Victoria. The project will support women in their healing process as associated with health challenges, past painful experiences, a sense of dislocation from family and ancestry, marginalization, and impacts of colonization which are often linked to experiences with Ministry Care and/or Residential Schools and various manner of violence.	\$29,370	Victoria
Indigenous Healing and Rebuilding	Camosun College	<b>Crafting Sisterhood:</b> This project will invite 10 Indigenous single mothers to participate in learning traditional and contemporary Indigenous art skills and receive guidance and mentorship from established Indigenous women professionals. The program aims to increase wellness and healing of Indigenous women as well as assist them to gain financial independence to make them less vulnerable to domestic violence.	\$19,823	Victoria
Indigenous Healing and Rebuilding	Peers Victoria Resources Society	<b>Indigenous SACRED - Indigenous Sex Workers Acknowledging, Creating and Redefining Experiential Diversity):</b> This project will continue the activities of the SACRED which is to continue to have monthly group meetings that focus on sharing a meal and cultural knowledge in support of a holistic healing model.	\$27,775	Victoria

Restorative Justice	Chilliwack Restorative Justice and Youth Advocacy Association	<b>Specialized Training:</b> This project will provide training for volunteers in the three following areas: Victim Offender Conferencing; training in Mental Health First Aid (dealing with panic attacks or suicidal ideation, etc.); and training in how trauma changes the brain and how to deal with those who have suffered from trauma.	\$12,585	Chilliwack
Restorative Justice	Community Justice Centre of the Comox Valley Society	<b>Building a Culture of Restorative Justice (RJ):</b> This project will heighten public awareness and confidence in RJ to support and encourage referrals. This project will strengthen the organization's relationships with existing referral sources and encourage new ones.	\$20,000	Courtenay
Restorative Justice	Cranbrook and District Restorative Justice Society	<b>Facilitator Training, Community Communication and Consultation:</b> This project will provide community justice training to help increase the capacity of the organization and the number of referrals received. The project will survey past trainees to inform the training and will develop a new website to improve communications with members and the community.	\$9,200	Cranbrook
Restorative Justice	Warmland Restorative Justice Society	<b>Enhancing Capacity: Warmland Restorative Justice Society:</b> This project will offer Facilitator, Mentor Training and Victim-Offender Conference training for new and existing volunteers working on complex cases integrating the Victim Sensitive Restorative Justice Standards of Practice. This project will also work to increase capacity through the development of local and regional partnerships and through the development of initiatives that build local awareness among referral sources and the community.	\$17,000	Duncan

Restorative Justice	Just Outcomes Canada	<b>Developing a Shared Evaluation Framework for RJ in BC:</b> This project will conduct research to develop a discussion paper to articulate best practices for restorative justice process evaluation frameworks. The project will include an outreach phase to identify and orient participating programs and a series of facilitated video-conference meetings with BC restorative justice providers and program administrators.	\$19,875	Fort Langley
Restorative Justice	North Peace Justice Society	<b>Restorative Justice Facilitator Training Program:</b> This project will design a training program comprised of 4 phases – research, online training, in class training, and evaluation. The research portion of the project will include consultations with other restorative justice programs and practitioners, a literature review and community consultation with those community stakeholders. The online training modules will be assembled onto an easily accessible platform so that facilitators and potential facilitators can access them.	\$20,000	Fort St. John
Restorative Justice	Boundary Restorative Justice Program	<b>RJ Expansion:</b> This project will expand current programming through the acquisition and training of additional volunteers for service in the Grand Forks area and Boundary District. This activity will include the services of a part time coordinator and ongoing training for new and existing volunteers in order to provide sufficient services to the program's target area.	\$5,000	Grand Forks
Restorative Justice	City of Kamloops	<b>Enhancement of Victim Alternatives:</b> This project will implement a two day development workshop for service providers and a one day Info session with guest speakers for other community groups that may have clientele that would benefit from the RJ process. It will also develop a 10 min video to be used for community education/awareness and myth busting.	\$14,500	Kamloops

Restorative Justice	John Howard Society of the Central and South Okanagan	<b>Enhancing Program Capacity Through Training:</b> This project will address program accountability by tackling the complex and multifaceted needs and barriers victims face. It will use comprehensive training for agency staff and volunteers that work closely with victims and offenders during restorative processes. The project will provide ARJ program staff, volunteers and community partners with 7 training sessions covering the Mandt System, Mental Health First Aid and Community Justice Volunteer Facilitator Training.	\$15,200	Kelowna
Restorative Justice	Ladysmith Resources Centre Association	<b>Building Capacity and Partnerships for Restorative Justice Practices in Ladysmith:</b> This project will enhance the restorative justice program in the Ladysmith area and will develop strong linkages to the local RCMP and Police Based Victim Services. This will be done in a series of workshops and training opportunities for RCMP officers and victim service workers.	\$16,620	Ladysmith
Restorative Justice	Fraser Region Community Justice Initiatives (CJI)	<b>Widening the Lens: 'Culturally-Responsive Practice in Restorative Justice' Symposium:</b> This project will promote culturally responsive practice in restorative justice through building partnerships with key regional and local stakeholders, and by increasing restorative justice practitioners' and programs' understanding and capacity around issues of inclusion and diversity.	\$19,000	Langley
Restorative Justice	Lillooet Learning Communities Society	<b>Restorative Justice Outreach Project:</b> This local awareness building project will work to revamp the organization's websites, adding content directed to prospective volunteers and make them look more professional and modern. It will also create a Facebook page and will purchase outreach resources, such as a display and banner, with which to attend community events.	\$7,955	Lillooet
Restorative Justice	Maple Ridge Pitt Meadows Community Services	<b>Restorative Justice School Action:</b> This project will develop a partnership and local awareness building initiative that will provide training to administrators, teachers and students from School District 42 on implementing victim-centred RJ programming and tools.	\$19,980	Maple Ridge

Restorative Justice	Nanaimo Region John Howard Society	<b>Victim Support Project:</b> This project will create a pilot program centered on enhancing participant supports, specifically for victims. The project will include the recruitment, training and supervision of a Victim Support Worker who will provide a wide variety of supports to victims.	\$16,905	Nanaimo
Restorative Justice	Whitecrow Village FASD Society	<b>Real Communication: Addressing the effects of trauma and prenatal alcohol exposure in the Restorative Justice setting:</b> This project is a collaboration between Homalco Nation, Prince George Urban Aboriginal Justice Society and Whitecrow Village Society to produce and refine Restorative Justice procedures and practices that engender practical and effective communication through the production of a multi-media program, which can be shared with other Restorative Justice service providers to facilitate dealing with cases involving individuals with FASD.	\$19,950	Nanaimo
Restorative Justice	Nelson Police Department Restorative Justice	<b>Community Engagement Project:</b> This project will aim to increase referral rates, address victim needs for information about justice option, boost opportunities for public and school restorative justice education, increase program capacity and educate Nelson Police Department Restorative Justice facilitators. It will help the organization to better serve victims and offenders through comprehensive dialogue with key stakeholders.	\$19,813	Nelson
Restorative Justice	The North Shore Restorative Justice Society	<b>Enhancing Restorative Justice with WVPD:</b> This project will support victims of crime in West Vancouver by working with the West Vancouver Police to increase referrals by enhancing staff awareness and understanding of restorative justice and specifically, the North Shore Restorative Response program with a particular focus on increasing referrals related to more complex files including assault, mischief and others.	\$17,550	North Vancouver

Restorative Justice	Community Embracing Restorative Action (CERA) Society	<b>Enhancing Restorative Justice Practice for Restorative Justice Practitioners and Police Victim Services Workers:</b> This project will bring together RJ Practitioners and victim service workers to better facilitate working relationships and understanding of the roles both serve when supporting victims of crime. The project will create a two-day workshop providing information on Restorative Justice Practices and Police Victim Services while promoting relationship building and collaboration among those who support victims of crime.	\$20,000	Port Moody
Restorative Justice	Powell River Employment Program Society	<b>Powell River Centre for Diversity, Peace and Justice:</b> This project will create a centralized hub for Restorative Justice and Diversity and Inclusion related projects by cultivating a network of support and enhancing capacity through increased training and improved communication. The project will offer training for volunteers and community members, as well as provide an office space to improve capacity and strengthen community partnerships.	\$20,000	Powell River
Restorative Justice	Two Rivers Crime Prevention Society	<b>A Restorative Lens:</b> This project will provide trauma-informed and updated RJ training to ensure all Prince George RCMP RJ volunteers and staff have the most up-to-date RJ training. This project will ensure the provision of quality RJ programming and will empower volunteers and staff to maintain a quality RJ program for the community of Prince George.	\$19,100	Prince George
Restorative Justice	Restorative Justice Association of BC	<b>INAUGURAL YEAR- OPERATIONS &amp; START-UP:</b> This project will support start-up, operation activities for the newly founded association and will help it build its membership base and provide support and advocacy for Restorative Justice Programs services across B.C. Project activities will include policy and procedure development, board development, and strategic planning.	\$120,000	Province-wide
Restorative Justice	Indigenous Justice Program Working Group - Sto:lo Service Agency	<b>Indigenous Justice Program Association Development:</b> Funding will support the applicants work in coordinating the development and implementation of a Indigenous Justice Program association for the province of BC.	\$40,000	Province-wide

Restorative Justice	Abbotsford Restorative Justice & Advocacy Association	<b>Enhancing Capacity and Local Awareness Project:</b> This project will expand the organization's restorative practices by facilitating community dialogue circles in Abbotsford and by engaging with the Abbotsford Police Department and the City of Abbotsford to increase the organization's involvement in public speaking and engagement opportunities, as well as to increase local awareness of programs.	\$20,000	Province-wide
Restorative Justice	Restorative Justice Program of the Sunshine Coast	<b>Expanding the Circle: Building Facilitator Capacities and Piloting Participant Supports on the Sunshine Coast:</b> This project will build facilitator capacities to respond to participant and community needs through participant-driven programming in each geographic area of the Sunshine Coast. It will facilitate two trainings on Peacemaking Circles, one training on Community Justice Forums and provide on line capacity building in trauma and crisis response, mental health and addictions, family violence, and youth mental health.	\$20,000	Sechelt
Restorative Justice	School District 48 Sea to Sky (North)	<b>Peace Circles and Decreasing the Suspension Rate through Trauma Informed Practice:</b> This project will train additional staff on RJ Circles or Peace Circles to help support students, families and community when they are most vulnerable. The project will implement a 5 day training program in circle and will create a network of 'experts' to collaborate on the circle process.	\$20,000	Squamish
Restorative Justice	Westcoast Community Resources Society	<b>A Better Life Through Restorative Justice:</b> This project will provide Restorative Justice Training to the communities of Ahousaht, Tofino, Ucluelet. The training will be related to Community Justice Forum Facilitation; Peacemaking Circle Facilitation; and Media awareness. The project will also conduct public open house/events to enhance awareness.	\$20,000	Ucluelet

Restorative Justice	Restorative Justice Society- North Okanagan	<b>Advancing and Sharing a Victim-Centre Practice Project:</b> This project will enhance the capacity of the applicant to support victims and other participants through monthly mentoring and coaching sessions with paid and unpaid RJ practitioners. The mentoring and coaching will be conducted with Just Outcomes Consulting , which specializes in victim-centred restorative justice practice. Just Outcomes Consulting will document the mentoring and coaching sessions to create a Practical Lessons Guide/Legacy Document.	\$19,156	Vernon
Restorative Justice	Victoria Restorative Justice Society	<b>Restorative Justice Complex Caseworkers: Serving Clients &amp; Increasing Volunteer Caseworker Capacity:</b> This project will enhance the capacity of the Victoria RJ Society to provide supports to restorative justice participants through the use of Complex Caseworkers to provide client services on complex files alongside volunteers.	\$19,096	Victoria
Restorative Justice	The John Howard Society of Victoria	<b>Saanich Community Justice Initiatives:</b> The project will enhance and expand the Saanich Community Justice Program by recruiting and training 15 volunteers to implement RJ programming within the Vancouver Island Regional Correctional Centre and in Saanich Secondary schools.	\$19,030	Victoria
Violence Against Women	Abbotsford Community Services	<b>Self Discovery Support Group for South Asian Woman:</b> This project will provide twelve-week support groups for Punjabi speaking women who are experiencing domestic violence, in particular high risks cases of domestic violence identified by the Abbotsford Domestic Violence Unit.	\$13,860	Abbotsford

Violence Against Women	Vancouver & Lower Mainland Multicultural Family Support Services Society	<b>Reducing Risks: Making the link between domestic and sexual assault and health:</b> This project will focus on enhancing the health and safety of immigrant and refugee women by providing them with an understanding of the impact of domestic and sexual violence on the risks to their health and lives and that of their children through a series of workshops.	\$30,000	Burnaby
Violence Against Women	The Salvation Army	<b>Kate Booth House- A Fresh Start Program:</b> The Fresh Start project supports women and children survivors of domestic violence to settle into new homes following their stay in a transition house by providing essential and priority items such as beds and mattresses, linens and towels, kitchen pots and pans, dishes and other items.	\$30,000	Burnaby
Violence Against Women	Dixon Transition Society	<b>Promoting Cultural Safety and Indigenous Focused Service Delivery: Indigenous Community Liaison Project:</b> This project will allow for an Indigenous Community Liaison to build a strong, culturally safe, Indigenous component into Dixon Transition Society's programs. It will evaluate programs through an Indigenous lens, assessing gaps in programming, and developing policies and procedures to support the implementation of best practices within Dixon services. The Liaison will also build partnerships with Indigenous serving communities to work collaboratively and bring a holistic approach to supporting Indigenous women and children accessing Dixon programs.	\$30,000	Burnaby
Violence Against Women	Cameray Child & Family Services	<b>Girls Groups: Empowering Sexually Assaulted Girls:</b> This project will provide two, seven-week support groups for girls who have experienced sexual assault by creating an emotionally safe space for girls to create social connections with other girls who have gone through similar experiences. Participants will experience group counselling support and learn about the justice system and court processes.	\$10,000	Burnaby

Violence Against Women	Lake Babine Nation	<b>Empowering Lake Babine Women through Community Preparedness and Resources:</b> This project will address sexual assault and domestic violence within the Lake Babine community through culturally appropriate, support-focused approaches including workshops and community meetings focused on sharing information and resources related to domestic violence and sexual assault.	\$30,000	Burns Lake
Violence Against Women	Campbell River Family Services Society	<b>Building a Culture of Safety Through A Coordinated Response To Domestic Violence and Sexual Assault:</b> This project will increase capacity, collaboration and impact of the local Violence in Relationships inter-agency committee addressing violence against women in the Campbell River region. The project's goal is to increase awareness, collaboration, education and coordination to benefit women experiencing, or at risk of, sexual assault or domestic violence.	\$30,000	Campbell River
Violence Against Women	Ann Davis Transition Society	<b>Domestic Violence and Housing Bridge Program:</b> This project will assist women in local transition houses who are survivors of domestic violence to move to permanent housing, as well as to provide wrap around services such as counselling and legal advocacy.	\$30,000	Chilliwack
Violence Against Women	Children of the Street Society	<b>Redefining Manhood:</b> This project will deliver a workshop designed to help prevent all forms of violence against women by educating young people (aged 13-18) about healthy relationships and sexual consent, while also encouraging discussion on how pop culture, substance use, and online pornography creates hyper-masculine males and hyper-sexualized females.	\$30,000	Coquitlam

Violence Against Women	Valley Community Services Society	<b>Changing Culture: Changing Outcomes: Building capacity in young men to prevent violence against women, reduce risk and increase safety:</b> This project will engage boys and men in the prevention of violence against women by providing education focused on reducing risk, increasing safety, and building social responsibility. The program will also target a demographic of young men who may be at increased risk due to insufficient support as young fathers, and or behavioral health issues, such as substance and mental health disorders, anti-social behavior, and criminality.	\$29,942	Creston
Violence Against Women	Kootenai Community Centre Society	<b>Reaching for Hope Support Group:</b> This project will provide a support group for women who are experiencing or who are survivors of assault and family violence. As well, it will provide information and tools for resiliency and healing in a supportive environment.	\$8,132	Creston
Violence Against Women	Deltassist Family and Community Services Society	<b>Stopping the Cycle of Violence – Healthy Relationships Groups:</b> This project will offer three self-referred anger management groups to address the issue of the perpetration of violence in relationships including spousal, parental, opposite sex, or same sex. The project will provide supports as part of a wholistic wrap around service to family members.	\$30,000	Delta
Violence Against Women	Kamloops Sexual Assault Counselling Center Society	<b>Education, Prevention, and Response to Sexualized Violence:</b> This project will create sustainable design and implementation of Sexualized Violence Education and Prevention tools for Thompson Rivers University staff and students and promote safety and shift harmful "norms" around sexualized violence.	\$30,000	Kamloops

Violence Against Women	John Howard Society of the Thompson Region	<b>STOP (Stop Taking it out On your Partner):</b> This project focuses on concepts of accountability, communication and changing clients' attitudes and beliefs for men at risk of perpetrating violence in intimate relationships. The project also provides relapse prevention strategies to mitigate men's relapsing into the use of abuse and violent behaviour.	\$29,000	Kamloops
Violence Against Women	John Howard Society of the Central and South Okanagan	<b>STOP (Stop Taking it out On your Partner):</b> This project includes a 12-week program for men at risk of committing intimate partner violence as well as counselling for couples impacted by, or at risk of, violence.	\$30,000	Kelowna
Violence Against Women	Central Okanagan Elizabeth Fry Society	<b>Indigenous Victim Service and Outreach Program:</b> This project will provide dedicated outreach and victim services for Indigenous victims of domestic and sexual violence, as well as assistance with attending family court and social services appointments.	\$30,000	Kelowna
Violence Against Women	Kelowna Family Service Centre Society	<b>Ending Violence Against Women Men's Trauma Group Pilot Project:</b> This project will address the issue of violence against women and intimate partner violence by disrupting its cycle through counselling sessions and supports for men who have experienced childhood trauma.	\$21,418	Kelowna
Violence Against Women	Metis Community Services Society of BC	<b>Calming the Storm-Dads against Violence:</b> This project is a eight-week traditional program that will help men and fathers learn how to manage anger and violence and to treat women in a respectful way. Men will learn the skills, habits and mindsets needed for healthy communication methods and relationships.	\$18,030	Kelowna

Violence Against Women	Kwadacha First Nation	<b>Healing from Crime Victimization and Rebuilding:</b> This project will aid victims of crime and their families by providing assistance to seeking emergency refuge outside of the community including help with expenses to facilitate recovery and healing. The second facet of the program will be to provide direct support for victims of crime who are navigating the criminal justice system. The third facet of the program will be to facilitate education in the community regarding the rights of victims and services which are available.	\$30,000	Kwadacha FN
Violence Against Women	School District 42	<b>Youth &amp; Domestic Violence - Building Capacity for Response:</b> This project will build capacity within public schools to respond to the ongoing issues of domestic/sexual violence for young people in the communities of Maple Ridge, Pitt Meadows, and Katzie First Nation. It will also develop collaborative relationships between the agencies involved.	\$30,000	Maple Ridge
Violence Against Women	Douglas First Nation	<b>Warrior Women:</b> This project will empower Indigenous women to feel safe and will support isolated women in addressing trauma, family violence, depression and other social and emotional wellbeing issues through workshops and one-on-one support.	\$29,175	Mount Currie
Violence Against Women	Haven Society	<b>Augment and Enhance Continuum of Mid Island Men's Services:</b> This project will further develop components of the Mid Island Men's Services, a proposed range of services in the Regional District of Nanaimo for voluntary and recommended (pre conviction) men to address their use of violence and abuse in their intimate partner relationships.	\$30,000	Nanaimo

Violence Against Women	Nanaimo Men's Centre	<b>Nanaimo Men's Centre:</b> This project will provide support to the organization to enhance its capacity to serve families, (men, women and children) who have experienced low to medium levels of domestic violence in their lives and want to find ways to put an end to relationship violence.	\$30,000	Nanaimo
Violence Against Women	Family Services of the North Shore	<b>Rebuilding Relationships; Reducing Violence Against Women Through Effective Group Intervention for Male Perpetrators:</b> This project will provide a 14 week, trauma-informed prevention and intervention group in English and Farsi for men who have been perpetrators of violence in their intimate relationships.	\$30,000	North Vancouver
Violence Against Women	North Shore Women's Centre Society	<b>Strengthening Responses to Domestic Violence and Sexual Assault on the North Shore:</b> This project will address the challenges of understanding the full scope and nature of violence against women in a community and the direct impact of these challenges on women experiencing domestic violence and sexual assault through awareness raising and research.	\$11,980	North Vancouver
Violence Against Women	South Okanagan Women In Need Society	<b>Trauma Specific Therapy Services:</b> This project will provide women who have been the victims of domestic violence and sexual assaults with the opportunity to access trauma informed therapy services free of charge. It will help victims heal from instances of psychopathology, including PTSD, acute stress disorder, anxiety, and depression as a result of domestic violence or sexual assaults.	\$40,000	Penticton
Violence Against Women	Tseshah First Nation	<b>Tseshah First Nation Warrior Program:</b> This project is a year-long program that will use traditional Nuu-chah-nulth medicine wheel as a framework to address sexual and family violence. With teachings from Elders, this program will reconnect young Tseshah men with the land, traditional skills, language, and cultural practices in order to reinforce their roles as strong, capable men participating in healthy relationships, families, and community life.	\$30,000	Port Alberni

Violence Against Women	Ditidaht First Nation	<b>Bridging the Gap – Counselling for Success:</b> This project will provide counselling services to Indigenous women and girls who have encountered domestic violence and sexual abuse within the First Nation Community of Ditidaht.	\$28,000	Port Alberni
Violence Against Women	Powell River & Region Transition House Society	<b>Powell River SAFETEEN Workshops:</b> This project will offer workshops to grade 8 students on non-violent communication, de-escalating violent behaviour, managing fear and anger, bullying, gender stereotypes, personal boundaries and consent, sexual harassment and sexual assault, and self-defence.	\$6,050	Powell River
Violence Against Women	Prince George Sexual Assault Centre Society	<b>Come Inside - Peer Support Mentorship Program:</b> This project will provide culturally competent, trauma informed crisis drop in, outreach and skill building groups for the most marginalized women in the community including Indigenous women, women struggling with mental illness and/or drug addictions, women living in poverty, LGBTQ2 women, and women facing multiple barriers that make it difficult to access traditional counselling services.	\$30,000	Prince George
Violence Against Women	Carrier Sekani Family Services	<b>Sons of Our Land Men's Group:</b> This project will address domestic violence against Indigenous women by working with the perpetrators of the violence through the development of local men's groups.	\$30,000	Prince George
Violence Against Women	Northern Feminist Institute for Research and Evaluation, University of Northern BC	<b>Addressing Sexual and Domestic Violence in Northern British Columbia:</b> This project will enhance responses to domestic violence and sexual assault through a symposium at the University of Northern British Columbia and the development of a resource guide for service providers and individuals and communities experiencing domestic and sexual violence.	\$26,109	Prince George

Violence Against Women	North Coast Victim Services, Prince Rupert RCMP	<b>Rainbows over Rupert: The Violence Against Women &amp; Girls Collaboration Project</b> : This project will host a three day forum of community events providing awareness, educational and networking opportunities for first responders, non-profit, government agencies, and professionals, community members focusing on violence against women.	\$13,500	Prince Rupert
Violence Against Women	Collingwood Neighbourhood House (Living in Community)	<b>A Safer Province for Everyone: Responding to Violence in the Context of Sex Work:</b> This project will expand Living in Community's networks across the province to create coherent regional and provincial approaches to sex work to reduce the violence sex workers experience and create communities that are healthy and safe for everyone. This project will build relationships with organizations that play key roles in supporting sex work health and safety across BC, including police, municipalities, non-profits and health authorities.	\$25,000	Province-wide
Violence Against Women	BC Society of Transition Houses	<b>PEACE Program for Children and Youth Experiencing Domestic Violence Annual Training Forum:</b> This project will provide in-person training opportunities for the network of 86 PEACE Program counsellors across BC at the BCSTH's Annual Training Forum in October 2019. The project will also provide subsidies to facilitate the attendance of PEACE Program counsellors at the ATF.	\$40,000	Province-wide
Violence Against Women	Ending Violence Association of BC	<b>Province-Wide Training Event: Intimate Partner, Interpersonal, and Domestic Violence Across the Lifespan:</b> This project involves a two-day, provincewide training event for front-line anti-violence workers across the province, including Community-Based Victim Assistance programs, Stopping The Violence Counselling programs, Stopping The Violence Outreach programs, and Multicultural Outreach programs. This training will provide information and essential skill-building regarding emerging and core service-related issues.	\$40,000	Province-wide

Violence Against Women	Quesnel Women's Resource Centre Society	<b>Making Connections – Support Group for Victims of Partner Abuse and Violence:</b> This project will provide supports for women across BC who have experienced abuse and have been marginalized by mental health and addictions. The project will address the needs of marginalized women and provide a safe, inclusive, low barrier space for the empowerment and personal healing of women survivors.	\$30,000	Quesnel
Violence Against Women	Northern Society for Domestic Peace	<b>Partnerships Against Sexual Violence:</b> This project will enhance the capacity of the existing community based victim assistance program to respond to sexual violence in the Hazelton and surrounding Gitksan communities through the development of a trauma informed sexual assault response, as well as and protocols in the Gitksan territory of rural, Northwest B.C. The project will offer direct support to women who have experienced sexual violence by hosting a weekly group to support survivors, and provide a space to give voice to their experiences.	\$30,000	Smithers
Violence Against Women	Howe Sound Women's Centre Society	<b>Crosshatch: A Sea to Sky Training Forum:</b> This project will provide a two-day event to be staged in 2020 featuring a selection of 6 to 8 concurrent workshops on sexual violence against women, and vulnerable populations for service providers, First Nations and communities based in the Sea to Sky Corridor.	\$25,692	Squamish
Violence Against Women	Surrey RCMP	<b>Advanced Forensic Interview Training for Children Suffering Sexual Assault:</b> This project will provide extensive and comprehensive, internationally recognized child forensic interview training and certification for RCMP officers and MCFD Social Workers to increase their knowledge, skills and abilities to be affective in obtaining these crucial child interviews in a trauma reduced but effective way.	\$10,500	Surrey

Violence Against Women	RCMP - Integrated Homicide Investigation Team	<b>IHIT Family Liaison Victim Service Worker:</b> This project will provide a Family Victim Liaison Worker inside the IHIT to provide support for victim family members. Families of victims of homicide experience 'complicated grief and an IHIT worker would ensure appropriate support is provided and that there are no gaps in the delivery of service.	\$70,000	Surrey
Violence Against Women	British Columbia Society for Male Survivors of Sexual Abuse	<b>Surrey Victim Services Pilot Extension:</b> This project will provide a part-time Victim Service Worker for the organization's Surrey satellite office. The Victim Service Worker would be available two days a week for the period of one year. This project is a continuation of BCSMSSA's Victim Services Pilot project that began in April 2018.	\$27,000	Surrey
Violence Against Women	Surrey Women's Centre	<b>SMART program:</b> This project will support the use of the Surrey Women's Centre Smart Van (Surrey Mobile assault Response Team), a crisis mobile unit, to reach women and youth who have been assaulted and are not able to report to police or who may need assistance in reporting to the police.	\$75,000	Surrey
Violence Against Women	DIVERSEcity Community Resources Society	<b>Domestic Violence Survivors Group:</b> This project will enhance domestic violence supports provided to women who are experiencing barriers to accessing ancillary services and supports in transition houses and second stage housing in the Surrey area.	\$29,774	Surrey

Violence Against Women	Providing Advocacy, Counselling & Education (PACE) Society	<b>Responding to Violence Among Vulnerable Women:</b> This project will improve the reporting of sexual assault and domestic violence among sex workers (including Indigenous sex workers) while also serving as a critical community referral point to violence prevention and victim services programs. This project will also improve the response to sexual assault and domestic violence among vulnerable women and reduce further violence through referrals to relevant programming.	\$30,000	Vancouver
Violence Against Women	Journeys Around the Circle Society	<b>Indigenous Men - Respecting Life Givers:</b> This project will engage Indigenous men and youth in direct dialogue, ceremony, learning, sharing and healing regarding their views, values and behaviours towards Indigenous women and girls negative, often racist and demeaning portrayals of women contribute to objectification, domestic violence and sexual assault.	\$30,000	Vancouver
Violence Against Women	Island Sexual Health Society	<b>Man Made:</b> This project will facilitate workshops on critical thinking about masculinity and relationship skills to male youth ages 14-19 living in Victoria and surrounding communities to help address sexual violence.	\$25,000	Victoria
Violence Against Women	Peers Victoria Resources Society	<b>Counselling for women in the sex industry who have experienced violence:</b> This project focuses on piloting a clinical counselling service for those currently or formerly involved in the sex industry who have experienced sexual and/or intimate partner/family violence.	\$28,260	Victoria

Violence Against Women	University of Victoria	<b>Cultivating Healthy Relationships in Boys and Male Youth:</b> This project will develop social programming, train facilitators, and initiate a series psycho-educational circles that focus on relationships with community, intimate partners, and self; power and control; consent; rejection; accountability; and empathy as a means of addressing violence in relationships.	\$30,000	Victoria
Violence Against Women	Victoria Immigrant & Refugee Centre Society	<b>I am Safe:</b> This project will enhance responses to sexual assault and domestic violence by providing information, awareness, and support to newcomer men, women, and youth about domestic/family violence by teaching them their rights and responsibilities, educating them on how to address situations of sexual assault and domestic violence in their new country, and providing them with the means to access assistance and support that is language and culture sensitive.	\$30,000	Victoria
Violence Against Women	The I AM Project Foundation	<b>The I AM Project:</b> This project will help to prevent and mitigate the impacts of child maltreatment (physical, sexual, emotional abuse, and neglect) through educating youth about child maltreatment, building resilient personalities, and collaborating with schools to donate Street Care Packages to Victoria's homeless youth.	\$4,592	Victoria
Violence Against Women	Hollyburn Family Services Society	<b>Indigenous Victim Support Worker within the NS Domestic Violence Unit:</b> This project will hire an Indigenous Victim Support Worker, to work within the North Shore Integrated Domestic Violence Unit. The role will offer extensive cultural support to the Indigenous women and girls in North Shore Indigenous communities by offering a cultural and holistic approach.	\$75,000	West Vancouver
