

Crime Prevention and Remediation Program Grants 2019-20

Stream	Applicant	Project Description	Grant Amount Approved	Community
Child and Youth Advocacy Centres	Child Abuse Prevention and Counselling Society of Greater Victoria	Victoria Child and Youth Advocacy Centre Operations: This project will strengthen the continued delivery of trauma-informed, evidence-based services to child victims of abuse across lower Vancouver Island - including forensic interviews, case management and safety planning. Funding will also enable training initiatives for the centre's affiliated multi-disciplinary team, as well as covering some staffing and overhead costs.	\$105,000	Victoria
Child and Youth Advocacy Centres	Maple Ridge Pitt Meadows Community Services	Maintaining the MDT Coordinated Response Model for Our Community's Children: This project will allow the centre to maintain its current service model for child and youth victims by ensuring quality interviews through the context of a child-friendly safe trauma-informed space; stewarding the multi-disciplinary team's coordination and flow of services through the pivotal role of the Child Youth Advocate; and maintaining the awareness of the CYAC's services through our social media presence.	\$105,000	Maple Ridge
Child and Youth Advocacy Centres	The Centre for Child Development of the Lower Mainland	Sophie's Place Child & Youth Advocacy Centre: This project will contribute to strengthening ongoing services and supports provided to children 0-10 years old who have experienced sexual and/or physical abuse. The project will use a trained coordinator responsible for the management of the CYAC and as primary handler of the accredited facility dog, and also include a facilitator for the work of the multi-disciplinary team. The funding will also support an anticipated expansion of services to include 11-15 years old children in 2020, with a concomitant increase in related service hours, as well as exploring enhanced cultural safety practices for Indigenous children and their families.	\$105,000	Surrey
Child and Youth Advocacy Centres	Child Advocacy Centre of Kelowna Society	Child Advocacy Centre of Kelowna: This project will support the establishment of integrated practices to respond to child abuse, improve access to resources and supports for victims, help prevent future instances abuse by building awareness, and help victims overcome the trauma they have experienced by building strength and resiliency. The funding will support program delivery through staffing of an operations manager and a child advocate, facility rental costs, equipment and other administrative costs.	\$105,000	Kelowna
Child and Youth Advocacy Centres	Kootenay Boundary Community Services Cooperative	Safe Kids & Youth Coordinated Response: This project will support a unique rural model designed to achieve a seamless multi-disciplinary team response that will serve young victims of physical and sexual abuse and their non-offending parents/caregivers in order to reduce the potential for re-traumatization. The project will support training, staff wages, transportation, overhead and administrative costs of the CYAC.	\$105,000	Nelson
Child and Youth Advocacy Centres	Treehouse Advocacy Centre Society Vancouver	The Treehouse Vancouver Child and Youth Advocacy Centre: This project will address the need for ongoing, stable service delivery to children in Vancouver that have experienced abuse through the coordinated response of police, child protection, and victim services to manage complex cases where it is suspected that a child or youth has experienced abuse. With a focus on optimizing organizational capacity, the funding will be instrumental to maintain the coordinator position and the rental space of the centre.	\$105,000	Vancouver
Child and Youth Advocacy Centres	Big Bear Child & Youth Advocacy Centre (Society)	Big Bear Child & Youth Advocacy Centre (Phase 1): This project will support the implementation of Phase 1 of the CYAC which will operate out of the Suspected Abuse and Neglect Clinic as a pilot project setting the foundation for establishing and/or strengthening partnerships to ensuring coordinated responses to child abuse. Funding will contribute to the introduction of a Family Advocate role, the creation of multi-disciplinary teams/case management meetings, and the sharing of information protocols to ensure collaboration among services.	\$105,000	Kamloops
Child and Youth Advocacy Centres	Archway Society for Domestic Peace	Oak Child and Youth Advocacy Centre: This project will contribute to secure critical actions needed for the centre's operations and development, including: staff wages for an Advocate and a child-centered Family Therapist position; ongoing training for the multi-disciplinary team; meeting expenses and professional development and clinical supervision for the staff.	\$105,000	Vernon
Child and Youth Advocacy Centres	Carrier Sekani Family Services	First Nations Child and Youth Advocacy: This project will contribute to support Carrier Sekani Family Services in reducing system trauma and revictimization for child victims of abuse that meets the Department of Justice Accreditation Standard and that is Indigenous-focused and culturally safe. The funding will support the centre's work to enhance the working relationship among multi-disciplinary members, securing partnerships and provide a long term framework for the centre.	\$105,000	Prince George

Child and Youth Advocacy Centres	Archway Society for Domestic Peace	Workshop: This project will host a two-day workshop in BC for community-based victim support workers from the Canadian Child Abuse Association. The focus of the training would be on how to support children testifying in court.	\$10,000	Province-wide
Crime Prevention	Penticton Recovery Resource Society	Discovery House Community Recovery & Reintegration Program: This project will support two full-time, live-in addiction recovery treatment spaces for men between the ages of 18-75 who have become involved in the criminal justice system and experiencing substance use, mental health, and/or homelessness issues. The treatment program offers life skills training and support to lead healthy pro-social lives.	\$70,538	Penticton
Crime Prevention	Canadian Mental Health Association, Vernon & District Branch	Youth Empowerment Through Community Connections: This project will expand and enhance CMHA's youth programs by identifying at-risk youth who may be vulnerable to involvement in illegal activity. The program aims to provide peer support, life skills development, mentoring and much more to approximately 150 youth between the ages of 7 to 18.	\$75,000	Vernon
Crime Prevention	YMCA of Northern BC	Learning Together: This project will provide support to young people between the ages of 12 to 24 with mental health and substance use challenges who are at high risk of being involved in crime. The program will provide one-on-one and group support, education, and leadership opportunities to 60 youth and 25 family members as well as training for staff to build organizational capacity.	\$72,978	Prince George
Crime Prevention	Catholic Justice Services Society	Vancouver Fraser Valley Circles of Support and Accountability (VfV CoSA): This project will target vulnerable, high-risk sex offenders released into the community after serving a prison sentence. VfV CoSA matches three to four volunteers who spend two to five hours per week meeting, supporting, and holding the released sex offender accountable by discussing the challenges unique to this population focusing on mental health and substance and sexual addiction.	\$75,000	Abbotsford
Crime Prevention	Options Community Services	Altering Pathways to Youth Gang Violence: Community Pathways Project 2.0: This project will build upon previous work on The Surrey Anti-Gang and Family Empowerment (SAFE) Community Pathways Project to integrate a multi-service gang case planning instrument based on developmental life-course research. Examination of gang-involved/at-risk youth case files from various agencies will help guide interventions to help stop youth from becoming involved in gangs.	\$64,400	Surrey
Crime Prevention	The Native Courtworker & Counselling Association of BC	Out of Court Community Support Services Initiative: This project will provide support for Indigenous persons accused of crime and residing in Williams Lake who have received a bail or probation order and who have been identified as being high-risk for re-offending.	\$74,845	North Vancouver
Crime Prevention	The John Howard Society of North Island	KidStart: This project will provide a mentoring program for children and youth between the ages of 6 and 18, who are at-risk of mental health and/or substance use challenges and vulnerable to becoming involved in the criminal justice system. The program matches at-risk children and youth to trained volunteer adult mentors to spend three hours per week participating in pro-social activities.	\$65,000	Campbell River
Crime Prevention	Skidegate Band Council	XaadaGa 'laa gud ad hiGang.gulxa(Good People Working Together): This project will utilize a professional collaboration between a court outreach worker and the Good People Working Together team to support clients who have been involved in the criminal justice system. The outreach worker will reach-out to isolated, vulnerable people that have addiction and/or mental health issues to conduct visits to identify their needs through assessments to break the cycle of criminality. These assessments will help provide holistic wrap-around services to help both individual clients and the community at-large.	\$75,000	Skidegate, Haida Gwaii
Crime Prevention	Fetal Alcohol Spectrum Disorder Society for British Columbia	Reducing Recidivism for Youth with Mental Health/Substance Use Concerns and Disabilities: This project will provide assessments for Fetal Alcohol Spectrum Disorder and other complex needs for youth across BC on adjudicated probation orders as well as adults transitioning out of provincial corrections.	\$74,975	Maple Ridge

Crime Prevention	Northern Society for Domestic Peace	Women's Safety Outreach Program: This project will build supportive relationships with vulnerable women living in the communities of Smithers, Hazelton, and Houston (Bulkey Valley) to increase women's safety, decrease criminality, and work in partnership with the RCMP and others to support issues that otherwise divert limited police resources.	\$75,000	Smithers
Crime Prevention	L.I.N.C. (Long-term Inmates Now in the Community)	Positive Reintegration Peer Support for Multi-Barriered Individuals Impacted by the Criminal Justice System Pilot Project: This project will assist approximately 25 individuals who have reached warrant expiry or who are serving provincial sentences of two years less a day. The objectives of the project aim to reduce recidivism and promote positive reintegration back into the community through pro-social activities that promote accountability and provide practical life-skills.	\$58,600	Mission
Crime Prevention	BrainTrust Canada Association	Crime Prevention and Reduction Program: This project will work with vulnerable adult offenders with an acquired brain injury residing in the Central Okanagan post-release from custody. The program will serve approximately 35 to 40 offenders who will spend one to two hours per week with skilled brain injury staff. Individualized, one-on-one sessions will offer clients opportunities to engage in social and community reintegration and reduce the risk of recidivism.	\$75,000	Kelowna
Crime Prevention	Big Brothers Big Sisters of the Cowichan Valley	School-Based Mentoring for At-Risk Youth: This project will provide a school-based mentoring program to help at-risk youth from becoming involved in the criminal justice system. The program will match youth impacted by adversity with a caring mentor in one-on-one or group settings at 19-20 partnering school locations throughout the Cowichan Valley.	\$73,650	Duncan
Crime Prevention	FASD Okanagan Valley Assessment and Support Society	Adult Fetal Alcohol Spectrum Disorder (FASD) Assessment Initiative: This project will target individuals over the age of 19, living in the Interior of BC (including incarcerated individuals) who missed the opportunity to have a FASD assessment when they were youth. These individuals are now experiencing the secondary outcomes of having an undiagnosed FASD and trying unsuccessfully, to function in their community. They experience mental health; addiction issues and are involved or at risk of becoming involved in the justice system.	\$72,160	Vernon
Crime Prevention	City of Surrey	Surrey SAFE Engage and Empower (E2): This project will target high-risk youth and their families in Surrey who are vulnerable to gang recruitment. Fifty youth at-risk of gang recruitment and/or have previous gang involvement will be engaged to identify current strategies that gangs employ to recruit and retain Surrey youth. The experiences, stories and knowledge contributed from youth will inform the development of an educational program targeting parents.	\$51,837	Surrey
Crime Prevention	John Howard Society of Okanagan & Kootenay	Justice Services Coordinator - Community Court Liaison: This project will introduce an integrated court liaison to meet the unique needs within the community of Kelowna. The project will focus on individual needs and supports which will include: addiction treatment, mental health, housing, education, employment services, and case management follow-up. These measures will assist in establishing individuals into community re-integration and away from criminal behaviours.	\$75,000	Kelowna
Crime Prevention	Karis Support Society	First Stage Recovery Program: This project will provide a therapeutic recovery orientated program for women seeking to end their substance misuse, criminal involvement and unsustainable lifestyle. This program will provide a strengths-based approach to programming with the objective of increasing each individual's recovery, which in turn will lead to their goal of living a healthy, sustainable lifestyle.	\$70,000	Kelowna
Crime Prevention	City of Surrey	City of Surrey - Peer Mentorship Program: This project will provide a peer mentorship program to youth between the ages of 8 and 12 in the communities of Whalley, Guildford and Newton in Surrey, BC. Peer mentors and adult allies will engage approximately 87 youth in a number of leadership and recreation activities between the hours of 3:00 to 6:00 pm. The program will be offered in conjunction with the MYzone drop-in after-school program.	\$29,585	Surrey

Crime Prevention	Frog Hollow Neighbourhood House	Frames Film Program: This project will build the capacity of high-risk Indigenous youth and their peers in order to reduce criminal activity, gang involvement, and recidivism in the community of East Vancouver. All youth participants will be involved or at-risk of becoming involved with the criminal justice system, and are currently struggling with a combination of mental health and substance use challenges.	\$40,000	Vancouver
Crime Prevention	ACCESS Youth Outreach Services Society	Youth Matter: Reintegration Program: This project will connect First Contact Workers to transient or homeless street youth between the ages of 12 and 18 to engage them in art therapy, sport, and social activities in a mobile-drop in center to reduce the number of street entrenched youth. First Contact Workers will circulate within four hot-spot locations to identify 15 potential street youth (monthly) to link with a mentor for reintegration into a supportive community.	\$75,000	Port Coquitlam
Crime Prevention	Take a Hike Youth at Risk Foundation	Take a Hike Program: This project will implement a full-time program, five days per week that uses the outdoors to engage approximately 115 at-risk youth between the ages of 15 and 18. This project will help youth achieve social and academic success and build resilience and pro-social skills needed to navigate young adulthood and avoid crime and gangs.	\$75,000	Vancouver
Crime Prevention	St. Leonard's Youth and Family Services Society	Community Connections to Prevent Gang Involvement: This project will target high-risk youth between the ages of 13 to 18 to prevent them from joining and/or affiliating with gangs and reduce negative police contact. The program will offer outreach engagement with a youth worker who will work directly with up to 20 -30 youth to find meaningful community connections and increase school and/or work opportunities.	\$75,000	Burnaby
Crime Prevention	Big Brothers Big Sisters of Victoria Capital Region	Youth Focused Community Mentoring: This project will support the Youth Focused Community Mentoring (YFCM) one-on-one mentorship program. The program will target youth 12-18 years old and youth who have who struggle with mental health issues, have been exposed to violence/abuse, or are engaged in substance use or bullying behaviour. This program will match 125 at-risk youth with an adult mentor who spends 2-4 hours each week with them engaging in pro social activities with a focus on common interests, new experiences and good citizenship.	\$40,000	Victoria
Crime Prevention	The Salvation Army	Renew Mental Health & Addictions Program For Exploited & Criminally Involved Survivors of Human Trafficking and Exploitation: This project will support the Renew Mental Health and Addictions Program in offering 75 youth with specialized psycho-education, registered counseling, occupational therapeutic strategies, and creative arts for survivor participants. The project will also focus on the role of substance use and mental wellness in facilitating exploitation and cycles of criminal involvement.	\$75,000	Vancouver
Crime Prevention	Cowichan Valley Youth Services	Connections-Youth Outreach: This project will provide support and connections to a minimum of 60 youth and young adults who are confronted with many personal barriers to access needed supports. This outreach will include transportation to mental health appointments, medical appointments, court support, counselling, and school meetings. The project will also address individual barriers such as family counselling, housing barriers, income, employment support, assistance to re-enter school, referral to other CVYS programs or connection to other community supports.	\$66,236	Duncan
Crime Prevention	Vancouver Island Men's Therapy Centre Society	Youth Crime Prevention: This project will provide trauma counselling to youth aged 16-30 years old to address the underlying causes of involvement in criminal activity. The trauma counselling to be provided will directly address the mental health and addictions issues that are frequently seen in trauma survivors and criminal activity.	\$74,939	Victoria
Crime Prevention	John Howard Society of the Thompson Region	Influences Project - Addictions and Mental Health Clinician: This project will support The John Howard Society of the Thompson Region to employ a Mental Health and Addictions Clinician. This clinician will provide support to individuals, both men and women who have been released into the Kamloops and surrounding community from provincial and federal institutions.	\$74,849	Kamloops
Crime Prevention	Vancouver School Board	Windermere Get R.E.A.L. (Resilient, Engaged, Active Leaders) Programs: This project will expand support to the Windermere Get R.E.A.L. programs. This project includes targeted referral-based Secondary after school programs, divided into two Junior programs (grades 8 - 9 students) and two Senior programs (grades 10 - 12 students). Each of the four groups have a maximum of 20 participants who are referred based on involvement in criminal behaviour, mental health concerns or school challenges such as social isolation or skipping.	\$63,139	Vancouver

Crime Prevention	Boys and Girls Club of Kamloops	Nights Alive: This project will provide support to the Kamloops Night's Alive Program which will provide a positive alternative to violence, and crime for youth. The Program gives youth a place to go and hang out with friends in a safe environment that is free from drugs, alcohol and harassment. The program will operate on Friday nights from 8:30 pm to 12:00 pm, and youth who live on the Northshore or in Brock are offered a safe ride home at 11:00 pm. .	\$20,470	Kamloops
Crime Prevention	Pathways Addictions Resource Centre	ICCON (Intensive Coordinated Care Opioid Navigator): This project will provide a set of mutually reinforcing initiatives that will further build and define a coordinated system of care for people struggling with opioid dependence. Over the last two years clients seeking treatment from opioid use disorder have required far more services than individual counselling and/or group work in order to maintain a healthy lifestyle and prevent relapse. ICCON expects to target 40 at risk-opioid use clients and provide the wrap around support they need to increase the necessary lifeskills needed to reduce relapse and decrease involvement in criminal activity.	\$71,855	Penticton
Crime Prevention	Kids Play Youth Foundation	Kids Play Afterschool Mentorship Program: This project will expand the Kids Play Afterschool Mentorship Program. The objective of this program is to reduce and prevent at risk youth from engaging in gangs, gun violence and drug abuse and provide them with positive constructive outlets to become productive citizens of society. The project's target group is 200 at risk youth participants from six Lower Mainland elementary and middle schools to engage them in a free weekly mentorship program in their school setting from September 2020 - June 2021.	\$74,800	Surrey
Crime Prevention	Surrey Crime Prevention Society	Community Safety Mentorship Program - Vulnerable Youth in Surrey BC: This project will provide support to the Surrey Crime Prevention Society (SCPS) for the implementation of a Community Safety Mentorship Program in response to the issues youth are facing related to gang violence in Surrey. This program will target 40-45 vulnerable youth in the 12 to 18 age group through trained mentors. The focus is to engage vulnerable youth with their mentor to participate in community safety programs in Surrey.	\$50,000	Surrey
Crime Prevention	Lake Babine Nation	RECONNECTION PROJECT: This project will allow the Reconnection Project to operate a mentorship style program for youth who are dealing with mental health and/or substance use. These youth are at risk of becoming involved in the criminal justice system. The target population will be youth 12 -18 years of age who are at risk of becoming involved in the criminal justice system. It is expected that 30 youth will become involved in the program at each session.	\$75,000	Burns Lake
Crime Prevention	Seabird Island Band	Seabird Island Tés Program (Halq'emeyem word for "to reach"): This project will allow The Seabird Island Band Tés project to extend the reach of their youth-led, preventative program for at risk youth in the community. Programming will reach youth who have proved harder to engage and to reduce risk taking activities including substance use and crime. This funding will allow adaptation of the current, evidence-based program, where they offer consistent positive relationships and opportunities that engender new connections and habits.	\$75,000	Agassiz
Crime Prevention	Greater Vancouver Youth Unlimited	MY House Family Meals and Expansion: This project will expand the MY House Family Meals and Expansion program to increase access and availability of services to homeless and vulnerable youth in Mission. Through expanded hours of operation with accessible sit-down meals, this project will provide a space for safe refuge and cultivation of motivation and hope.	\$36,342	Surrey
Crime Prevention	Prince Rupert RCMP	Weaving Willow: Useful, Bountiful, Beautiful: This project will use outdoor activities, learning from the natural world and hands-on skill programming to build social competence, develop an internal locus of control and enhance decision making/problem solving abilities to help prevent youth involvement in criminal activity. This outdoor experiential intervention aims to prevent substance abuse by Indigenous youth, effectively reduce recidivism and have the potential to be a sustainable source of income/work beyond this project time line.	\$15,115	Prince Rupert
Crime Prevention	John Howard Society of the Lower Mainland of BC	Reintegration Worker Position: This project will provide support to federally incarcerated individuals who are transitioning back into the community. The project's reintegration worker will attend federal institutions weekly to build a release plan with 350 individuals who are incarcerated and at higher risk of recidivism and continued involvement in crime. The reintegration worker will assist the individuals to develop a release plan which promotes the development of pro-social relationships, increased education and employment opportunities, and establish the skills necessary to reduce risk of reoffending.	\$74,908	Vancouver

Crime Prevention	Archway Community Services	In It Together - Gang Intervention Youth Worker: This project will fund a fulltime In It Together - Gang Intervention Worker. The worker will support 30 individual youth involved in gang activity including those currently on probation, facing charges, involved in crime but not charged, restorative justice, and/or attending court. The interventions for this group will include individualized approach based on client needs including one on one support and advocacy for the youth and their family members with a youth outreach worker and/or family engagement worker.	\$75,000	Abbotsford
Crime Prevention	The Prince George Sexual Assault Centre Society	Sexually Exploited Youth Exiting Services (SEYES): This project will support to the SEYES outreach program, which is designed to assist youth ages 12 to 18 in exiting the commercial sex trade.	\$75,000	Prince George
Crime Prevention	John Howard Society of Victoria	KidStart Mentoring Program Enhancement Project: This project will provide support to KidStart, a one-on-one mentorship program for youth aged 6-18 in Victoria who are at-risk for engaging in criminal activity. Mentors will provide ongoing empathy, consistency, positive role-modelling, and fun community-based activities for 3 hours every week, for one year or more, that aim to promote learning experiences, emotional well-being, and decrease criminality.	\$23,629	Victoria
Crime Prevention	DIVERSEcity Community Resources Society	Women's Crime Reduction Program: This project will support a one-year program called HER-SAFE that will assist 48 high risk, crime-involved female participants by providing risk mitigation/reduction initiatives that help prevent them from entering into gangs and alleviating suffering from mental health/substance abuse challenges.	\$74,947	Surrey
Crime Prevention	City of Vancouver/ Diversity, Inclusion & Indigenous Relations Section, Vancouver Police Department	Project Elder Pride: Safety & Security Programming for Highly Vulnerable LGBTQ2S+ Older Adults: This project will provide wrap around supports for at-risk LGBTQ2S+ older adults aged 55 years and up. This innovative program will run twice a week, three times a year for four-week sessions. Forty-five LGBTQ2S+ older adults will be involved in the first year of this pilot program.	\$31,350	Vancouver
Crime Prevention	Cariboo Chilcotin Metis Association	Nanatawhitowin Journey program: This project will support the Nanatawhitowin(Act of Healing) Journey program to target up to 24 at-risk/gang affiliated youth and 40 vulnerable people affected by mental health and substance abuse issues. This program will offer holistic, culturally appropriate approaches to crime reduction by providing healing circles, outreach service, addiction counselling and youth-mentor opportunity.	\$75,000	Williams Lake
Crime Prevention	Surrey Women's Centre Society	SMART VAN Project: This project will expand support to the SMART Van (Mobile Crisis Unit) to reduce crime by reaching out to approximately 400-500 at risk women in the Whalley and surrounding area. The SMART Van staff support victims and encourage vulnerable women, girls and youth on the streets to report "bad dates". A bad date report refers to a woman who has been threatened, robbed, assaulted and harassed. Through partnerships with RCMP, bad dates reports will be flagged and support will be provided to the vulnerable victims who may need assistance in reporting to the police.	\$75,000	Surrey
Crime Prevention	British Columbia Borstal Association	STRONG - Staying True, Real, Original & No Gangs: This project will provide support through an intervention program for youth/young adults who are seeking out and/or engaging in criminal and gang related behaviours. The project will operate from a trauma informed perspective with an understanding that trauma is the root cause of most negative behaviours.	\$75,000	Surrey
Crime Prevention	RCMP - Integrated Homicide Investigation Team (IHIT)	IHIT Family Liaison Victim Service Worker: This project will provide for a Family Liaison Victim Service (FLVS) Worker position embedded within the RCMP's Integrated Homicide Investigation Team (IHIT)	\$70,000	Vancouver
Crime Prevention	BC Crime Stoppers	Strategic Approach to Training and Education: This project will provide enhanced training to the Crime Stopper Network.	\$10,000	Province-wide

Crime Prevention	School District 27 - Cariboo Chilcotin	Cariboo-Chilcotin WRAP Program: This project will provide year 3 funding to support the Cariboo Chilcotin WRAP program.	\$300,000	Cariboo-Chilcotin
Crime Prevention	Police Victim Services of BC	Pacific Region Victims Advisory Council - Victims Forum: This project will support the implementation of an annual forum over 3 years that brings together victims of crime and representatives from criminal justice and victim support agencies to discuss the Canadian Victims Bill of Rights and other initiatives and how the criminal justice system can help ensure victims are aware of their rights.	\$15,000	Province-wide
Crime Prevention	West Coast Leaf	Training on Disclosure in Criminal Trials: This project will provide information and training for lawyers providing independent legal representation to victims faced with applications for disclosure of their personal information/sexual history in criminal trials.	\$20,000	Province-wide
Crime Prevention	Tl'etinqox Government	Tl'etinqox Youth Leadership Initiative/ Justice Program Coordinator: This project will support a justice program coordinator to address the root causes of crime within the community.	\$70,000	Cariboo-Chilcotin
Domestic Violence Prevention/Intervention Programming	Nanaimo Family Life Association	Mid Island Men's Services: This project will work to increase the safety of families in the Nanaimo region, increase perpetrator accountability and responsibility for the use of abuse and violence, support changes in capacity, improve skills for safer outcomes and intervene in situations of Intimate Partner Violence to prevent escalation of abuse and violence.	\$30,000	Nanaimo, Lantzville
Domestic Violence Prevention/Intervention Programming	Cowichan Women Against Violence Society	Cowichan Men Choose Respect: This project will support men who perpetrate violence in intimate partner relationships or families. Drawing from the experience and knowledge that the men bring to the conversation, the project's objectives are to increase safety for families in the Cowichan Valley, increase perpetrator accountability and responsibility surrounding violence and abuse, support changes in responses, improve skills for safer outcomes and intervene in situations of abuse to prevent escalation.	\$30,000	Cowichan Valley
Domestic Violence Prevention/Intervention Programming	Deltassist Family and Community Services Society	Healthy Relationships – Stopping the Cycle of Violence Against Women and Children: This project will help reduce violence against women and children by engaging perpetrators in a psycho-educational, cognitive behavioural, trauma informed group called "The Healthy Relationships and Anger Management Group".	\$30,000	Delta, Surrey, Langley, New Westminister
Domestic Violence Prevention/Intervention Programming	W.I.N.G.S. Fellowship Ministries	MenTOR (MEN Transforming Our Relationships) : The MenTOR (MEN Transforming Our Relationships) project will target men who have demonstrated harmful behaviours towards their intimate partners. This program gives men the opportunity to develop healthier ways of being in relationships through a 15 week (2.5 hour group session per week) curriculum based intervention group.	\$30,000	New Westminister, Tricities
Domestic Violence Prevention/Intervention Programming	Nelson Community Services Society	Courageous Connections: A Skill Development Program for Healthy Relationships: This project will address perpetrators' abusive patterns of behaviour in intimate relationships. Through two, 10-week group programs, along with support for impacted victims, approximately 20 participants will be exposed to an evidence-based curriculum aimed at examining root causes of abusive behaviour along with skill development and support for changing these behaviours.	\$30,000	Nelson and surrounding area
Domestic Violence Prevention/Intervention Programming	Family Services of the North Shore	Rebuilding Relationships; Reducing Violence Against Women Through Effective Group Intervention for Male Perpetrators: This project will provide 14 week cycles of a trauma-informed prevention and intervention groups (one in English and one in Farsi) for men who have been perpetrators of violence in their intimate relationships. The groups will be held weekly, for 2 hours each time, and be facilitated by one female and one male co-facilitator. The project is aiming to achieve a 30-50% reduction in violent, abusive, and controlling behaviors by perpetrators against the women and children in their lives.	\$30,000	North Vancouver, West Vancouver, Bowen Island

Domestic Violence Prevention/Intervention Programming	Pacific Centre Family Services Association	Family Violence Program (FVP): This project is a group-based FVP that will serve individuals across the Capital Regional District who have perpetrated violence in their intimate relationships. The goals of this project are to achieve a significant and lasting reduction of abuse in relationships, increased safety for intimate partners, better outcomes for children and healthier families.	\$30,000	Greater Victoria Region, Westshore and Sooke
Domestic Violence Prevention/Intervention Programming	Mennonite Central Committee B.C.	Home Improvement: Men in Relationship: This project will support voluntarily participating men through a cognitive behavioural approach. The project will run two program cycles, from September to January and then again from February to May with the objective of increased safety for women and children. The project activities will provide insight into and help change the harm of abusive behaviour	\$30,000	Fraser Valley, Abbotsford, Mission, Chilliwack, Langley
Domestic Violence Prevention/Intervention Programming	The John Howard Society of the Thompson Region	Stop Taking it Out on Your Partner (STOP): This project will be delivered in a group format for men who have used or are at risk of using violence in relationships, it is a domestic violence prevention and counselling program. The program is focused on the concepts of accountability, communication and changing client's attitudes and beliefs.	\$29,354	Kamloops, Merritt, 100 Mile House, Williams Lake
Domestic Violence Prevention/Intervention Programming	Northern Society for Domestic Peace	Domestic Peace Program (DPP): This project will offer ongoing, voluntary, individual counselling services to those who use, or are at risk to use, violence in their relationships. The goal is that participants stop using abuse, in all its forms, in their intimate relationships and consistently keep their behaviour safe and respectful toward their partners and children.	\$30,000	Smithers, Houston, Telkwa, Witset, Hazelton
Domestic Violence Prevention/Intervention Programming	Canadian Mental Health Association - Cariboo Chilcotin Branch	Become the Change: This project will be a non-mandated program for male participants 18 years or older, who are low to moderate risk of perpetrating or have perpetrated domestic violence against their intimate partners. The project will provide sixteen-hour psycho-educational sessions delivered in a group environment with a maximum of sixteen participants per group.	\$30,000	Williams Lake and surrounding region
Domestic Violence Prevention/Intervention Programming	Multilingual Orientation Service Association for Immigrant Communities	Men In Change - Enhancing Healthy Relationships Project: This project will target immigrant, refugee and visible minorities who are at risk of domestic violence. Each cycle will encompass 1 intake session for the intimate partners' needs assessment, 6 group sessions and 1 follow-up session to assess their understanding of domestic violence and review their personal action plan to foster a safer and fully functional family atmosphere.	\$30,000	Lower Mainland
Domestic Violence Prevention/Intervention Programming	Family Services of the North Shore	Caring Dads; Reducing Violence Against Women Through Group Intervention for Male Perpetrators (English and Farsi): This project will provide two, no fee, 14 week cycles of a trauma-informed prevention and intervention groups (one in English and one in Farsi) for fathers who have been perpetrators of violence in their intimate relationships. The groups will be held weekly, for 2 hours each time, and be facilitated by one female and one male co-facilitator. The project is aiming to achieve a 30-50% reduction in violent, abusive, and controlling behaviors by perpetrators against the women and children in their lives.	\$30,000	North Vancouver, West Vancouver, Bowen Island
Domestic Violence Prevention/Intervention Programming	John Howard Society of Okanagan & Kootenay	STOP - Stop Taking it Out on your Partner Domestic Violence Prevention Program: This project will address intimate partner violence and violence against women by helping those who want to make changes by showing them how to manage their behaviour within their intimate relationships.	\$30,000	Central Okanagan
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	The Salvation Army	New Hope Outreach Services For Trafficked & Exploited Persons: This project will provide psychosocial outreach services for high risk youth and adults who are engaged in the sex trade, at risk of procurement, or who have experienced exploitation/human trafficking/violence for both sexual & labour purposes. This service will operate as a first responder both in person and through digital services for survivor self referrals, law enforcement, government, NGO's, and healthcare in supporting the exiting process, accessing safety, rehabilitative supports, and cultural re-connection.	\$30,000	Vancouver

Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	New Opportunities for Women (NOW) Canada Society	Essentials- Life Skills Program: This project is a recovery program for women and female youth who have been victims of sexual exploitation through sex trade work and human trafficking, who often present with mental health challenges. This four month, full time program will provide participants with a selection of vital life-skills needed for their on-going recovery. The program is connected to safe housing, individualized client support and a variety of therapies, both group and individual.	\$30,000	Kelowna
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Interior Community Services	Building Bridges for Vulnerable & Sexually Exploited Youth: This project is a prevention and intervention project focused on the sexual exploitation of youth. It will provide education on the signs of recruitment (grooming, abuse, and control), outreach support, harm reduction supplies and referral services for youth ages 13-24 who are vulnerable to and/or currently being sexually exploited. The project will collaborate with community partners, such as RCMP, schools and the Health Authority to identify at risk youth, in particular LGBTQ2 and Indigenous youth.	\$30,000	Kamloops
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Covenant House Vancouver	Addressing the Needs of Homeless Exploited Youth: This project will assign a navigator to help up to 75 homeless, sexually exploited youth aged 16-24 to exit their exploitative situation and overcome the trauma they have experienced. The youth will access a comprehensive program across a continuum of care. The navigator will assist them to address their basic needs and provide trauma informed support on issues such as mental health, addictions, and employment with the goal of the youth being stably housed.	\$30,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Prince George New Hope Society	New Hope 2020 Empowerment Sessions: This project will hold workshops to provide education, connection, safety strategies, and supports for vulnerable indigenous and non-indigenous women in the sex trade to reduce risk and barriers associated with the sex trade, and increase access to information and services. Workshops will include naloxone kits/training, culturally based healing, STI education/prevention, grief and loss, therapy, safe dates, practical skills training etc.	\$8,720	Prince George
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Providing Advocacy and Counselling & Education Society	Peer-Led Sex Workers Outreach: This project will assign Outreach Workers who have personal experience with sex work to develop contacts and relationships with sex workers in the Downtown Eastside to enable support in transition service referrals. Project staff will provide harm reduction supplies, distribute "bad date" reports, and provide further referrals that meet needs and reduce vulnerability.	\$25,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Providing Advocacy Counselling & Education Society	Wise Women: This project will focus on supporting sex workers experiencing domestic violence and provide support to sex workers experiencing a broad range of vulnerability factors. The project will provide collaborative, participant-driven learning opportunities, facilitate referrals and schedule one-to-one counselling for sex workers. The project will also facilitate access to support services critical to reducing vulnerability factors which may include, homelessness or unstable housing, poverty, mental health issues, substance abuse and addictions, systemic barriers to accessing services and lack of connection to peers and community.	\$20,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	AWCEP Asian Women for Equality Society	Supporting Vulnerable Women who have Criminal Records from Being in the Sex Trade: This project will provide workshops for women on how to obtain a suspension of their criminal record from being in the sex trade. Getting their criminal records suspended will allow them to seek alternative employment and access to education. Two front line workers will be provided with training to enhance their knowledge on this subject and enhance their ability to support women.	\$30,000	Burnaby
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Peers Victoria Resources Society	Peers Victoria Small Business Training Program: This project is a six month training program for current and former sex workers that helps to turn business ideas into successful small businesses. Trainees will develop a business plan, and learn about budgeting, financial planning, tax deductions, marketing, and applying for a micro loan. Trainees will also be able to access computers, clothing room, meal program and many other drop-in supports such as clinical counseling, health and housing support available at the Peers Victoria drop-in centre.	\$25,002	Victoria
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Archway Community Services	Stop Exploiting Youth: This project will provide individualized outreach to 10+ youth with support in exiting the sex trade, leaving unhealthy relationships, learning to increase their personal safety when engaging in high risk activities, accessing substance use or mental health treatment and addressing their physical and sexual health concerns. In addition, this project will include outreach to community places where high risk youth congregate to identify and engage at least 20 youth at risk of exploitation. Funding will enhance the current SEY program and increase staff capacity to take on high demand.	\$27,838	Abbotsford

Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Canadian Mental Health Association - Cariboo Chilcotin Branch	It Matters: This project will work collaboratively with the Williams Lake School District to provide programming and education to youth who may potentially be at risk or who are being trafficked for the purpose of human trafficking and sexual exploitation. The project will also collaborate with Indigenous communities to assist in the development of protocols that support Indigenous leadership in identifying human trafficking and exploitation risks, and how to respond to victims suspected of such activities. A toolkit will be developed by community stakeholders for improved awareness of human trafficking, sexual exploitation and sex trade engagement.	\$30,000	Williams Lake
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	W.A.V.A.W./ R.C.C. Women Against Violence Against Women/ Rape Crisis Centre	Enhancing Access to Justice for Vulnerable Indigenous Survivors in the Sex Trade: This project will provide wrap-around support services to Indigenous women, girls and Two-Spirit people who have experienced sexualized violence and victimization, and will include accessible services to survivors engaged in the sex trade. Through this project, a Program Counsellor and Outreach Worker will coordinate services for Indigenous survivors in the sex trade including healing and skills-building workshops, outreach, and service coordination in the community.	\$30,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Surrey RCMP - Special Victims Unit - Internet Child Exploitation Team	The Nan Initiative: This project will provide education and prevention materials for Indigenous youth and vulnerable children who may become or who are already involved in exploitation, coerced or lured to create sexual imagery, or who are involved in the sex trade. This initiative in its initial phase will provide Indigenous enhancement education by conducting presentations and provide materials to students which will focus on online safety and healthy relationships.	\$17,748	Surrey
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Collingwood Neighbourhood House Society (Living in Community)	Safety For All: This project will address the violence vulnerable women who sell or trade sex experience by co-ordinating a provincial response among more than twenty front-line service providers and policymakers. The project will facilitate the implementation of the 'Provincial Action Plan Towards Sex Worker Safety in BC', and will carry out activities from the 29 key actions. The project will involve key stakeholders in BC who are working around sex issues or whose policy development impacts sex workers."	\$30,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	WISH Drop-In Centre Society	WISH Transitions Program: This project supports street-based sex workers who want to decrease their involvement in sex work, or to exit sex work altogether. This project will aim to connect participants to programs and supportive employment opportunities; decrease systemic barriers; and actively reduce the stigma of sex work in Metro Vancouver. The end goal is to transition participants towards sustained involvement in independent mainstream employment.	\$25,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Watari Research Association, operating as Watari Counselling and Support Services	Migrant to Migrant Program: This project provides outreach to migrant agricultural workers to reduce labour exploitation/trafficking of Temporary/Seasonal Agricultural Migrant Workers by providing support, information, recreation, resources, access to services and advocacy. Through this outreach, workers will be provided with resources and services to exercise their legal rights, and bring forward any issues of wrongdoing. The project will also deliver educational workshops to increase migrant workers awareness of their rights.	\$30,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Migrant Workers Centre BC Society	Empower ESL Training Program for At-Risk Female Migrant Workers: This project will engage female migrant workers, who have experienced or are at risk of experiencing labour exploitation or labour trafficking, with education and skills building through a specialized, trauma-sensitive English as a Second Language training program. The project will develop ESL curriculum using employment-related rights examples and materials, and the lessons will be delivered by a certified ESL teacher.	\$30,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Read Right Society	Safe Pathways: This project will address Indigenous, immigrant and non-indigenous women and youth who are at risk of human trafficking, sexual exploitation and sex trade work through group sessions and activities that will increase awareness of what sexual exploitation is, knowledge of personal rights, and access to community resources. The project will develop a wrap around approach to support youth, women, and Indigenous women and youth experiencing sexual, labour exploitation, or for those already in the sex trade.	\$30,000	Hope
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Supporting Women's Alternatives Network (SWAN Vancouver) Society	Peer Engagement: Connecting Im/migrant Sex Workers to Services & Community: This project will provide peer-led support for newcomer, migrant and immigrant women who do sex work. This program will match immigrant and migrant sex workers with peer staff to help women feel less disconnected in society and have increased awareness of health, social and legal resources, and protections in order to reduce violence.	\$30,000	Vancouver

Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Empress Avenue Media	TUG OF WAR: This project will develop a documentary that will follow the activities of MYST (Mobile Youth Services Team) as they tackle the issue of luring, grooming and exploitation on the street, online, and behind closed doors. The MYST team is made up of one police officer and two youth and family counselors whose mandate is to help and support youth (and their families) who are vulnerable to sexual exploitation and/or trafficking. The documentary will be provided to middle schools as a resource to bring awareness and understanding to youths and parents on sexual exploitation and human trafficking.	\$19,750	Cobble Hill
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	BWSS Battered Women's Support Services Association	Thriving: This project is a one-year pilot psycho-educational group project for current and former participants of the Thrive program that will provide participants with tools for personal, social, cultural, and economic empowerment, as well as continual community building and mentorship. Thriving sessions include information, facilitating discussion, implementing experiential psycho-educational activities, and developing skills to decrease impacts of trauma and increase self awareness, knowledge, and power to build and lead a self-determined life.	\$18,528	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	PLEA Community Services	TCO2, Youth Art Engagement, and It Can Happen to Anyone: This funding will support the implementation of projects over a 2 year period that are aimed at preventing child/youth sexual exploitation, intervening with young people at high-risk of sexual exploitation, supporting parents and caregivers to keep kids safe, and helping families who have already been affected by this crime.	\$250,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Family Services of Greater Vancouver	FSGV CEU Victim Support Worker: This project will employ a full-time victim services worker in the Counter Exploitation Unit over a 3 year period.	\$278,000	Vancouver
Human Trafficking, Sexual Exploitation and Vulnerable Women in the Sex Trade	Family Services of Greater Vancouver	Project Shine: This project will provide funding to pilot a community-based victim services worker within the Vancouver Police Department's Sex Crimes Unit.	\$90,000	Vancouver
Indigenous Healing and Rebuilding	Gathering Voices Society	Rebuilding Communities Through Cultural Fire Programs: This project will encourage Indigenous women to engage in land stewardship activities and cultural practices. This program will involve community members from the Xení Gwet'in and Yunesit'in First Nations in the Chilcotin region to participate in cultural burning regimes that will provide a range of health, environmental and safety benefits.	\$30,000	Chilcotin
Indigenous Healing and Rebuilding	School District 43 Coquitlam	Propagating Indigenous Medicine @ the Earth Spirit Healing Forest and Medicine Garden (ESHFMG): This project will empower Indigenous youth and their community to propagate, grow and steward food and medicine plants in the Tricity region. The program aims to support rebuilding and healing through traditional ways of learning, growing, and eating.	\$21,200	Coquitlam
Indigenous Healing and Rebuilding	Dan's Legacy Foundation	Land-based Intervention Therapy Program: This project will provide opportunities for at-risk Indigenous youth to experience the healing through land and connect to their culture and communities. The aim is to help youth to gain insight into the trauma origins of their mental health and addictions issues, and feel empowered to begin working towards their education, employment and recovery goals.	\$30,000	New Westminster
Indigenous Healing and Rebuilding	Métis Nation British Columbia	"In the Words of Our Elders" (IWOE) - Michif Language Revitalization: This project will bring together Métis youth, Michif-speaking Elders and Knowledge Keepers for a 12-week language and culture program. Each session will be recorded and available online to thousands of other Métis youth and community members across the province via the Métis Nation British Columbia website.	\$30,000	Surrey
Indigenous Healing and Rebuilding	Aunt Leah's Independent Life Skills Society	Aunt Leah's Connections Program: Interrupting the cycle of Foster Care: This project will help provide individualized and cultural-based support to Indigenous youth and young families previously (and currently) connected with foster care, in order to interrupt the cycle of Indigenous children entering the care system.	\$30,000	New Westminster

Indigenous Healing and Rebuilding	Atira Women's Resource Society	Waaban Outreach Support to First Nations, Métis & Inuit Women (Waaban): This project will use a support worker to support Indigenous women who are experiencing or have experienced violence, homelessness, and/or involved in sex work, and/or struggle with substance use, mental health challenges and trauma associated with the legacy of the residential school system, the Sixties scoop, and the foster care system.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Cheam First Nation	Healing Canoe Journey in Honour of Missing and Murdered Indigenous Women and Girls (MMIWG): This project will involve the Sto:lo Nation communities along the Fraser River in a traditional two-day "Healing Canoe Journey in Honour of MMIWG". Paddlers will travel from Hope to Kwantlen stopping at five First Nations communities along the way to share meals, listen to keynote speakers, enact protocol, remember MMIWG individuals, create open forums to foster healing and have elders mentor the youth.	\$30,000	Rosedale
Indigenous Healing and Rebuilding	The Yoga Outreach Society	The Indigenous Children & Youth Yoga & Mindfulness Project: This project will offer healing for children and youth and the broader community through trauma-informed yoga. An innovative program will be created to train 60 - 120 educators and frontline mental health workers in using yoga-based tools that have the potential to impact the emotional, mental, spiritual, and physical healing for Indigenous children and youth and their communities.	\$30,000	Surrey
Indigenous Healing and Rebuilding	Carrier Chilcotin Tribal Council	Keyoh What'en, Däkelh Keyoh Hubughunek 'Ulhtus (Grease Trail Ride): This project will facilitate the connection of Indigenous youth with their culture, communities, and families. Project activities include a five-day horseback ride on the traditional Grease Trail, an important trail network historically used by the Däkelh Keyoh people, where at-risk youth will learn traditional Däkelh cultural and wellness activities from Elders and Knowledge Keepers. Youth will ride to a Nation Gathering of approximately 300 people for an additional three days, where they will have the opportunity to share their experience with their communities and be honoured for their journey by Elders of the Southern Däkelh Nation.	\$27,978	Williams Lake
Indigenous Healing and Rebuilding	Signal Hill Elementary	Signal Hill Elementary Healing Through Harvest: This project will provide a "seed to table" educational journey which aims to deeply engage 425 students (Kindergarten to Grade 7) and their families. The main objectives are to deliver a series of educational experiences around food production from seedlings to germination, sapling, establishment, and finally harvest. Alongside this will be education in local cultural practices for the sourcing and preparation of food, including traditional and contemporary methods of food preparation from our local Indigenous communities Lil'wat Nation and N'Quatqua.	\$29,937	Pemberton
Indigenous Healing and Rebuilding	The Dalai Lama Center for Peace and Education	Heart-Mind in the North Phase 2: Facilitator Training: This project will help the Heart-Mind Well-Being (HMWB) program build its long-term capacity to offer workshops within Fort St. John and nearby regions by developing a network of HMWB trainers in Northern BC. HMWB workshops will include up to 30 participants who are well-positioned as service providers, parents, and educators within the Fort St. John community to provide the many children and families they support with culturally-relevant, evidence-informed ways to promote resilience and social and emotional well-being.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	The Downtown Eastside Women's Centre Association	Culture as Medicine: Holistic Healing & Rebuilding for Indigenous Women in Vancouver's Downtown Eastside: This project will provide support to Indigenous women facing multiple issues including street-based and domestic violence, residential school and intergenerational trauma, substance use, and cultural isolation.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Kw'umut Lelum Child and Family Services Society	Hope and Health at Home "H3" Program Expansion: This project will focus on bringing H3 programming into four new communities and to pilot a new channel of H3 basketball specific curriculum to broaden the overall reach and benefits to Indigenous children, youth and their communities.	\$30,000	Nanaimo
Indigenous Healing and Rebuilding	Positive Living North	Fire Pit: Cultural Healing Project: This project will support Indigenous adults exposed to trauma, crime and victimization who access Positive Living North's programming. The project aims to improve mental, emotional, and spiritual health through ceremony (e.g. sharing circles, smudges), and improve physical health through life-skills training.	\$29,921	Prince George

Indigenous Healing and Rebuilding	NEC Native Education College	Wellness Warriors Program: This project will provide students (300 full-time equivalents, ages 18-65) with 20 hours of weekly programming over 8 months (specifically, 12 weeks each semester for two semesters) to improve cultural connections, social engagement, and bridge participants to community resources.	\$27,000	Vancouver
Indigenous Healing and Rebuilding	Camp Jubilee	Project ESCAPE: This project will provide a 6-day experience at Camp Jubilee to high-risk, low-income Indigenous youth between the ages of 8-16 years old. Police officers and community support workers will also attend during the week to build positive relationships with the youth. The program is a partnership between Camp Jubilee and the Integrated First Nations Policing Unit, which was established between West Vancouver Police and North Vancouver RCMP to provide enhanced policing services that are culturally sensitive and responsive to the Squamish and Tsleil-Waututh Nations.	\$30,000	Port Moody
Indigenous Healing and Rebuilding	The Upper Skeena Development Centre Society	Senden Summer Holistic and Healing Program: This project supports at-risk Indigenous youth by connecting them with land-based and cultural activities that will improve their mental health and well-being. This program matches at-risk youth with Elders, traditional knowledge keepers and cultural facilitators to engage in seasonal, land-based activities twice a month.	\$30,000	Hazelton
Indigenous Healing and Rebuilding	Providing Advocacy and Counselling & Education Society	Indigenous Healing Circle: This project facilitates healing and justice among Indigenous women currently or formally involved in sex work by placing an emphasis on healing and rehabilitation to prevent future harms at both the individual and community levels.	\$25,000	Vancouver
Indigenous Healing and Rebuilding	WISH Drop-In Centre Society	The Aboriginal Health & Safety Project (AHSP): This project will be part of the continuum of Indigenous-led culturally-safe programming for marginalized, sex-working Indigenous women, and is designed to meet women wherever they are at on their healing journey. It offers real, practical supports around housing, advocacy, detox/treatment: pressing needs that, if fulfilled, can help women make meaningful changes, stabilize their lives and resist violence and exploitation.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Indian Residential School Survivors Society	Healing through Culture and Letting Go: Tribal Journeys 2020: This project will engage Residential School Survivors and their multi-generation families and communities in a healing journey culminating in their participation at the Tribal Journeys 2020 in Snuneymuxw. There will be 1 Elder and 1 trained Residential School Survivors Society Support Worker for every 10 participants, who will work with them from April 1, 2020 to the end of the Tribal Journey on August 1, 2020.	\$29,795	North Vancouver
Indigenous Healing and Rebuilding	Powell River Educational Services Society	K'ak'em ('to be alive') Traditional Plant Medicine Initiative: This project will re-invigorate local plant knowledge among members of Tla'amin First Nation and support the creation of a stewardship plan for the rich cultural reservoir that is embodied in the medicine plants within their traditional territories, as a gateway to individual and community healing.	\$28,935	Powell River
Indigenous Healing and Rebuilding	Together We Can Drug & Alcohol Recovery & Education Society	Igniting the Fire Within: This project will promote Indigenous culturally based healing for indigenous clients attending substance abuse treatment at Together We Can. The project expects that through formal and informal learning opportunities, they will increase the rate of sustained sobriety which will yield positive outcomes in the client's wellness.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Atira Women's Resource Society	Elder-in-Residence Program (EIR): This program will target Indigenous women who are experiencing or have experienced violence, homelessness, and/or are involved in sex work, and/or struggle with substance use, mental health challenges, and trauma associated with the legacy of residential school system and discriminatory child welfare policies. The EIR program connects the women with an Indigenous Elder and grounds their work, enabling the program to be spaces of cultural safety.	\$30,000	Vancouver

Indigenous Healing and Rebuilding	Bridges for Women Society	Indigenous Women's Healing & Outreach Program: This program is a trauma-informed, culturally safe program that aims to inspire Indigenous women impacted by violence, abuse, trauma and intergenerational trauma, as well as families and communities of the W'SANEC & Coast Salish territories to heal and rebuild their life through counseling, training and relationship building.	\$30,000	Victoria
Indigenous Healing and Rebuilding	Right To Play	PLAY Youth Leadership Symposium - Developing Coping Skills through Cultural Programming: This program brings two Indigenous youth from each of the 24 PLAY partner communities from across British Columbia to the PLAY Youth Leadership Symposium. During the Symposium, youth learn about holistic health and well-being, healthy coping skills, and practical leadership skills in order to be able to share what they learned back with their community.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Campbell River Volunteer Society	Building Our Community Pathway to Healing: This project will focus on the organization of a series of community events, including experiential workshops, the development of reconciliation plans for selected organizations and the creation of a cultural audit tool to increase Campbell River citizens' understanding of Indigenous experiences. The project will include topics such as discrimination and trauma, and will increase awareness and commitment for supporting the healing of Indigenous families and individuals.	\$30,000	Campbell River
Indigenous Healing and Rebuilding	Frontier College	Literacy Catalyst (Vancouver Island): This project will support the healing and rebuilding of individual and collective relationships to reading, learning, and education in partnership with Pacheedaht First Nation. Over the long term, the project will enhance community capacity to sustain ongoing community-based literacy support.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Native Courtworker and Counselling Association of BC	Indigenous Justice Forums Project: This project will host 2 forums for up to 100 participants including elders, local leaders and partner agencies who will engage community members to collectively address systemic change, promote cultural-based healing, and propose Indigenous led solutions. The project aims to strategize on how to address the issues of child protection, violence against Indigenous women and girls, and exploitation/human trafficking.	\$30,000	North Vancouver
Indigenous Healing and Rebuilding	BC Women's Health Foundation	Holistic Indigenous Health Programming: This project will be undertaken by BC Women's Indigenous Health Program and the objective is to provide support for the emotional and spiritual needs of Indigenous patients and their families at the Children's + Women's Hospital site.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Métis Provincial Council of BC	Métis Youth Governance Forum: This project will encourage and support Métis Youth to become involved with their Nation through Youth Governance opportunities. Métis Youth are the future leaders of the Nation and it is pivotal that they are equipped with the tools, information and training to move into leadership roles within their Communities, Regions and Nation. The forum will bring together twenty Métis Youth between the ages of 15 and 30 from across British Columbia.	\$30,000	Surrey
Indigenous Healing and Rebuilding	Ka:'yu:'k't'h'/Che:k'tles7et'h' First Nations	Kyuquot Warrior Program: This project will target young First Nations men from remote communities who are vulnerable to participating in criminal activities and who face addiction challenges. This leadership program brings together adult mentors to support at-risk youth by spending one evening per week helping others and learning in their community and one weekend per month out on traditional territory learning their People's teachings and stories.	\$30,000	Kyuquot
Indigenous Healing and Rebuilding	Huu-ay-aht First Nation	Huu-ay-aht Warrior Program: This project is a traditional land-based leadership program that targets young First Nations men from remote communities who are vulnerable to participating in criminal activities and experience substance misuse challenges. The Warrior program model weaves survival skills, leadership development, wellness information and facilitation skills together while teaching young men how to lead this program for our Nation.	\$30,000	Port Alberni

Indigenous Healing and Rebuilding	School District 57 Prince George/Harwin Elementary	Bringing traditions back to our families: This project will aim to reduce the impact of trauma and violence for students and families through land-based teachings of traditional knowledge. The target group includes all 280 students in Harwin Elementary school (Kindergarten to Grade 7) and their siblings and family members. The project activities will include carving, drumming, beading, hiking, snowshoeing, restorative justice circles, and more.	\$23,630	Prince George
Indigenous Healing and Rebuilding	Coldwater Indian Band	C'eletkwmx, an Nle'kepmx People - Coldwater Elders Heritage Project: This project will help develop and maintain a C'eletkwmx Cultural Program. There will be four Elders/Knowledge Keepers who are knowledgeable in Nle'kepmxcin (language), traditional culture and practices to inform the program development.	\$30,000	Merritt
Indigenous Healing and Rebuilding	First Nations Health Authority	Youth Leading Youth Advisory Committee for Life Promotion: This project will bring together 15 First Nations youth and two Elders with the goal of empowering youth with lived experience in trauma, suicide and mental health concerns to contribute to the wellness of their communities and guide youth-specific mental wellness strategies. Through monthly teleconferences, an online learning portal and bi-annual three-day in-person meetings, Indigenous youth will steer a collaborative process focused on establishing best practices for youth-focused healing, mental wellness promotion and suicide prevention.	\$29,500	Vancouver
Indigenous Healing and Rebuilding	Stz'uminus First Nation	Yuse uoe i p - To Go Together: This project will increase the health and strength of families and their communities. This project will build upon other services and workshops that support awareness of trauma and systemic issues caused by colonization and the Indian Act, our counseling services and our Comprehensive Community Plan. Each session will begin with a meeting of the children, women and men in separate meeting spaces and conclude with all eating and sharing together with the intention of relating in new ways.	\$14,610	Ladysmith
Indigenous Healing and Rebuilding	Dze L K'ant Friendship Centre Society	Family Support Worker: Missing and Murdered Indigenous Women and Girls (MMIWG): This project will ensure that the MMIWG family support worker can continue to support families during the healing mural project that will involve local families through the MMIWG Commemoration Fund (planned for April-September 2020). Indigenous women, girls and close family members of MMIWG will participate in the healing and rebuilding activities.	\$29,866	Smithers
Indigenous Healing and Rebuilding	Skwah First Nations	The Gathering: This project will work on connecting the Skwah First Nations community in language (Halq'emeylem), story-telling, Elders shares, beading, weaving, coastal jams, long house and traditional gatherings. There are 395 active members at Skwah, as well as surrounding Pilat communities such as Skway and Cheam that will be targeted for engagement.	\$23,480	Chilliwack
Indigenous Healing and Rebuilding	The Yoga Outreach Society	The First Nation Women's Yoga Project: This project will incorporate healing for women, their families, and the broader community through trauma-informed yoga (TIY). A unique 80-hour TIY facilitator training program will be developed specifically for First Nations women, and a pilot project will be implemented in Port Hardy for local First Nations communities.	\$30,000	Surrey
Indigenous Healing and Rebuilding	Victoria Native Friendship Centre	Indigenous Youth Warrior Program: This project will provide free programming for youth ages 7-12, focusing on healthy youth relationships and communication skills for healing inter-generational trauma from witnessed family violence. The project is off-shoot of the adult warrior program already in operation for many years that tackles domestic and intimate partner violence.	\$30,000	Victoria
Indigenous Healing and Rebuilding	School District No 57 Prince George	All Nations Basketball: The project will provide at-risk, vulnerable Indigenous students with a high level of sports coaching and programming. The program will develop the students' capacities to engage in sports by using the Sport for Life's Indigenous Long-Term Athletic Development Model. This program will offer two separate 5-day camps for students aged 8-12 years old, and an opportunity for Indigenous youth aged 13+ to develop their coaching abilities.	\$17,350	Prince George

Indigenous Healing and Rebuilding	Office of Indigenous, Academic and Community Engagement - University of Victoria	Traditional Healing Project for Indigenous Students: This project will provide an opportunity to address emotional, physical, mental and spiritual needs, in a culturally responsive way, of the over 1400+ Indigenous students attending UVic. Traditional programming may include activities such as wellness days with Elders and healers; land-based programming with traditional food gathering and processing; water-based programming such as canoeing and kayaking; and sweatlodge ceremonies.	\$30,000	Victoria
Indigenous Healing and Rebuilding	Nusdeh Yoh School	Nusdeh Yoh Aboriginal Choice School Eagle Nest Summer Day Camp: This project will be a 3-week First Nations land-based summer day camp. The summer day camp will incorporate traditional knowledge through experiential outdoor environments and activities. The project will be held in partnership between Nusdeh Yoh School, School District 57, Prince George Native Friendship Centre and Right to Play Canada.	\$17,100	Prince George
Indigenous Healing and Rebuilding	New Horizons Indigenous Association	Gathering of Nations: Healing from Intergenerational Trauma: This project will bring together 14 member First Nations in the north to host a four-day gathering in July, 2020 that focuses on healing from intergenerational trauma(s). The gathering will include the use of ceremonies, protocols, Indigenous languages, psycho-educational workshops, healing circles, and feasts to meet its objective of contributing to healing from intergenerational trauma(s).	\$30,000	Saanich
Indigenous Healing and Rebuilding	Circle of Indigenous Nations Society	Tiyatana Meyelo - Aboriginal Womens Healing Gathering: This project will be a 4-day conference for 30 Indigenous youth and women to "come home" (reconnect with their culture and traditional ways). The project will be based on Indigenous practices and traditions that will support healing, strengthen cultural identity, and support community belonging. The structure of this conference will be based on medicine wheel teachings and will include various activities.	\$28,505	Castlegar
Indigenous Healing and Rebuilding	Lake Babine First Nation	DUDES CLUBS - TACHE, FORT BABINE, WOYENNE: This project will help improve the holistic health outcomes of the men of Lake Babine Nation by building three Dudes Clubs in the communities of Tachet, Fort Babine and Woyenne (Burns Lake). The project will focus on wellness, support, healing, and building community, while having an approach based on Lake Babine culture and traditions.	\$30,000	Burns Lake
Indigenous Healing and Rebuilding	Peers Victoria Resources Society	SACRED - A program by and for Indigenous Women in Sex Work/Trade: This project will be a peer based program by and for Indigenous women and two spirit people in and from the sex trade. The objective of the program is to provide a healing and community-building space that supports connecting with local nations, home nations and families, connecting with the land and learning and sharing Indigenous culture with diverse knowledge keepers and artists, primarily from coastal nations.	\$29,904	Victoria
Indigenous Healing and Rebuilding	Oasis Society for the Spiritual Health of Victoria	Supporting the Sacred Journey: This project will support Indigenous Women and Men facing intergenerational trauma and homelessness; the project will also have assistance from the Immigrant and Refugee Centre Society. The project will address healing of intergenerational trauma through connections to self, others, Elders, ceremony and nature.	\$30,000	Victoria
Indigenous Healing and Rebuilding	Young Women's Christian Association (YWCA Metro Vancouver)	Circle of Sisters Indigenous Mentorship: This project will provide meaningful connections, guidance and holistic support for young self-identified Indigenous girls (mentees), as well as their mentors, to create mutually beneficial relationships that promote individual and collective healing and growth.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Dzawada'enuxw First Nation	The G a l g apota Together Holding Hands Program: This project will assist the community wellness of Kingcome Inlet in overcoming the effects of colonization and residential school. The project seeks to increase community connectedness and reduce lateral violence through a series of workshops using the constellation family therapy method.	\$30,000	Kingcome Inlet

Indigenous Healing and Rebuilding	Witsuw, en Language and Culture Society	Witsuwit'en K'iyelhdicn'i neetatgehk (Witsuwit'en speakers they will heal): This project will serve approximately 15-20 fluent Witsuwit'en speakers. The participants will meet once a week to participate in a half-day healing session using Indigenous Focusing-Oriented Therapy (IFOT) followed by a half-day of traditional activities, with opportunities for a mini follow-up session with the IFOT specialist if necessary. Topics of discussion will include, but are not limited to, the following: grief and loss, violence, childhood trauma, and intergenerational trauma.	\$20,200	Witset (Moricetown)
Indigenous Healing and Rebuilding	Whe-La-La-U Area Council Society	Whe-La-La-U Healing Families & Rebuilding Community: This project will assist the community in restoring their community pride and the traditional Kwakwaka'wakw teachings by bringing their Hereditary Chiefs, and Matriarchs together with families and youth to share who they are as Kwakwaka'wakw People.	\$30,000	Alert Bay
Indigenous Healing and Rebuilding	Northwest Inter-Nation Family and Community Services	Everyday Communications Initiative: This project will provide a platform for youth, families and the community to engage in healthy communication practices. The program will offer experiential learning to a cohort of youth. These youth leaders will then share what they learn with their families and community. A main pillar of the program will be to use cultural song for youth to find and use their voices.	\$30,000	Terrace
Indigenous Healing and Rebuilding	Snuneymuxw Youth and Family Society	Q'ushin'tul (Walking Together): This project will be an outreach project offered through Cedar Woman [Transition] House and in partnership with BC Housing. Q'ushin'tul will provide an opportunity for up to 20 Snuneymuxw families to learn their Ancestral teachings, knowledge and traditions regarding wellness.	\$30,000	Nanaimo
Indigenous Healing and Rebuilding	Association of Neighbourhood Houses of British Columbia	Circle of Nations: Culture Heals Project: This project will be an opportunity for the Indigenous community at Mount Pleasant to be honoured, celebrated and supported through various customary and ceremonial practices and protocols. The project will support the Circle of Nations families and participants to have input in the decision and planning going into the retreat ie. land based learning, purification lodge teachings, Indigenous focussing oriented trauma therapy sessions, and anything else the families would like to see to promote wellness and healing.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Nanaimo Aboriginal Centre Society	Cultural Engagement Programming: This project will work to restore cultural systems and traditions, and will support the holistic healing of Indigenous youth from the vicarious and intergenerational traumas that have been created by colonial systems. This project will work with Indigenous youth and expose them to variety of different traditional cultural activities.	\$28,950	Nanaimo
Indigenous Healing and Rebuilding	North Kootenay Lake Community Services Society	Wela'lin: Healing through cultural connections: This project will offer ten monthly events throughout the year (for up to 50 participants) for Indigenous people to come together to share cultural activities and traditional teachings. The project aims to build on a sense of community amongst local Indigenous people and their families, and to build healing and connection through traditional practice.	\$30,000	Kaslo
Indigenous Healing and Rebuilding	Crisis Intervention and Suicide Prevention Centre of British Columbia	Mindfulness for Indigenous Youth: This project will provide Indigenous-informed mindfulness practices for urban Indigenous youth and communities residing in the territories of the Squamish, Musqueam, Tsleil-Watuth, Tsawwassen, Kwantlen, Katzie, Kwikwetlem, and Sumas. The project objective is to enhance an already existing evidence-based mindfulness for youth program currently offered by the Crisis Centre and build capacity to offer culturally appropriate programming for urban Indigenous youth.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	W.A.V.A.W./ R.C.C: Women Against Violence Against Women/ Rape Crisis Centre	Indigenous Counselling and Outreach Project: This project will increase services for Indigenous women, trans, Two-Spirit, and gender diverse survivors of sexual assault through outreach, trauma-informed one-to-one counselling and support groups. These services will be delivered using culturally-affirming and holistic approaches that attend to the mental, emotional, physical, and spiritual health of survivors and their families, as services are also available to family members of Missing and Murdered Indigenous Women and Girls.	\$30,000	Vancouver

Indigenous Healing and Rebuilding	KISPIOX BAND COUNCIL	A Real Conversation: Connection+ Conversation = Personal Transform.: This project, led by the Kispiox Band Council, will focus on healing in the community by creating a safe space for people to open up and share their experiences. The project will help the community address the intergenerational impacts of the residential school system by helping community members rebuild pride in oneself and in the community.	\$27,900	Kispiox
Indigenous Healing and Rebuilding	Warriors Against Violence Society	Warriors Against Violence Society Family Healing Project: This project will assist clients in reducing and eliminating domestic violence within families and communities. Through this project, Indigenous elders and facilitators will work as strong role models providing safe, ongoing education and support circles that incorporate traditional teachings and cultural practices. The activities include two weekly sessions consisting of a co-ed group that focuses on learning where anger comes from and utilizing tools provided to prevent violent behaviours.	\$30,000	Vancouver
Indigenous Healing and Rebuilding	Doig River First Nation	Tsaa? Che Ne Dane Cultural Healing: This project will teach the younger generation about the history of traumatic events in their family and community, and how these events have impacted their lives. The project will also build a new foundation of trust, holistic and traditional healing, which will serve as a bridge to the future and a way to celebrate and maintain the cultural and traditional ways of family.	\$30,000	Rose Prairie
Indigenous Healing and Rebuilding	Ooknakane Friendship Centre	Healing and Rebuilding Through Shared Life Experiences: This project will facilitate an opportunity for New Canadians to learn about the deep rooted impacts of Residential Schools from local Elders. In return, the Indigenous community/ies will have the opportunity to hear and record the stories of New Canadians and their peoples and their journey to Canada.	\$3,499	Penticton
Restorative Justice	Victoria Restorative Justice Society	Complex Case and Victim-Centred Restorative Justice Service Delivery: This project will provide safe and effective service delivery and supports that prevent victim re-traumatization, and that will enhance staff and volunteer capacity for victims and offenders involved in complex cases. The project will leverage case management of complex files or files with victim participation, trauma-informed victim support, volunteer capacity building, and advanced training for staff and volunteers for serving vulnerable clients and victims of crime.	\$29,835	Victoria
Restorative Justice	Maple Ridge Pitt Meadows Community Services	Program Assistant Project: This project will increase capacity, service delivery, awareness building and participant and volunteer support through the hiring of a Program Assistant to take over administrative tasks, and volunteer recruitment strategy and processes. The project will allow for more timely service to participants within the program, partners/referral sources, and volunteers and will allow the program to build awareness.	\$29,898	Maple Ridge
Restorative Justice	Just Outcomes Canada, LLP	Restorative Justice 101 for Victim Services: This project will pilot an online course on restorative justice and its operations in British Columbia intended for victim services stakeholders. The course will help increase the consistency, quality and accessibility of restorative justice-related education for victim service and assist victim services personnel in making informed choices about community partnerships and referral options for their clients.	\$29,975	Fort Langley
Restorative Justice	Peace of the Circle	Building Partnerships for Restorative Justice in Vancouver: This project will bring together core justice stakeholders including law enforcement, Indigenous justice, judicial services, victim services, and other community agencies to advance the potential for restorative justice services in the City of Vancouver through strategic meetings on relationship building, planning/visioning, and the formation of a multi-stakeholder task force on restorative justice.	\$30,000	Vancouver
Restorative Justice	North Shore Restorative Justice Society	Access to Restorative Justice for Diverse Communities: This project will improve access to and participation in restorative justice processes in North Vancouver, West Vancouver, Bowen Island and Squamish through the participation of Indigenous, immigrant and refugee, LGBTQ2S+ and persons with disabilities communities. The project will include training sessions and events, partnership development, translation of written materials and forms, support for diverse and socio-economically vulnerable participants, improved data collection, and targeted community outreach and dialogues.	\$30,000	North Vancouver

Restorative Justice	Nanaimo Region John Howard Society	Nanaimo Restorative Justice Program Awareness Initiative: This project will increase staff hours for the Nanaimo Region John Howard Society's Restorative Justice Program to build program awareness among new and existing referral sources as well as create a strong network of community supports. Restorative Justice staff will provide four presentations to 50 RCMP members, three workshops to 10 Crown Counsel, individual consultations to at least 8 referral agents, and five workshops to up to 30 Nanaimo-Ladysmith Public School staff in order to strengthen partner relationships and build program awareness.	\$28,808	Nanaimo
Restorative Justice	Salt Spring and Southern Gulf Islands Community Services Society	Strengthening Restorative Justice on Salt Spring Island Project: This project will build the organizational capacity of Restorative Justice Salt Spring (RJSS) to secure 6 - 10 new volunteers for the program and train them in victim-centered restorative justice casework practices. The project will also develop an evaluation method to assess the program's work with participants, as well as increase community outreach and education to increase program referrals.	\$16,230	Salt Spring Island
Restorative Justice	City of Nelson / Nelson Police Department Restorative Justice	NPDRJ Expansion Project: This project will initiate a strategic planning process with the Nelson Police Department Restorative Justice staff, build relationships at the School District level and with Parental Advisory Committees, provide advanced training sessions in victim-centred practice and violent crime, and deliver training for volunteers on community engagement and presentation skills.	\$29,960	Nelson
Restorative Justice	Fraser Region Community Justice Initiatives	Widening the Lens Symposium - Honouring Diversity, Identity, and Equity in Restorative Justice Spaces: This project will promote culturally-responsive and culturally-safe practices in restorative justice through awareness-building and capacity development for restorative justice programs and practitioners through a one-day symposium, which will explore issues of diversity and inclusion that impact participant safety, and identify areas in need of capacity-building for cultural-awareness and safety in restorative justice practice. The project will also provide a one-day training session for RJ and victim service programs and other justice stakeholders on anti-oppression principles, intersectionality, and cultural safety practices.	\$30,000	Langley
Restorative Justice	Restorative Justice Program of the Sunshine Coast	Grounding the Circle Through Partnership: This project will develop a new volunteer management service for the restorative justice program; enhance the role of mentors for victims through training in interview techniques, participant impact statements, in-person support, and specialized trainings through new and existing partnerships; and provide more effective communications with RCMP and court by housing a roving RJ coordinator in the detachment for designated hours.	\$30,000	Sechelt
Restorative Justice	John Howard Society of Victoria	Restorative Justice Program Expansion: This project will increase the capacity of John Howard Society of Victoria's School-Based stream and the Vancouver Island Regional Correctional Centre, which targets youth (12 - 18 years of age) who have caused harm at school, and encourages them to take accountability for their actions and work collaboratively to repair the harm.	\$29,000	Victoria
Restorative Justice	Williams Lake Community Council for Restorative Justice	Website Development and Capacity Building: This project will develop a website for the Williams Lake Community Council for Restorative Justice that will include secure internal links for 48 volunteers to have access to up-to-date information and forms, as well as provide general information for the public, including social service agencies and victims of crime, about the restorative justice program in Williams Lake and area. The project also will support facilitator training for 10 to 15 new volunteers, peacemaking circle training for 10 to 15 current facilitators, and facilitator upgrading for 25 current certified facilitators.	\$23,550	Williams Lake
Restorative Justice	Okanagan Boys and Girls Clubs (OBGC)	Youth Restorative Justice - Peace Circle Project: This project will facilitate Peace Circles to resolve conflicts among youth ages 11 to 24 who are at risk of becoming criminally involved. The project will train 20 staff and volunteers to deliver Peace Circles to approximately 40 to 50 youth that will allow adults and youth to collaborate on youth-led solutions that effectively reduce school suspensions, disengagement and drop outs, anti-social and maladaptive behavior, and vandalism or mischief crimes.	\$30,000	Kelowna
Restorative Justice	Terrace Community Justice Forum Program	Terrace Restorative Justice Initiative: This project will hire a part time employee to increase critical recruitment, training and mentoring of existing and new volunteers and update of policies and forms to uphold new best practices, as well as to build critical relationships with referral sources including Crown council, School District #82, the City of Terrace, Indigenous Justice Programs, and Federal and Provincial Government agencies.	\$30,000	Terrace

Restorative Justice	Abbotsford Restorative Justice & Advocacy Association	Community Dialogue 2020: This project will expand the Abbotsford Restorative Justice program's provision of restorative practices related to the conflict between local vulnerable community, businesses, residents and other organizations in Abbotsford through the inclusion of the homeless population, businesses, and residents through multiple community dialogues.	\$27,620	Abbotsford
Restorative Justice	Fort Nelson First Nation	Fort Nelson First Nation Restorative Justice Community Engagement Project: This project will aim to increase referral rates, address victim needs for information about justice options, increase opportunities for public and school restorative justice education, while increasing program capacity and educating stakeholders through three separate trainings for participants from Fort Nelson First Nation staff, members of the community, RCMP, Chalo School and School District 81 staff, along with other service providers within the community.	\$30,000	Fort Nelson
Restorative Justice	City of Campbell River / Campbell River RCMP Restorative Justice Program	Campbell River Restorative Justice Program Expansion Project: This project will enhance the current police based Restorative Justice Program by expanding its capacity to address non-criminal issues in School District 72 and the three First Nation Communities within the city of Campbell River through developing partnerships, increasing awareness of the program, recruiting new volunteers, and organizing Community Justice Forum Facilitator Training.	\$28,000	Campbell River
Restorative Justice	Warmland Restorative Justice Society	Youth Mentoring Program: This project will train up to 12 community volunteers to actively participate in the Restorative Justice process through involvement in intake interviews, establishing a connection with the responsible party, assisting youth to prepare for the community justice forum, organizing community service placements, and conducting exit interviews.	\$20,000	Duncan
Restorative Justice	Cranbrook and District Restorative Justice Society	Coordination and Support for Small Community Restorative Justice: This project will increase collaboration among the community based restorative justice organizations in the Kootenay and Boundary region, encourage further RCMP referrals, provide support to communities for the purposes of referral management, and provide facilitator training, mentoring and certification.	\$11,600	Cranbrook
Restorative Justice	Touchstone Family Association	StreetSmarts Mentorship Project: This project will target at-risk youth who are vulnerable to re-offending by matching them with a peer mentor for two to three hours per week to engage in pro-social activities such as sports, tutoring, and volunteering.	\$30,000	Richmond
Restorative Justice	Whispering Pines/Clinton Indian Band (Secwepemc Community Justice Program)	Community RJ4ALL: This project will provide restorative justice training for community members, existing Indigenous programs, and various justice stakeholders; raise awareness about the RJ program; as well as help reduce the rates of crime and incarceration among Indigenous people. The project includes a train the trainers course, a community justice forum and peacemaking circle facilitators training, and a two-day healing circle workshop.	\$17,655	Kamloops
Restorative Justice	Chilliwack Restorative Justice and Youth Advocacy Association	Training 2020: This project will provide specialized training for 22 restorative justice volunteers and three staff members on FASD, dealing with difficult clients, ethics, conflict resolution, addictions, grief, and interviewing.	\$5,875	Chilliwack
Restorative Justice	Community Justice Centre of the Comox Valley Society	Enhancing Awareness of Restorative Justice Through the Arts: This project will bring to the community a multi-arts-based series of presentations which highlight the sources and effectiveness of restorative justice and restorative practices for building a stronger community.	\$29,970	Courtenay
Restorative Justice	LIFT Community Services of Qathet Society	qathet Community Justice: This project will focus on the development of a Restorative Justice Program within the local school district as well as partnering with the local RCMP to provide conflict resolution services, training and workshops, and coordinate public education and engagement events.	\$30,000	Powell River

Restorative Justice	Lytton First Nations	Lytton Restorative Justice and Education Program: This project will leverage Nlaka'pamux traditional and cultural healing methods to prevent recidivism and create healthy families through circle practices in working with program clients in order to assist them with court applications, affidavits, family maintenance, healing circles, referrals to programs, and finding appropriate legal counsel.	\$30,000	Lytton
Restorative Justice	Restorative Justice Society - North Okanagan	Develop a Restorative Justice Interview Framework: This project will develop a Restorative Justice interview framework for staff and volunteers in restorative justice programs/services with a victim-centred approach and an offender-accountability focus. The Restorative Justice Interview Framework will use the Canadian Victims Bill of Rights as a primary working document to develop resources to meet the needs of victims of crime involved in RJ processes.	\$19,630	Vernon
Restorative Justice	John Howard Society of Okanagan & Kootenay	Creating Restorative - Trauma Informed Policies, Procedures, Training Resources and Materials: This project will create restorative and trauma informed policies, procedures, training resources and materials for staff, volunteers and community members of the John Howard Society of Okanagan & Kootenay with the goal of increasing understanding for clients using the restorative justice program.	\$30,000	Kelowna
Restorative Justice	School District 48 Sea to Sky	Peace Circles and Decreasing the Suspension Rate through Trauma Informed Practice: This project will train a cohort of administrators, counsellors, Indigenous support workers, and other community partners to help support students, families and the community in Whistler and Pemberton.	\$30,000	Squamish
Restorative Justice	Kwadacha Nation	The Bringing Victims to the Forefront - Increasing Their Voice: This project will assist victims of crime and persons who have been harmed as a result of criminal behaviour to receive assistance and support with the criminal justice system through involvement in the Restorative Justice process.	\$30,000	Prince George
Restorative Justice	North Peace Justice Society	Community Collaboration for Program Expansion: This project will expand the North Peace Justice Society services to non-criminal conflict as well as post-judicial case files and continue to offer services free of charge to members of the community.	\$30,000	Fort St John
Restorative Justice	Communities Embracing Restorative Action Society	Law Enforcement Awareness Project (L.E.A.P.) : This project will provide eight presentations to Coquitlam and Port Coquitlam RCMP officers on restorative justice, its effectiveness, and how to make referrals to the local RJ program.	\$11,500	Coquitlam
Restorative Justice	Restorative Justice Association of BC	RJABC Operations - Year 2: This project will support the association to continue to build membership and provide support and advocacy for RJ programs and service providers in BC.	\$120,000	Province-wide
Restorative Justice	Sto:lo Service Agency	Indigenous Justice Program (IJP) Internal Capacity Building: This project will gather regional information on the needs of IJP programs and provide training for each region within BC.	\$30,000	Province-wide
Violence Against Women – Domestic Violence and Sexual Assault	Shelter Movers	Shelter Movers - Lower Mainland Service Expansion: This project will offer free moving, storage, and security services to survivors of abuse and their children in the Lower Mainland. As the only organization of its kind in BC, Shelter Movers helps remove the logistical, financial and emotional barriers to leaving violence.	\$30,000	Burnaby

Violence Against Women – Domestic Violence and Sexual Assault	North Shore Women's Centre Society	Sexual Assault Resistance for Young Women: This project will focus on decreasing sexual violence for young women aged 16-19 years old through the implementation and promotion of an evidenced based sexual assault resistance program, Flip the Script. This program is designed to empower self-identified women to trust their judgement, understand where risk of sexual assault really lies, and overcome social pressures in order to protect themselves.	\$13,550	North Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Paws for Hope Animal Foundation	Crisis Foster Care Program: This project will develop a provincial crisis foster care program to provide temporary homes for pets of women who are fleeing domestic violence. The goal is to eliminate the barrier that pets present to women who may delay or avoid leaving their abuser, out of fear for their pets safety, should they leave a pet behind. The objective is to create foster care spaces for 60 pets in 2020, growing to 300 spaces by 2024.	\$30,000	Maple Ridge
Violence Against Women – Domestic Violence and Sexual Assault	Cythera Transition House Society	Cythera "On-Demand" Counselling Program: This program will provide individual counselling support sessions to women (including youth from 15 to 18) requesting services for domestic violence, abuse, or sexual assault, with the prioritization of Indigenous women. The objective is to meet the immediate needs of women who access the program by providing them with counselling support to stabilize their life situation.	\$30,000	Maple Ridge
Violence Against Women – Domestic Violence and Sexual Assault	Dixon Transition Society	Phase Two: Promoting Cultural Safety and Indigenous Focused Service Delivery: This project will support Indigenous women who are survivors of domestic violence by expanding on Dixon Transition Society's (DTS) current efforts to build strong and collaborative relationships with Indigenous organizations to enhance service delivery, and by implementing a culturally safe Indigenous component into DTS's programs.	\$30,000	Burnaby
Violence Against Women – Domestic Violence and Sexual Assault	Archway Community Services	Self Discovery Support Group for South Asian Women: This project will deliver two support groups (Level 1/Level 2) for high-risk, Punjabi-speaking women who experience intimate partner violence. The Level 1 curriculum includes abuse and its cycle, safety and children, self-care and rebuilding self-esteem, and the Level 2 curriculum includes a review of psycho-educational teachings, parenting roles and forgiveness.	\$19,761	Abbotsford
Violence Against Women – Domestic Violence and Sexual Assault	Howe Sound Women's Centre Society	Supportive Pathways Pilot Project: This pilot project will increase survivor-victim attachments to Sea to Sky based services through increasing regional awareness of current gateways to service available to survivor-victims who disclose sexual assault. The project will also provide trauma-informed, culturally safe supports to 8 to 30 survivors of sexual assault seeking medical attention or forensic examinations at Squamish General Hospital, or other disclosure sites.	\$30,000	Squamish
Violence Against Women – Domestic Violence and Sexual Assault	Ann Davis Transition Society	Sweat Lodge and Cultural Supports Program: This project will provide culturally safe, competent and relevant domestic violence services to address the cultural needs of Indigenous women who access the organization's services. It will integrate both contemporary and cultural traditions to respond to the healing needs of residents as well as their families and communities. Practices will include sweats, talking circles that enable women to share success stories, spiritual support and counselling provided by Elders.	\$22,000	Chilliwack
Violence Against Women – Domestic Violence and Sexual Assault	Surrey Women's Centre Society	We Stand With Her- SMART Hospital Accompaniment: This project will provide an additional 1000 annual hours for support workers to accompany victims of sexual and domestic violence to their local hospital, thereby bridging the gap between medical resources and victim support services. This project will provide trauma informed support to victims during and after their hospital stay.	\$30,000	Surrey
Violence Against Women – Domestic Violence and Sexual Assault	Vancouver and Lower Mainland Multicultural Family Support Services	Prevention and safety of racialized women using technology: This project will focus on prevention and safety of racialized women survivors of violence, including online stalking, harassment, and threats. Interactive activities that are culturally responsive and trauma-informed will engage women to explore available support systems that will enable them to develop their own safety plans and coping strategies.	\$30,000	Burnaby

Violence Against Women – Domestic Violence and Sexual Assault	Xolhemet Society	Women's Support and Outreach Program: This project will support women of all cultural backgrounds as they transition from an abusive and violent domestic environment to a positive, independent and non-violent lifestyle. This project will continue to support these survivors and to help them overcome barriers to accessing services, including addressing housing issues, counseling needs, educational needs, court accompaniment, legal advocacy and any other issues they may be faced with during this time of transition.	\$30,000	Chilliwack
Violence Against Women – Domestic Violence and Sexual Assault	Sunshine Coast Community Services Society (SCCSS)	Women In the Lead Lifting Other Women (WILLOW), Enhancing Sunshine Coast's Response to Domestic Violence and Sexual Assault: This project involves a multi-stage community development approach to meeting the needs of women impacted by relationship abuse and/or sexual assault on the Sunshine Coast. Stage one involves a psycho-educational support group that will introduce the empowerment model to participants. Stage two will focus on skills-development where members will be supported to develop peer support, mentoring and group leadership skills, ultimately leading to a series of self-sustaining support groups.	\$30,000	Sechelt
Violence Against Women – Domestic Violence and Sexual Assault	Cameray Community Fund	Girls Groups: Empowering Sexually Assaulted Girls: This project will deliver two 7-week groups, over the course of one year, for girls who have experienced sexual assault. The focus of these groups is to provide an emotionally safe space for girls to create social connections with other girls who have gone through similar experiences, to provide group counselling support as a means to discuss and work through their difficult life experiences, and to learn about the justice system and court processes.	\$10,000	Burnaby
Violence Against Women – Domestic Violence and Sexual Assault	Métis Provincial Council of BC	Sashing our Warriors Campaign: Expansion Program: This project will support the Sashing our Warriors program that addresses the issue of violence against Métis women and girls through the creation of a mini lapel sash to raise awareness and opportunities for discussion. This project will allow for the distribution of another 10,000+ lapel sashes, and provide support/mentoring for MNBC Chartered Communities to increase capacity to host discussions on this topic and continue to promote discussion across the province about this issue.	\$30,000	Surrey
Violence Against Women – Domestic Violence and Sexual Assault	Northern Lights College	Consent Culture Projects - Northern Lights College: This project will provide workshops for addressing sexual and domestic violence at Northern Lights College campuses: Be More Than a Bystander training, which will address male involvement in violence against women; Let's Get Consensual, which focuses on training student leaders on consent; and Only Yes Means Yes, which focuses on supporting survivors of sexual assault as they navigate the legal system.	\$18,900	Dawson Creek
Violence Against Women – Domestic Violence and Sexual Assault	Prince George Sexual Assault Centre	Come Inside - Phase 2: This project will work to minimize barriers to service and healing for vulnerable women affected by sexual violence through culturally competent, trauma-informed crisis drop-in, outreach and skill-building groups that assist in addressing barriers that make it difficult for these women to access traditional counselling and community services.	\$30,000	Prince George
Violence Against Women – Domestic Violence and Sexual Assault	Northern Society for Domestic Peace	Camp Harassment and Assault Videos: This project aims to improve safety in BC's remotely-based tree-planting camps and decrease the rates at which sexual harassment and assaults occur by producing industry-specific awareness and training videos on consent and bystander intervention.	\$29,700	Smithers
Violence Against Women – Domestic Violence and Sexual Assault	Islands Wellness Society	A Coordinated Community Response to Sexual Assault: This project will develop a 2-day training course for Haida Gwaii professionals and first responders, and two community presentations (one on North island and one on South island). The project's objective is to ensure all agencies respond with a trauma-informed approach and are using a best practice policy for sexual assault response.	\$10,500	Queen Charlotte
Violence Against Women – Domestic Violence and Sexual Assault	City of Prince Rupert - Victim Services	Responding Together: Building Capacity to Prevent Violence Against Women and Girls: This three-part project will create awareness, educational opportunities and capacity building for Indigenous women and girls who are at risk or exposed to issues related to violence in relationships and sexual assault. This project will also improve collaborative relationships between the agencies who work with Indigenous women and girls.	\$19,863	Prince Rupert

Violence Against Women – Domestic Violence and Sexual Assault	Lake Babine Nation	Ending Violence Against Lake Babine Nation Women and Girls: This project will implement anti-violence education and sexual assault prevention programs to protect vulnerable Indigenous women and girls by off-setting some of the social, economic, health and justice impacts that correlate with construction of new industrial projects in the oil and gas and mining sector.	\$30,000	Burns Lake
Violence Against Women – Domestic Violence and Sexual Assault	Bella Coola Community Support Society	Alhxapaliikw lixa: Alh7apq Cncnaasi ("Horse Medicine to be a Brave Girl"): This project will offer an Equine Assisted Wellness Sexual Assault Education and Prevention Program for girls aged 11-19 years. The learning sessions will be facilitated and supported by addiction and trauma and anti-violence specialists. The girls will work in teams, along with a horse, and engage in problem-solving exercises, designed to encourage individual and team growth, self-esteem, and anti-violence information.	\$21,200	Bella Coola
Violence Against Women – Domestic Violence and Sexual Assault	Punky Lake Wilderness Camp Society	Tsilhqot'in Ts'i'iqi Against Violence (Chilcotin Women Against Violence): This project will host awareness sessions about domestic violence and sexual assault designed for women of the Tsilhqot'in Nation. Participants will consist of 20 women from Anaham, Alexandria, Nemiah Valley, Redstone, Stone, Toosey. The facilitator will be Kamal Dhillon, a speaker, author and educator who will bring awareness of domestic violence based on her own experience.	\$10,750	Williams Lake
Violence Against Women – Domestic Violence and Sexual Assault	Fort Nelson Aboriginal Friendship Society	Moving On-Moving Forward: This project will provide a series of workshops for Indigenous, non-Indigenous and immigrant women who have survived domestic violence. The project will also provide workshops for service providers who work with women who are victims of violence. The program will be run in two parts, one for service providers and one for the survivors and their support networks in the community.	\$17,100	Fort Nelson
Violence Against Women – Domestic Violence and Sexual Assault	Lillooet Friendship Centre Society	Someone is Listening "Going Full Circle" Project: This project will support 45 women and girls who are victims of domestic violence, by introducing a 20 hour per week Victims Assistance Counsellor position. This position will address an identified service gap and ease the demand put on current staff by providing supports to women and girls who are taking action against their offender, and providing a culturally sensitive environment and traditional healing options.	\$30,000	Lillooet
Violence Against Women – Domestic Violence and Sexual Assault	South Okanagan Women in Need Society (SOWINS)	Trauma Specific Therapeutic Services: This project focuses on continuing to provide women identifying as Indigenous and non-Indigenous, who have been victims of domestic violence and sexual assaults, with the opportunity to access trauma informed therapy services free of charge. This project will utilize the therapeutic tool of Eye Movement Desensitization and Reprocessing (EMDR) therapy to allow an opportunity for healing that other therapeutic tools cannot provide.	\$30,000	Penticton
Violence Against Women – Domestic Violence and Sexual Assault	Archway Society for Domestic Peace	Support for Sexual Assault Survivors: This project will enhance the response to sexual assault in the North Okanagan by addressing recent service gaps with the hospital sexual assault service and help increase number of sexual assault reports from youth in the region. Activities will include training for community service providers on how to support sexual assault survivors, in-service workshops for SANE nurses, on-call hours for employees to respond to sexual assault survivors after business hours, and high school presentations on healthy relationships and consent.	\$30,000	Vernon
Violence Against Women – Domestic Violence and Sexual Assault	Kamloops Sexual Assault Counselling Centre Society	Prevention, Advocacy, and Counselling Services: This project will provide information, education, and counselling services for clients of Kamloops Immigrants Services (KIS). Activities will include accessible one-to-one Stopping the Violence counselling at KIS, providing outreach services for KIS clientele, increasing KIS agency knowledge about supporting clients affected by relationship violence, and increasing the sexual assault centre's knowledge of supporting culturally diverse clients.	\$30,000	Kamloops
Violence Against Women – Domestic Violence and Sexual Assault	University of British Columbia Okanagan	Finding Our Voice: Through a partnership with Connect Counselling and Therapy Society, this project will provide safe non-judgmental counselling for university women who have experienced domestic violence and/or intimate partner violence. The program will create awareness around the issue, promote and assess safety, create community, and interrupt the cycle of violence. ☐	\$16,396	Kelowna

Violence Against Women – Domestic Violence and Sexual Assault	Princeton Family Services Society	Women Supporting Women: This project will provide a safe place for women who have experienced violence to network and build support. Facilitators will create a trauma-informed and stigma-free environment to ensure personal safety and will offer activities to create pathways for different opportunities at a comfortable pace while assisting participants to best identify their needs, goals and challenges.	\$17,560	Princeton
Violence Against Women – Domestic Violence and Sexual Assault	Central Okanagan Elizabeth Fry Society	Indigenous Victim Service/Outreach: This project will support the organization's ongoing partnership with the Westbank First Nation to provide services to survivors of domestic and sexual violence and to young women at risk of sexual exploitation. This partnership will allow for the continued delivery of a dedicated victim service/outreach program to provide services for Indigenous victims of domestic and sexual violence.	\$30,000	Kelowna
Violence Against Women – Domestic Violence and Sexual Assault	Golden Family Center Society	Create Hope: This project will promote healing and positive change to marginalized women and girls impacted by domestic violence and sexual assault in the community of Golden. The project will offer individual counselling sessions as well as a series of group sessions that combine art therapy and yoga and which will help participants increase their capacity to work through difficult feelings and traumatic experiences in a safe, non-threatening way.	\$25,227	Golden
Violence Against Women – Domestic Violence and Sexual Assault	Canadian Mental Health Association Kootenays	EK-SART- Supported Education and Awareness for Violence Against Women: This project will provide a series of workshops and information sessions that will enhance the community response to domestic violence and/or sexual assault against Indigenous and non-Indigenous women and girls. The project will aim to educate individuals, create safer communities, and connect individuals to available community resources.	\$26,600	Cranbrook
Violence Against Women – Domestic Violence and Sexual Assault	Shuswap Area Family Emergency Society (SAFE)	Community Based Response to Sexual Assault - Outreach: This project will use an anti-violence worker to research, create and implement a community response protocol for sexual assault in the Shuswap area. The project aims to provide effective and timely responses to all victims of sexual assault in Shuswap, to increase community awareness and understanding around the issues of sexual assault, and to develop and maintain effective working relationships among key players who are involved in supporting sexual assault victims.	\$30,000	Salmon Arm
Violence Against Women – Domestic Violence and Sexual Assault	Vancouver Rape Relief Society	The Outreach to Sexual Assault Victims/Survivors Project: This project will use a 24/7 crisis line to deliver safety, support, advocacy, accompaniment, and information for victims of sexual assault and domestic violence, friends and family of victims. Callers to the crisis line will receive one or more of the following: support and information during and after a crisis; risk assessment; safety planning; crisis intervention; accompaniment to police/medical/legal appointments; support groups or peer counseling.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	BC Society of Transition Houses	SPARK: Responding to Teen Digital Dating Violence: This project will respond to the needs of PEACE Program counsellors across BC for technology safety resources for teens experiencing technology-facilitated dating violence (also known as Digital Dating Violence).	\$26,874	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Disability Alliance BC Society	Indigenous Women, Disability, and Violence: Giving Voice to Lived Experiences to Address VAW Service Gaps: This project will address the significant gaps and lack of information in relation to Indigenous women living with disabilities who experience domestic violence and/or sexual assault and the barriers they experience to accessing appropriate and culturally responsive services. Three focus groups will be conducted in three BC regions: Vancouver Island, Lower Mainland, and the Interior.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	W.A.V.A.W./ R.C.C: Women Against Violence Against Women/ Rape Crisis Centre	Sexual Assault Response for Survivors Project: This project will provide cis and trans women, non-binary, and Two-Spirit people and youth with access to feminist, trauma-informed support, healing, and justice following a sexual assault. The Support Worker will provide twenty, 3-hour support clinics, two closed groups focusing on navigating systems, and four educational workshops on the root causes of sexualized violence and prevention in predominantly Indigenous community settings.	\$30,000	Vancouver

Violence Against Women – Domestic Violence and Sexual Assault	Ending Violence Association of BC	Core Foundations Online Training for Community-Based Anti-Violence Workers: This project will increase access to core training for anti-violence service providers who support survivors of gender-based violence across BC. Following completion, this Core Foundations online training module will be made available to community-based anti-violence workers across BC, providing crucial foundational knowledge to support workers and enhance service provision for survivors of gender-based violence.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Kiwassa Neighbourhood Services Association	Engaging Men to Prevent Violence Against Women: This project will work with Indigenous-led, Immigrant-serving and community-based service partners to address the complex and inter-sectional issues that contribute to violence against women in a domestic setting. The scale and severity of violence against Indigenous and racialized women is a reality in Kiwassa's community which has some of Vancouver's highest urban Indigenous and multicultural populations.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Justice for Girls Outreach Society	Strengthening Responses to Violence in the Lives of Teenage Girls - JFG Outreach Program: In collaboration with local schools and youth-serving organizations, this project will develop and pilot an age- and gender-specific outreach response to the experiences and impacts of violence, sexual assault and exploitation in the lives of teenage girls. The outreach supports and advocacy services will be tailored to the unique needs of teenage girls who experience the compounding impacts of various social and economic inequalities.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Next Gen Men	NGM Circle Vancouver: This project is a community-building initiative that creates brave spaces for conversations about gender and masculinity, promotes positive, non-violent, inclusive, and healthier ways to 'be a man', and fosters connection and support among community members.	\$27,543	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	YWCA Metro Vancouver	YWCA Seeds of Independence - This project is an outreach and support initiative for women who are experiencing violence from an intimate partner or family member, or who have left a violent relationship. The project facilitator will offer group support in Vancouver's Downtown Eastside, as well as mobile outreach services to women locally and in the surrounding communities of New Westminster, White Rock, Surrey, Delta, Ladner and Tsawwassen.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	The Salvation Army	Unmasking Hope Art Therapy Program For Survivors of Exploitive Domestic Violence: This project will provide multi-modal rehabilitative support to survivors of domestic violence. The program will include therapeutic art support, exposure to arts as an economic option to build sustainable lives free from abuse, Indigenous arts exploration, and arts instruction to build new skills, and will culminate with a community based showcase (in person and digital).	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Good Night Out Vancouver Society	Safer _____ Education Program: This project will provide sexual violence education programming focused on addressing harassment and assault, and building consent culture with a focus on young adults in settings where liquor is served and/ or consumed. The project is an extension of the agency's on-line campaign, "Safer Shows," allowing for creativity in where the training takes place, and reinforcing the idea that a variety of stakeholders (bars, pubs, festivals), are able to use these tools and training to support the safety of their patrons.	\$29,504	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Ending Violence Association of BC	Sexual Violence Training and Dialogue with Indigenous Communities: This project will consist of training and dialogue sessions that directly serve Band Council and administration, front-line Band service providers (e.g., social workers, nurses), and key partners in Band leadership around the issue of sexual violence. This project will community members better support survivors who disclose sexual violence by enhancing their capacity to respond to sexual violence.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	MOSAIC (Multi-lingual Orientation Service Association for Immigrant Communities)	International Students Accessing Information and Education (ISAFE) Project: This project will address sexual violence against international students. Service providers in Castlegar and Dawson Creek will have the opportunity to attend a full day customized Responding to International Students' Disclosures of Sexual Assault (RISD) Training, to build their capacity to receive disclosures of sexual assault and to respond in an empowering, trauma-informed and culturally sensitive manner.	\$30,000	Vancouver

Violence Against Women – Domestic Violence and Sexual Assault	Atira Women's Resource Society	Women's Volunteer Support Worker Training Program: This project will develop and provide training to volunteers and peers who provide women's support work in the agency's housing and non-residential programs. This training will be provided to members of the community who wish to volunteer their time and to peers (women who have lived in or received support from one of the agency's programs) and are now looking to gain job experience or give back to the programs in which they received support.	\$30,000	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Eastside Boxing Club	ESB - Making Moves: This project is a collaborative venture that provides weekly access to a non-judgmental, trauma-informed approach to physical fitness in a safe, women's only space. The target population of the program is women, particularly mothers who live in Vancouver's Downtown Eastside neighbourhood. The program's goal is to provide 48 barrier-free, regularly scheduled structured non-contact boxing-fitness classes to improve the health and quality of life of its participants.	\$25,552	Vancouver
Violence Against Women – Domestic Violence and Sexual Assault	Victoria Women's Transition House Society	Family Legal Advocacy Project: This project will provide direct, specialized front-line family law support, advocacy and education for survivors of domestic violence and abuse in the Greater Victoria region. Under the guidance and oversight of a supervising family lawyer, a family law advocate will provide a range of family law support services in order to inform and assist survivors' access to justice and facilitate the resolution of their legal issues. Highly trained volunteers will assist the advocate by accompanying clients to court and other key legal appointments.	\$30,000	Victoria
Violence Against Women – Domestic Violence and Sexual Assault	Victoria Sexual Assault Centre	Enhancing Victim Services and Crisis Counselling for Youth Survivors: This project will increase access to critical crisis counseling and justice support for up to 67 vulnerable young women, trans, gender diverse, and Two-Spirit survivors of sexual assault aged 13-24. The project will increase young survivors' sense of safety, stability, wellness, and connectedness as they receive specialized, coordinated, and wraparound support to begin their healing.	\$30,000	Victoria
Violence Against Women – Domestic Violence and Sexual Assault	Island Sexual Health Society	Man Made: This project will create a consent-informed culture to prevent gender-based violence through specific workshops and programs for masculine-identifying children, youth, and supportive adults such as parents, teachers, or youth workers. This project will support masculine-identifying community members to explore healthy expressions of masculinity through a critical analysis of gender identity, the development of consent-based communication skills, and implementing strategies and resources to navigate emotional support in the community.	\$30,000	Victoria
Violence Against Women – Domestic Violence and Sexual Assault	Peers Victoria Resources Society	Sex Worker Police Liaison Practices to Prevent Violence: In collaboration with the Victoria Police Department, this project will develop guidelines for working with sex workers, develop a complaints process, and expand knowledge and engagement based on long-term best practices for supporting people in sex work who have experienced sexual assault. Along with increasing trust and confidence between sex workers and police, this project will continue to support the Violence Prevention and Support Worker position in developing a provincial bad-date and aggressor report with sex work organizations in B.C.	\$29,190	Victoria
Violence Against Women – Domestic Violence and Sexual Assault	Society of Saint Vincent de Paul Vancouver Island	Safety Planning and Emergency Support for Women Seeking Shelter: This project will enhance the organization's current staffing capacity by on-boarding one part-time position to better support 36 women and their children fleeing intimate partner violence and/or are experiencing homelessness, who reside in the organization's emergency shelter units. This additional staff support will enhance the organization's current capacity to continue the development of individualized safety and goal plans for women and their children by focusing on their safety, housing, financial, emotional and legal needs.	\$30,000	Victoria
Violence Against Women – Domestic Violence and Sexual Assault	Haven Society	Creating Effective and Consistent Community Education to Respond to Gender-based Violence: This project will provide training to service providers and community members about gender-based and intimate partner violence to increase their ability to provide support and safety to victims and to refer them to services they may need. This project will provide the resources need to address an increase in women and children accessing services, particularly from minority groups and marginalized women, as knowledge about domestic violence and available services grow.	\$30,000	Nanaimo

Violence Against Women – Domestic Violence and Sexual Assault	Pacific Centre Family Services Association	Enhanced Services for Survivors of Domestic Violence and Sexual Assault: This project will provide Stopping the Violence Programming for cis and trans women, non-binary, and Two-Spirit people who have experienced intimate partner violence, assault, and exploitation. By recruiting additional counselling staff, the program will offer group art therapy in addition to single session crisis support for immediate resourcing and safety planning. The overall goal is to decrease wait times for access to crisis counselling, provide support to individuals leaving unsafe situations, and provide effective coping skills for individuals to stay safe.	\$30,000	Victoria
Violence Against Women – Domestic Violence and Sexual Assault	Comox Valley Transition Society	Everything is Related: This project will address the cultural needs of Indigenous, Metis and Inuit women and their children who have experienced intimate partner violence and sexual assault. The project will also develop stronger relationships with local Indigenous, Metis and Inuit communities in order to enhance cultural safety within its services.	\$22,500	Coutenay
Violence Against Women – Domestic Violence and Sexual Assault	Campbell River Family Services Society	Sustainable cross-sector collaboration in response to domestic violence and sexual assault in Campbell River: This project will design and implement a 3-year strategic framework for the Campbell River Violence In Relationships (VIR) Committee to support both Indigenous and non-Indigenous women and girls in Campbell River and the surrounding areas who have experienced or are at risk of experiencing domestic violence and sexual assault.	\$30,000	Campbell River
Violence Against Women – Domestic Violence and Sexual Assault	Victoria Immigrant and Refugee Centre Society	Healing, Wholeness, and Home: This project will target immigrant and Indigenous women to provide information, education, and support about their legal rights and protections, available community supports, and necessary resources through collaborative workshops and community dinners with partnering agency, Oasis Society for Spiritual Health.	\$30,000	Victoria
Violence Against Women – Domestic Violence and Sexual Assault	Ending Violence Association of BC	EVA BC Provincial Training on Gender-Based Violence and Trauma: This project will support program engagement and delivery expenses and help provide a variety of training opportunities for front-line anti-violence workers across BC to promote best practices in service delivery to address complex needs and emerging issues in the sector.	\$85,000	Province-wide
Violence Against Women – Domestic Violence and Sexual Assault	BC Society of Transition Houses	BCSTH Provincial Training on Supporting PEACE Programs: This project will support program engagement and delivery expenses and help provide a variety of training opportunities for PEACE Program counsellors from across BC to promote best practices in service delivery to address the needs of children and non-offending parents who experience violence.	\$70,000	Province-wide
Violence Against Women – Domestic Violence and Sexual Assault	Police Victim Services of BC	PVSBC Provincial Training /Strategic Planning: This project will support program engagement and delivery expenses and help provide a variety of training opportunities and strategic planning for police-based victim services personnel across BC to promote best practices in service delivery to address complex needs and emerging issues in the sector.	\$70,000	Province-wide
Violence Against Women – Domestic Violence and Sexual Assault	Takla Lake FN	2020 Victim Services for Violence Against Women: This project will support the ongoing development and delivery of a victim services program based on traditional practices.	\$30,000	Takla Lake
Violence Against Women – Domestic Violence and Sexual Assault	BC Society for Male Survivors of Sexual Abuse	Surrey Victim Services Pilot Extension: This project will provide support for a part-time community-based victim service worker at the BC Society for Male Survivors of Sexual Abuse Surrey satellite office.	\$30,000	Surrey
Violence Against Women – Domestic Violence and Sexual Assault	Nanaimo Men's Resource Centre	This project will support the Nanaimo Men's centres operation costs for one fiscal year.	\$30,000	Nanaimo
Violence Against Women – Domestic Violence and Sexual Assault	Carrier Sekani Family Services	Sons of the Land: This project will provide services for men through the creation of male support groups to reduce domestic violence.	\$30,000	Prince George

Violence Against Women – Domestic Violence and Sexual Assault	BC Society of Transition Houses	VIP Program: This project will support the delivery of the VIP program's work to increase awareness and knowledge of the effects of violence to children and youth over a 3 year period.	\$330,000	Province-wide
Violence Against Women – Domestic Violence and Sexual Assault	Ending Violence Association of BC	ICAT: This project will support local agencies that respond to referrals of suspected highest risk cases of domestic violence with a goal of increasing safety over a 3 year period.	\$330,000	Province-wide
Violence Against Women – Domestic Violence and Sexual Assault	Hollyburn Family Services Society	North Shore Integrated Domestic Violence Unit: This project will employ a full-time Indigenous Community-based Victim Service Worker in the North Shore Integrated Domestic Violence Unit over a 3 year period.	\$258,000	North Vancouver
