Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Crime Prevention	\$40,000	Archway Community Services Society	SACRO: Youth Intervention	This project will provide individualized gang-intervention support for fifteen high-risk South Asian youth aged 11-18 through one-on-one advocacy, coping skills development, family relationship strengthening and assistance with housing, transportation and academic success.	Lower Mainland
Crime Prevention	\$75,000	BC Lions Football Limited Partnership	Lions Pride	This project will mentor at-risk youth (ages 13-16) by introducing them to Flag Football highlighting the importance of making positive choices and choosing alternative activities to gang involvement.	Lower Mainland
Crime Prevention	\$40,000	Big Brothers Big Sisters of Langley	Community Based Mentoring Program	This project will prevent youth involvement in crime by pairing at-risk young people with caring adult mentors through structured mentoring relationships that build resilience, develop life skills, foster community engagement, and provide positive role models, empowering them with hope and guidance for a brighter future.	Lower Mainland
Crime Prevention	\$40,000	BrainTrust Canada Association	Brain-injury-informed Crime Prevention and Reduction	This project will deliver a province-scaled, brain-injury-informed crime prevention and re-integration program for justice-involved adults, providing direct community supports, post-release stabilization, and virtual outreach in rural and northern service deserts to reduce recidivism, prevent overdose risk, and improve community safety.	North & Central
Crime Prevention	\$40,000	Canadian Mental Health Association - Kelowna & District Branch	FNS Prevention & Diversion	This project will expand access to Family & Natural Supports programming and outreach for vulnerable youth in the Kelowna region, strengthening family relationships, support networks, and early-intervention mental health and substance-use services to reduce youth homelessness, prevent crisis escalation, and lower risk factors associated with crime and justice-system involvement.	Southern Interior
Crime Prevention	\$40,000	Catholic Justice Services Society	Stopping Sexual Re-offending: Proven Results	This project will pair individuals released after serving sentences for sexual offences with volunteers who are trained to review risk factors at weekly meetings and support pro-social behaviour.	Lower Mainland
Crime Prevention	\$40,000	City of New Westminster	Youth Situation Table	This project will deliver coordinated, rapid-response prevention and early intervention supports for youth aged 12 to 25 at acutely elevated risk of gang involvement and exploitation, through multi-agency situation table interventions, case coordination, and targeted community-based supports.	Lower Mainland
Crime Prevention	\$40,000	Comox Valley Family Services Association	Connect Youth: Outreach & Diversion	This project will connect with at-risk young people aged 14-24 to support, guide, and empower them through targeted outreach, trauma-informed counselling, mentorship, skill-building, and connection to community.	Vancouver Island, Sunshine Coast, Gulf Islands
Crime Prevention	\$10,449	Connective Support Society	Empowering Fathers, Reconnecting Families	This project will deliver an evidence-based parenting course and ongoing support groups for incarcerated and justice-involved fathers to strengthen parent-child relationships, improve mental health and social connection, and support safer reintegration by addressing the challenges of parenting from custody.	Lower Mainland
Crime Prevention	\$40,000	Cowichan Valley Youth Services	RISE Diversion & Prevention Initiative	This project will deliver intensive diversion, crisis support, culturally grounded skill-building, and life- and employment-skills for vulnerable youth ages 15-29 across the Cowichan Valley.	Vancouver Island, Sunshine Coast, Gulf Islands
Crime Prevention	\$40,000	Family Services of Greater Victoria	Children's Counselling Expansion	This project will provide early-intervention counselling for children and youth who are at elevated risk of involvement in crime, including parenting support with the goal of stabilizing the family and promoting attachment security.	Vancouver Island, Sunshine Coast, Gulf Islands
Crime Prevention	\$6,900	Gold River Community Services Society	Youth Drop-In Program	This project will deliver a youth drop-in program for at-risk rural youth ages 12-17, offering an alternative to unsupervised and potentially risky activities and fostering positive social interactions, critical thinking, and healthy habits among participants.	Vancouver Island, Sunshine Coast, Gulf Islands

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Crime Prevention	\$40,000	Great Light Healing Community Services Society	Rise & Restore Crime Prevention	This project will support at-risk and street-entrenched youth by providing counselling, mentorship, life-skills training, and structured pro-social activities that divert them from harmful environments while strengthening resilience, positive identity, and pathways to education, employment, and community belonging.	Lower Mainland
Crime Prevention	\$40,000	Interior Women's Centre Society	Kamloops Women's Centre SafeHaven Project	This project diverts at-risk women and girls from human trafficking by offering an after-hours Safe Haven that connects them with an Exit Worker who rapidly guides them away from perpetrators and into safety through resource navigation, transition housing access, no-contact order support, family reconnection, and rapid exit pathways.	North & Central
Crime Prevention	\$38,423	John Howard Society Okanagan & Kootenay	Reintegration, Intervention, Support, Empowerment	This project delivers a 12-week case management, group skill-building, Indigenous cultural supports, harm-reduction services and employment pathways to individuals cycling through homelessness, substance use and repeated justice involvement, aiming to reduce reoffending and increase long-term stability and safety.	Southern Interior
Crime Prevention	\$39,960	Lower Mainland Purpose Society for Youth and Families	Pathways to Strength Program	This project will provide trauma-informed mental health support, employment readiness, harm-reduction, life-skills development, and structured pro-social programming that reduce gang involvement, strengthen protective factors, and divert at-risk youth from criminal activity.	Lower Mainland
Crime Prevention	\$40,000	Mukti Society	Mukti Empowerment Centre	This project will provide one-on-one counselling and peer-led services to 75 at-risk adults in Surrey designed to break unhealthy patterns and divert individuals from criminal behaviour and re-offending, supporting stability, accountability, and long-term community reintegration.	Lower Mainland
Crime Prevention	\$40,000	Okanagan Boys and Girls Clubs	Upstream	This project will deliver school-based screening, early identification, and coordinated wrap-around supports to reduce risk factors, enhance protective factors, and prevent youth homelessness, school disengagement, and entry into criminal activity through early, trauma-informed intervention.	Southern Interior
Crime Prevention	\$40,000	Penticton Recovery Resource Society	Resilience in Recovery: Reintegration Support	This project will support up to 60 men transitioning from provincial corrections through weekly trauma-informed counselling, bi-weekly peer mentorship, and employment-readiness workshops during an open-ended continuing-care phase to strengthen recovery, reduce relapse, and lower recidivism in Penticton and communities across the South Okanagan region, fostering safer, healthier reintegration outcomes.	Southern Interior
Crime Prevention	\$40,000	Progressive Intercultural Community Services Society	Fitness and Mentorship Empowerment	This project will prevent youth involvement in gangs, exploitation, and risk-related behaviours by providing mentorship and structured recreational activities to vulnerable youth aged 12-29 in Surrey, Langley, and Delta, strengthening resilience, positive connections, and safe community engagement.	Lower Mainland
Crime Prevention	\$40,000	SHARE Family & Community Services Society	Stronger Together: Youth Outreach Worker	This project will provide trauma-informed mentorship, life skills coaching, and 1-to-1 support for at-risk youth aged 12-24, providing essential community resources through CFAST (Child and Family Situation Table), a City of Coquitlam-led table partnering with schools, RCMP, Port Moody, and Metro Police.	Lower Mainland
Crime Prevention	\$39,999	Summit Community Services Society	Pilot Project: Men's Anti-Violence Services	This project will provide individual and group therapeutic/counselling supports for men who have experienced abuse and/or men who have used abusive behaviours and want to make changes in their lives, and will also provide anti-violence community education and service coordination geared towards men.	Southern Interior

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Crime Prevention	\$38,555	Sunshine Coast Community Services Society	Incentivizing Connection at Arrowhead Clubhouse	This project will divert vulnerable adults from survival-driven criminal activity by incentivizing their participation in Arrowhead Clubhouse's daily drop-in meal program, strengthening food security, enhancing connection, building skills and creating pathways to housing, mental health, substance-use and employment supports.	Vancouver Island, Sunshine Coast, Gulf Islands
Crime Prevention	\$40,000	Take a Hike Youth Mental Health Foundation	Take a Hike BC Program	This project will deliver a full-time, classroom-embedded, mental health and outdoor learning program for at-risk/crime-involved youth, empowering them to achieve improved mental health, pro-social skills, academic success, and resilience to navigate adulthood and avoid crime.	Lower Mainland
Crime Prevention	\$40,000	The Elizabeth Fry Society of Greater Vancouver	SHINE Clinical Extension	This project will provide trauma-informed counselling and early intervention supports to at-risk youth in Surrey, reducing waitlists and addressing risks related to violence, exploitation, and criminal involvement through individualized clinical services and coordinated case management.	Lower Mainland
Crime Prevention	\$40,000	The Landing Youth Centre Foundation	Carving Alternate Paths	This project will support vulnerable male-identifying and non-binary youth in East Vancouver by addressing food insecurity, trauma, academic barriers, social isolation and other crime-related risk factors through weekly mentorship, tutoring, counselling, life-skills programming and our trauma-informed SAFE Minds curriculum that strengthen protective factors, build resilience, and prevent youth involvement in crime.	Vancouver
Crime Prevention	\$40,000	Union Gospel Mission	Men's Emergency Shelter Crime Prevention	This project will enhance UGM's Men's Shelter capacity to provide structured, trauma-informed supports that stabilize high-risk men, interrupt cycles of offending, and connect them to housing, treatment, employment and pro-social community supports.	Vancouver
Crime Prevention	\$40,000	Unlocking the Gates Services Society	UTG Justice Navigation Resolution Program	This project will support people on probation or with outstanding warrants by providing transportation, court navigation, and wrap-around peer support to increase compliance, reduce reoffending, and connect vulnerable individuals leaving incarceration to safe housing, health care, and community services.	Province-Wide
Crime Prevention	\$40,000	Victoria Brain Injury Society	Coping Strategies: Justice Program	This project will reduce recidivism among incarcerated individuals with brain injuries by providing weekly Case Manager visits to local correctional centers to support navigation of social and justice systems, manage the effects of brain injury, and promote full engagement in rehabilitative programming.	Vancouver Island, Sunshine Coast, Gulf Islands
Crime Prevention	\$40,000	WITS Program Foundation Society	LEADS school-based anti-bullying program	This project will provide anti-bullying programming, educational resources and ongoing support-to 11 schools in communities along Highway 16, equipping grade 4-8 students with skills and knowledge to prevent bullying-related harm and reduce pathways into later criminal involvement.	North & Central
Crime Prevention	\$40,000	Yo Bro Yo Girl Youth Initiative Society	Youth Hub Integrated Youth Support	This project will support high-risk youth facing complex challenges by delivering intensive one-to-one outreach and integrated case management through a youth hub, reducing risk behaviours and strengthening connections to education, mental health, and community supports.	Lower Mainland
CYAC	\$140,000	Archway Society For Domestic Peace	Oak Child and Youth Advocacy Centre	This project provides funding to support service delivery for the Oak Child and Youth Advocacy Centre.	Southern Interior
CYAC	\$80,000	BC Network of Child and Youth Advocacy Centres Society	BC Network of Child and Youth Advocacy Centres Society	This project supports organizational capacity for the Network and improve supports to CYACs across BC.	Province-Wide

North & Central

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Gender-based Violence	\$39,997	REACH Centre Association	Strengthening Community responses to Violence	This project will assist Arabic speaking women who are experiencing gender-based violence, providing culturally appropriate, trauma informed, emotional support, crisis intervention and assistance accessing resources and services i.e. transition houses, legal aid, police and justice systems and to provide ongoing support through a support group.	Vancouver
Gender-based Violence	\$40,000	Restorative Justice Victoria Society	Enhanced Restorative Justice Victim Support	This project will extend and expand our Victim Service Worker role for another year to maintain our ability to provide safer and more options for victims of crime to participate in meaningful restorative justice processes that benefit both the offender and the victim.	Vancouver Island, Sunshine Coast, Gulf Islands
Gender-based Violence	\$40,000	Revelstoke Women's Shelter Society	Prevention is Key	This project will equip survivors and those at risk of domestic and intimate partner violence with the emotional and practical tools needed to stay safe in the long term by providing free counselling services, art therapy, and pro social programming.	Southern Interior
Gender-based Violence	\$40,000	Sage Haven Society	Port Alberni Gender Violence Strategy	This project will engage survivors, Indigenous partners, and service providers in a coordinated feasibility and service-planning process to identify gaps, co-design and pilot improved referral and safety-planning pathways, and develop a costed community strategy for ongoing trauma-informed supports.	Vancouver Island, Sunshine Coast, Gulf Islands
Gender-based Violence	\$39,492	School District 37 (Delta)	Sexual Exploitation Prevention Initiative	This project will deliver coordinated early intervention and support services to individuals who are at increased risk of sexual exploitation, as identified by the school district and/or School Liaison Officers.	Lower Mainland
Gender-based Violence	\$40,000	SHARE Family & Community Services Society	Family Law Advocacy for Safety	This project expands SHARE's family law advocacy capacity so women, children, and gender-diverse survivors of gender-based violence can access timely, free legal advocacy, court support, and coordinated referrals, ensuring safety-focused family law protections and reducing justice, language, and financial barriers that increase their risk.	Lower Mainland
Gender-based Violence	\$30,600	Shelter Movers	Safe, Supported Transitions for Survivors	This project will deliver a moving services and storage solutions for 350+ survivors, their children and family pets, so they can safely exit abuse and violence in their home with their cherished and rightful belongings.	Lower Mainland
Gender-based Violence	\$31,622	Shuswap Area Family Emergency Society	Bridging Services to the Vulnerable	This project will deliver a low barrier program for women and gender-diverse folks who have experienced or are experiencing gender-based violence, that often have multiple and overlapping challenges which make engaging in services difficult, providing generalized support, accompaniment, transportation and more to ensure nobody falls through the cracks.	Southern Interior
Gender-based Violence	\$40,000	Shuswap Children's Association	2SLGBTQ+ Youth Support Program	This project will deliver a free, trauma-informed program providing 2SLGBTQ+ youth and families with safe spaces, peer support, and culturally grounded resources to reduce isolation, improve mental health, and foster inclusion through weekly groups, one-on-one sessions, family support and community engagement opportunities.	Southern Interior
Gender-based Violence	\$40,000	Simon Fraser University	e-SAFer: Evidence-Based Parenting Planning	This project will promote evidence-based and trauma-informed parenting planning to enhance decision and recommendation making in family law processes in high conflict cases to promote safety for survivor-parents and their child(ren).	Province-Wide
Gender-based Violence	\$39,000	South Okanagan Women in Need Society	Safe, Strong and Ready	This project will deliver advanced staff training, enhanced protocols, improved digital safety tools, and updated resources to increase organizational readiness and long-term ability to support women, youth, and 2SLGBTQIA+ survivors across the South Okanagan.	Southern Interior
Gender-based Violence	\$40,000	Support Network for Indigenous Women & Women of Colour	Safety Pathways for Racialized Women	This project will provide 12 safety workshops for 120 low-income Indigenous and racialized women, addressing gender-based violence by delivering culturally sensitive crisis response plans and tools to navigate justice systems.	Vancouver Island, Sunshine Coast, Gulf Islands

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Gender-based Violence	\$40,000	Supporting Women's Alternatives Network Vancouver Society	Enhanced safety and violence prevention	This project will expand safety nets for im/migrant women engaged in sex work who experience gender-based violence by providing language-specific and culturally appropriate safety resources, as well as in-person and remote case management support.	Lower Mainland
Gender-based Violence	\$43,843	Surrey Women's Centre	Interview Room Technology	This project supports technology improvements to the Interview Room.	Lower Mainland
Gender-based Violence	\$40,000	The Kamloops and District Elizabeth Fry Society	Family Stepping Stones	This program empowers women and children impacted by GBV and IPV to build safe, stable lives with supportive staff providing housing support, financial literacy, cultural connections, individualized care, and advocacy so families can heal and thrive.	Southern Interior
Gender-based Violence	\$40,000	The Prince George Sexual Assault Centre Society	Reaching Out	This project will provide intensive outreach in our community to bring much need services to our most marginalized survivors of gender-based and sexual violence.	North & Central
Gender-based Violence	\$40,000	The Tears to Hope Society	Stronger Together	This project will empower Indigenous women, girls, and LGBTQ2S members in communities along the Highway of Tears through workshops focused on safety awareness, self-defence, and gender-based violence prevention resource connections.	North & Central
Gender-based Violence	\$40,000	This Space Belongs to You Society	This Space Heals: Drop In	This project provides low barrier drop in support for 2S/LGBTQIA+ youth (12-24) experiencing gender based violence through peer support groups, wellness activities, and immediate crisis response, creating accessible entry points that complement existing counselling services.	Southern Interior
Gender-based Violence	\$40,000	THS Society of Transition Houses	Strength Rewritten: Alternatives to Hyper-Masculinity	This project will provide PEACE Program counsellors with 7 webinars and accompanying resource guides to support vulnerable boys and youth who are struggling with the damaging impacts of hyper-masculinity and offer a healthy masculinity alternative to promote empathy and safety in their relationships and prevent gender-based violence.	Province-Wide
Gender-based Violence	\$50,000	THS Society of Transition Houses	Symposium: BCSTH	This project supports the annual training symposium for the BC Society of Transition Houses	Province-Wide
Gender-based Violence	\$100,000	THS Society of Transition Houses	Upholding Trust: Protecting PEACE Programs' Confidential Records	This project responds to the increasing third-party records applications attempting to access confidential communications in the PEACE Program by consulting with PEACE counsellors and legal experts to develop a toolkit of resources and webinars to support children, youth and their non-offending caregivers and thwart the weaponizing of records applications.	Province-Wide
Gender-based Violence	\$26,726	Trail Family and Individual Resource Centre Society	Coping & Connection after Trauma	This project will deliver a 3-part closed group series providing psychoeducation and support to self-identifying women who have experienced and are impacted by trauma following interpersonal or systemic gender-based violence by focusing on building sustainable coping strategies, engaging with emotional regulation tools, and developing community connections through safe and secure relationship-building.	Southern Interior
Gender-based Violence	\$40,000	Valley Community Services Society	Supporting Women from Plural Culture	This project provides transitional and life skills support to women from Bountiful, including bridging from this culture to mainstream culture, mentoring, outreach and parenting support, support to children and youth and counselling.	Southern Interior
Gender-based Violence	\$40,000	Vancouver Association for the Survivors of Torture	Women Survivors Healing Network	This project will provide trauma-informed clinical counselling and peer-led Women Survivors Resource Network gatherings for refugee and immigrant women and 2SLGBTQIA+ survivors of gender-based violence, including domestic, sexual, and identity-based violence, reducing isolation and strengthening safety, healing, and self-advocacy in Metro Vancouver.	Lower Mainland
Gender-based Violence	\$39,900	Vancouver Island Counselling Centre for Immigrants and Refugees Association	Empowering Transitions: Year 2 Expansion	This project will provide trauma-informed therapeutic support, creative therapies, and parenting workshops to 30 women survivors of gender-based violence and their children, with expanded community partnerships and ongoing monthly follow-up to sustain healing and connection.	Vancouver Island, Sunshine Coast, Gulf Islands

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Gender-based Violence	\$40,000	Vancouver Police Department	Human Trafficking Victim Support Worker	This project funds a Family Services' Human Trafficking Unit Victim Support Worker embedded within the Vancouver Police Department, partnering with detectives to support victims of trafficking and sexual exploitation by providing trauma-informed emotional and practical supports, safety planning, court information, and updates to 40+ high-risk victims each year as they navigate investigations.	Vancouver
Gender-based Violence	\$40,000	Victoria Immigrant and Refugee Centre Society	Community Safe Steps Against Violence	This project will deliver culturally grounded prevention workshops, enhanced case management, trauma-informed counseling, expressive arts and music-based community sessions for immigrant, refugee, Indigenous, racialized, and gender-diverse women, supporting safety, resilience, and meaningful connection.	Vancouver Island, Sunshine Coast, Gulf Islands
Gender-based Violence	\$40,000	Victoria Women's Transition House Society	Family Law Advocacy Project	This project will provide effective and attainable Family Law support to victims and survivors of intimate partner violence by delivering direct, specialized, front-line processes that are urgent, predictable, and trauma-informed to assist survivors' access to justice and facilitate resolution of their legal issues.	Vancouver Island, Sunshine Coast, Gulf Islands
Gender-based Violence	\$39,500	Victoria Youth Empowerment Society	Gender Based Violence Youth Response	This project will deliver timely and trauma-informed support services for vulnerable youth who are experiencing gender based violence, including intimate partner violence, sexual assault and sexual exploitation.	Vancouver Island, Sunshine Coast, Gulf Islands
Gender-based Violence	\$40,000	VIDEA	From Survival to Safety	This project will deliver trauma-informed, culturally safe, survivor-centered programming and targeted prevention education for people with disabilities prioritizing Indigenous, Black, racialized, and 2SLGBTQ+ communities through hybrid spaces, peer connection, and capacity-building to reduce gender-based violence and barriers to support.	Vancouver Island, Sunshine Coast, Gulf Islands
Gender-based Violence	\$39,912	Warmland Women's Support Services Society	Calling Ourselves Home	This project will deliver weekly trauma-informed outreach workshops for street-entrenched, equity-deserving, substance-affected, perinatal Indigenous women/non-binary survivors of Intimate Partner Violence using recovery focused evidence-based expressive arts that reduce barriers associated with literacy/neurodivergence.	Vancouver Island, Sunshine Coast, Gulf Islands
Gender-based Violence	\$40,000	Xwéwenaqw Xwexwilmexw Cultural Reclamation Society	SAFE Circle	This project will deliver Elder-guided crisis response, combining 24/7 coordination, emergency financial support, individualized safety planning, and trained community responders to deliver culturally-safe, immediate intervention that honors traditional collective care principles.	Lower Mainland
Gender-based Violence	\$40,000	YWCA British Columbia	YWCA Legal Education Program	This project will deliver support to women and children leaving violence through free legal representation, advocacy, education, and access to resources.	Lower Mainland
Indigenous Healing	\$39,560	Aboriginal Coalition to End Homelessness Society	Land-Based Healing Justice Program	This project will bring healing, build community, and strengthen resilience for Indigenous peoples with lived experience of homelessness and justice system involvement through delivering 11 Land-Based Healing days with a culminating five-day camp led by local Elders and community leaders.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$40,000	Ch'íyáqtel First Nation	Healing Together on the Land	This project will deliver culturally grounded, land-based healing circles and support programs for Ch'íyáqtel members experiencing grief, anxiety, and family or intimate partner violence, providing trauma-informed group sessions, Elder-led teachings, and coordinated wellness supports to strengthen safety and community well-being.	Lower Mainland
Indigenous Healing	\$24,390	Cowichan Therapeutic Riding Association	Hooves, Hearts and Drumbeats	The program will run three-6 week sessions that will integrate Indigenous cultural healing with Equine Assisted Learning plus Therapeutic Horsemanship to promote individual and family healing while building critical life skills in communication, leadership, and teamwork.	Vancouver Island, Sunshine Coast, Gulf Islands

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Indigenous Healing	\$40,000	DUDES Club Society	Bringing neXup to the Fire	This project provides culturally grounded, peer-led drop-in spaces for urban Indigenous and BIPOC youth that fosters connection, skill building, wellness, and access to Elders, Knowledge Holders, and nutritious meals in a safe and supportive community space.	Vancouver
Indigenous Healing	\$39,898	Gya' Wa' Tlaab Healing Centre Society	Traditional Healing Elder-led Workshops	This pilot project will support First Nations men in substance abuse recovery by delivering Elder-led traditional medicine workshops, therapeutic gardening, and land-based healing trips to address intergenerational trauma and build cultural coping skills for long-term wellness.	North & Central
Indigenous Healing	\$40,000	Kamloops Family Resources Society	Returning Home to the Land	This project will support Indigenous women healing from trauma and violence by delivering Indigenous-led counselling, Elder-guided land-based healing, and cultural teachings rooted in Secwepemc land that strengthen identity, grounding, and emotional wellness.	Southern Interior
Indigenous Healing	\$40,000	Nlaka'pamux Health Services Society	Culturally Grounded Trauma-Informed Workforce	This project will deliver Indigenous-led, trauma-informed cultural safety training for 25 Nlaka'pamux Health Services Society staff serving 12 Nlaka'pamux communities, strengthening staff wellness, workplace safety, and culturally grounded support for Indigenous survivors of trauma and violence.	Southern Interior
Indigenous Healing	\$29,430	North Island Métis Association	Healing Together: Métis Community Healing	This project will provide free, culturally grounded, trauma-informed mental health counselling to Métis individuals of all ages, addressing the impacts of colonialism, intergenerational trauma, and experiences of crime through safe, accessible, and Métis-led healing supports.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$40,000	Northern Horizons Horse-Powered Learning Society	Northern Horizons Equine-Assisted Wellness	The project provides 44 equine-assisted learning sessions to 32 Indigenous children, youth, and adults on Gitxsan Territory, helping participants build essential life skills such as communication, problem-solving, teamwork, and confidence, that supports healing and reduces risks such as school dropout, criminal involvement, and intergenerational trauma.	North & Central
Indigenous Healing	\$40,000	Northern Society for Domestic Peace	Wellness through Culture and Connection	This project will support women fleeing violence by blending cultural activities/teachings and clinical care to create safety, empowerment, and well being while navigating personal, spiritual, and Gitxsan Ayookw.	North & Central
Indigenous Healing	\$40,000	Peer2Peer Indigenous Society	Indigenous Healing & Stabilization	This project will deliver Indigenous-led healing and stabilization supports for Indigenous adults experiencing homelessness and justice-related harm, addressing overdose risk and street-level criminalization through trauma-informed outreach, cultural support, and Individualized safety planning.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$39,880	Pemberton Secondary School	Ntákmén Project	This project will deliver a year-long, land-based learning program providing students with 10 on-the-land days of cultural teachings, spiritual learning, and guidance from elders to strengthen wellness, self-awareness, and community connection.	Lower Mainland
Indigenous Healing	\$40,000	Rise Up Indigenous Wellness Society	Roots of Healing	This project will support Indigenous adults and youth healing from violence, trauma, and systemic harms by delivering culturally grounded programs that provide land-based teachings, ceremony, mentorship, and trauma-informed wellness circles through training the trainers.	North & Central
Indigenous Healing	\$40,000	Salal Sexual Violence Support Centre Society	Salal's Indigenous Healing/Wellness Project	This project will deliver Indigenous-led counselling, support circles, land-based healing, and ceremony that reconnect Indigenous survivors and families of MMIWG2S+ with culture, community, and wellness, restoring access to trauma-informed supports that honour lived experience, strengthen spirit, and uphold survivors' dignity and healing.	Lower Mainland

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Indigenous Healing	\$40,000	Sasamans Society	Indigenous Family Justice Support Worker	This project funds an Indigenous Family Justice Support Worker to support Indigenous families and vulnerable community members, including parents, children, and Elders, providing compassionate help with family justice matters through court form assistance, culturally safe mediation, respectful advocacy, and relationship and wellness support grounded in traditional teachings.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$40,000	Sḵw̱x̱wú7mesh Úxwumixw (Squamish Nation)	Sḵw̱x̱wú7mesh Healing and Justice Pathways	This project will address the harms of crime and justice involvement by supporting members, families, and victims through coordinated pathways into land-based healing, cultural guidance, reintegration supports, family services, and trauma-informed care, walking alongside individuals to strengthen access, cultural reconnection, safety, and community wellness across Sḵw̱x̱wú7mesh programs.	Lower Mainland
Indigenous Healing	\$40,000	Sq'éwqel (Seabird Island Band)	Sq'éwqel Healing and Wellness Circles	This project supports Indigenous healing at Sq'éwqel (Seabird Island) through grief and loss circles, youth cultural-recreation sessions, and ceremony-based community supports for families impacted by suicide, violence, substance use, and intergenerational trauma, led by Elders, Knowledge Keepers, and the Sq'éwqel Committee.	Lower Mainland
Indigenous Healing	\$40,000	Sweetgrass Clan	Urban Indigenous Healing Program	This project will deliver weekly healing circles, cultural workshops, and one-to-one peer supports for Indigenous people in the Downtown Eastside impacted by crime, violence, and intergenerational trauma, strengthening wellness through culturally grounded, trauma-informed practices.	Vancouver
Indigenous Healing	\$39,900	Telmexw Awtexw Healing Centre	Telmexw Awtexw Healing Initiative	This project will address the ongoing impacts of intergenerational trauma and substance use for Indigenous Elders, men, and women by delivering culturally-grounded healing programs, including land-based healing, cultural support, and healing circles.	Lower Mainland
Indigenous Healing	\$40,000	Together We Can Drug & Alcohol Recovery & Education Society	Addiction Healing Through Culture	This project will deliver healing to Indigenous men impacted by intergenerational trauma and family violence through access to culture, counselling, and addiction treatment by way of land-based healing, Elder care, and clinical therapy delivered primarily by Indigenous peoples.	Province-Wide
Indigenous Healing	\$39,995	Ts'ewulhtun Health Centre - Cowichan Tribes	Healing through Cultural Supports	This project will provide cultural healing supports to Cowichan Tribes community members affected by violence through weekly availability/workshops with an Elder or cultural knowledge keeper to strengthen resiliency and increase protective factors.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$40,000	Tsay Keh Dene Nation	Justice Program - Justice Liaison	This project will improve access to justice for Indigenous victims and survivors by hiring a culturally safe Justice Liaison who delivers trauma-informed support and system navigation services in the Tsay Keh Dene community.	North & Central
Indigenous Healing	\$31,000	T'Sou-ke Nation	Courageous Connections	This project will strengthen safety and wellness for Indigenous children, youth, and families through culturally guided circles, land-based healing, and restorative practices that address trauma, prevent future violence, and rebuild community connection.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$40,000	Tsow-Tun Le Lum Society	Community Liaison for Indigenous Inmates	This project will support Indigenous inmates who have applied to attend a culturally-sensitive and trauma-informed substance use program prior to being released into community at the end of their sentence.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$40,000	Vancouver Aboriginal Friendship Centre Society	Healing Roots for Indigenous Women	This project will deliver culturally grounded, trauma-informed healing and wellness circles and activities for Indigenous women, supporting their recovery from crime, violence, and intergenerational trauma through Elder teachings, cultural practices, and holistic wellness approaches rooted in Indigenous worldviews.	Lower Mainland

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Indigenous Healing	\$40,000	Victoria Sexual Assault Centre Society	Indigenous Response Network - Counseling	This project will partially fund salaries for VSAC's IRN staff ensuring that a counsellor provides culturally safe, trauma-informed support to Indigenous survivors, working with VSAC, the IRN, and the Victoria Native Friendship Centre to deliver community-based essential services.	Vancouver Island, Sunshine Coast, Gulf Islands
Indigenous Healing	\$40,000	Whispering Pines / Clinton Indian Band	WPCIB Community Healing Initiative	This project will deliver regular cultural nights, wellness days, and food security supports that reconnect families, youth, and Elders through culturally grounded activities, intergenerational teachings, and trauma-informed community supports.	Southern Interior
Restorative Justice	\$40,000	Alberni Valley Restorative Justice Society	Operation	This project will deliver high quality restorative justice services to people in the Alberni-Clayoquot region who are responsible for crime or conflict and who are referred by First Nations, RCMP, federal/provincial prosecutors and schools, and facilitate healing for those affected by conflict.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$39,740	Beacon Community Association	SPRJ Program Specialist	The project will embed the program in two organizations - Beacon Community Services and the RCMP, generating increased referrals, diverting cases from the criminal stream, and offering options in the school system and in community at large.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	CMHA Vernon and District Branch	Restorative Justice Youth Project	This project will deliver a supportive, dialogue-based approach to help high school students in conflict repair harm, build accountability, and stay engaged in their education instead of facing punitive discipline.	Southern Interior
Restorative Justice	\$39,617	Community Justice Centre Society of the Comox Valley	Building Capacity for Restorative Justice	This project will maintain and increase the number of clients served and the quality of service by strengthening partnerships and building volunteer capacity through training, protocols, and access to resources, to deliver trauma-informed, victim-centered, culturally safe restorative justice services that reflect community needs.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	Connective Support Society	Affected Parties Support Project	This project will increase the Restorative Justice Program's capacity to engage with individuals and families through an Affected Parties Case Manager, who will provide a variety of supports to up to 50 individuals affected by crime during their participation in the restorative justice process.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	Cowichan Restorative Justice Society	Restorative Justice In Education	This project delivers school-based restorative justice programming for youth, addressing harm, conflict, bullying, and criminalization through trauma-informed 12-week circle dialogues using restorative interventions, and skill-building activities that foster empathy, communication, accountability, and positive school culture while preventing violence and recidivism.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	Cranbrook And District Restorative Justice Society	Restorative Justice RCMP Facilitations	Our project delivers restorative justice circles and mediation agreements for young and first-time offenders who take accountability, providing supported pathways to repair harm, strengthen community safety, and reduce reoffending before charges are laid.	Southern Interior
Restorative Justice	\$40,000	Ladysmith Resources Centre Association	Restorative Justice Capacity Expansion	This project will expand capacity by increasing coordinator hours to meet rising community demand and provide enhanced intake, case management, victim support, and facilitated dialogues for youth, Indigenous participants, victims, and individuals who are precariously harmed.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	Maple Ridge Pitt Meadows Community Services	Restorative Justice Service Strengthening	This project expands victim-centered supports, delivering culturally safe and trauma-informed restorative processes, and increasing capacity to manage rising referrals, complex case trends, and school-based needs for approximately 85 participants through circles, letters, counseling, and facilitated accountability processes.	Lower Mainland
Restorative Justice	\$60,000	Restorative Justice Association of BC	Symposium: RJABC	This project supports the annual training symposium for the Restorative Justice Association of BC	Province-Wide

Stream	Grant Amount Approved	Organization	Project Title	Description	Region
Restorative Justice	\$40,000	Restorative Justice Program of the Sunshine Coast	Victim-Centred Restorative Justice Expansion	This project will strengthen victim participation in restorative justice by increasing awareness of restorative justice options, building trauma-informed and culturally safe capacity, ensuring safe, consistent referral pathways, expanding direct service delivery, and implementing a consistent evaluation process to improve victim support across the Sunshine Coast.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	Restorative Justice Salt Spring Island	Youth Restorative Justice Coordinator	This project will establish a dedicated Youth Restorative Justice Coordinator to expand capacity, strengthen youth-focused restorative practices, and increase safe, trauma-informed service delivery for young people and victims on Salt Spring Island.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	Restorative Justice Victoria Society	Enhanced Case/ Community Partnerships Manager	This project will increase capacity to manage and bring complex files to completion as we pilot our TRANSFORM program (addressing cases of intimate partner violence and sexualized violence) by hiring a new part-time case manager to coordinate restorative justice processes and liaise with our community partners.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$100,000	Restorative Vancouver	Restorative Vancouver	This project supports the development of restorative justice programming in Vancouver.	Vancouver
Restorative Justice	\$39,925	Southern Gulf Islands Neighbourhood House Society	Restorative Pathways for SGI Youth	This project will strengthen restorative justice responses for youth and families by establishing clear diversion pathways, providing culturally grounded, trauma-informed training for facilitators, and delivering youth and family restorative circles to improve access, equity, and outcomes for victims and young people.	Vancouver Island, Sunshine Coast, Gulf Islands
Restorative Justice	\$40,000	Terrace Restorative Justice	Restorative Community Dialogue Series	This project will deliver twelve monthly events that build community understanding of restorative justice, strengthen relationships with Indigenous and local partners, and expand safe, culturally respectful pathways for victims, youth, and families to engage in healing-focused alternatives to the traditional justice system.	North & Central
Restorative Justice	\$40,000	The North Shore Restorative Justice Society	Restorative Response Program	This project will provide victim-centred, trauma-informed restorative justice services for youth and adults referred by police, supporting accountability, meaningful repair of harm, and timely alternatives to the criminal justice system across the North Shore.	Lower Mainland
Restorative Justice	\$40,000	W.E.Graham Community Service Society	Strengthening RJ in Our Communities	This project will expand trauma-informed, culturally safe, community-based restorative justice across seven rural West Kootenay communities by increasing capacity, establishing referral pathways, training volunteers, building relationships with local Indigenous community members and leaders to honor protocols and needs, and supporting a community-led steering committee for sustainable, equitable access.	Southern Interior
Restorative Justice	\$3,000	Williams Lake Community Policing Committee	Peacemaking Circle Training	This project will deliver Peacemaking circle training, consisting of 18 hours of instruction over three days, will be offered to members and the community by a qualified trainer.	North & Central
Restorative Justice	\$12,000	Williams Lake Community Policing Committee	WLCCRJ Part-Time Executive Director	This project will support a paid, part-time Executive Director who will provide essential strategic leadership, operational consistency, and specialised volunteer management expertise; this role is vital to address organisational stability and counter the challenges posed by short-term volunteer engagement.	North & Central
