Foster Caregiver: There are two criminal record checks required for foster caregivers:

Step 1: A Consolidated Criminal Record Check (CCRC)^[1] **must be completed before the home study is completed.**

Step 2: Anyone who is offered a family care home agreement or contract is required to undergo a separate criminal record check under the CRRA. **The CRRA check is to be completed after the home study is completed and the foster parent is being approved but before a family care home agreement or contract is offered.**

Required: To be completed by the organization

- The applicant has received an offer of employment or is an Employee of MCFD or a Delegated Aboriginal Agency OR
- The applicant has completed a Consolidated Criminal Record Check (CCRC) and home study and is an approved foster caregiver.
