WEEKLY INCIDENT REPORT 10 – 16 Oct 2016

BODY RECOVERY

On 12 Oct, Revelstoke SAR responded for a body recovery in the Box Canyon area near Revelstoke. The body was recovered and turned over to the Coroner.

DANGEROUS GOODS

On 13 Oct, a push tug and barge ran aground approximately 20 km west/northwest of Bella Bella. The barge was empty but the tug, with a total capacity to hold approximately 59,924 US gallons or 226,837 litres of diesel fuel, ruptured three of its tanks. 760 litres of fuel was initially estimated to have been released to the environment. The Ministry of Environment Response Officer raised the incident to Code 2 (urgent status). A Unified Incident Command Post was established at Heiltsuk Nation Tribal Council Office with the staging area at Shearwater.

MISCELLANEOUS

On 12 Oct, a task number was approved for the EPC of Revelstoke to cover potential small scale evacuations and site level support following a police involved shooting in the community the previous day.

On 12 Oct, a task number was issued for the Shawnigan Lake Fire Department to respond outside their jurisdiction to an incident involving a person overcome by carbon monoxide. Ambulance personnel could not attend to the patient until the Fire Department secured the scene.

SEVERE STORM

On 14 Oct, the City of Vancouver was provided a task number upon activation of their EOC due a series three of powerful storms that were forecast to bring heavy rains and hurricane force winds to the south coast of BC throughout the weekend.

On 14 Oct, the City of Surrey activated their EOC in response to the storm event due to hit BC's south coast. The high winds brought down numerous trees and power lines.

On 15 Oct, task numbers were issued to North Shore Emergency Management (NSEM) upon activation of their EOC due to the severe storm affecting North Vancouver, North Vancouver District and West Vancouver.

On 15 Oct, the Corporation of Delta opened their EOC in response to the storm event impacting the south coast of BC.

On 15 Oct, the EMBC Southwest PREOC activated in support of several local EOC's that were responding to the impacts of the severe storm event affecting the south coast of BC.
