WEEKLY INCIDENT REPORT October 8 – 14, 2018

DANGEROUS GOODS

On 9 Oct 2018, a 30m section of a 91cm (36") Enbridge natural gas pipeline was severely compromised by fire near the communities of the Lheidli T'enneh First Nation and Shelley, 21km northeast of Prince George. Approximately 100 residents of the Lheidli T'enneh First Nation were evacuated to P.G. The incident was raised to Code 2 (urgent status) by the Ministry of Environment Response Officer (MOE RO). A second, adjacent gas pipeline and an oil pipeline were shut-in and depressurized as a precaution. The 30' pipeline was brought back into service to restore some of the gas supply to downstream users. No physical injuries were reported.

On 9 Oct 2018, a barge containing depolluted, end-of-life vehicles and appliances caught fire on the Fraser River in Surrey, near the Pattullo Bridge. The incident was raised to Code 2 (urgent status) by the MOE RO. The fire began at approximately 17:00 and was extinguished as of 22:30. Water sampling was conducted to determine if deleterious material had entered the environment.

On 9 Oct 2018, Sofino Foods in Abbotsford experienced a 2500 lb ammonia release. A quick evacuation of the employees and first responders were successful in preventing any injuries. The incident was raised to Code 2 (urgent status) by the MOE RO. Crews were able to cap the broken valve and ventilate the facility to return ammonia readings to safe levels.

On 9 Oct 2018, a pump station run by the City of Kitimat became clogged, causing a subsequent overflow into Hirsh Creek. On 10 Oct 2018, the incident was upgraded to a Code 2 (urgent status) when it was determined that Hirsh Creek flows to the Kitimat River where there are drinking water intakes.

MISCELLANEOUS

On 09 Oct 2018, the NEA PREOC activated to a level 2 in support of evacuees from the natural gas pipeline fire in the Prince George area.

On 10 Oct 2018, the SWE PREOC activated to support local authorities and First Nations with regards to potential downstream consequences resulting from gas supply disruptions, due to the pipeline fire in the Prince George area.

On 10 Oct 2018, a task number was requested to support 100 evacuees from the Lheidli T'enneh Reserve due to the natural gas pipeline fire in the Prince George area.

On 13 Oct 2018, a task number was requested by Shirley Fire to rescue a dog at an abandoned power station.

ENVIROMENTALS

On 09 Oct 2018, Fort St John activated their EOC to Level 1 in response to the landslide in the Peace River Regional District on 30 September 2018.

On 11 Oct 2018, a task number was requested for a landslide incident that occurred at the landfill in Cache Creek back on 03 Aug 2018.
