WEEKLY INCIDENT REPORT Jan 15 – 21, 2018

DANGEROUS GOODS

On 19 Jan 2018, CN Rail reported that 27 coal cars derailed at mile 48.5 of the Bulkley Subdivision between New Hazelton and South Hazelton. Some of the cars slid down an embankment toward an iced over creek. . The incident was raised to Code 2 urgent status by the Ministry of Environment Response Officer (MOE RO) while CN environmental and emergency response crews attended to recover spilled coal from the frozen creek

FLOODING

On 21 Jan 2018, flooding of Whiskey Creek affected several homes and impacted a section of Highway 4 in the Nanaimo Regional District. Culverts under the highway were blocked. There was also flooding along French Creek on Rivers Crescent where the water came close to some homes. MOTI and the Highways Contractor (Emcon) responded.

On 21 Jan 2018, the Strathcona Regional District opened their Emergency Operations Center (EOC) due to flooding in the Woods Creek area. Sandbags were supplied to one affected residence and the EOC was closed.

LANDSLIDE

On 21 Jan 2018, a landslide occurred that resulted in a house being knocked off of its foundation in Campbell River. No injuries were reported, and an initial stability assessment was completed recommending that four properties be evacuated until a comprehensive geo-technical assessment was completed. The City of Campbell River declared a State of Local Emergency and issued an Evacuation Order to the four properties.

MISCELLANEOUS

On 18 January 2018, two families were impacted when an excavator hit a gas line in the Vancouver area. The two families were provided with ESS assistance.
